An old lady, whose son was about to pro-ceed to the Black Sea, among her parting admonitions, gave him strict injunctions not to bathe in that sea, for she did not want him to come home a "nigger."

"So here I am, between two tailors," said a talkative fellow at a public table where two young tailors were seated, who had just commenced business for themselves. "True," was the reply, "we are beginners, and can only afford to keep one goose between us."
