firmed as Secretary of State.

"An honest man's the noblest work of the Lord!" enthusiastically exclaimed a Hardshell preacher, and then after a pause, he added, "but the Lord hasn't had a job in the world for fifty years."

A fellow has been collecting money of the verdant in Michigan by pretending to be the son of the first Napoleon. He gratefully rais-ed one of the men whom he victimized, to the the dignity of arch-duke.

There is a railroad down South which runs one train a day, drawn by a locomotive of about one coffee-pot power. The conductor is so polite that if a lady cries out, "Mr. Conductor, I should like a drink of water," he immediately jumps off, blocks the train with a stick, and attends to the lady's wants.

The telegraph mentions that three men were hung in Mississippi the other day. They were "carpenters," and accused of "inciting slaves to rebellion." Other Northerners, we are complacently told, were shipped North. The reign of terror seems to grow more terrible every day. The circumstance of hanging "three carpenters" is evidently regarded as an ordinary affair.

HOSTETTER'S STOM-Manufacturers of Hostetter's Celebrated Stomach Bitters can appeal with perfect confidence to phy-sicians and citizens generally of the United States. because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare asser-tion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year a-mounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consump tion will reach near one million bottles. This im mense amount could never have been sold but for the rare medicinal properties contained in the pre-paration, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom. This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself

Hostetter's Stomach Bitters have proved a God-

send to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the 'Bitters' are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all mor-bid matter from the stomach, purifies the blood. and imparts renewed vitality to the nervous sys-tem, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge

of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvena-ting generally. We have evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffer-ing from stomach derangements and general de-bility; acting under the advice of physicians. they have abandoned all deleterious drugs and tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harrassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget herown health in the extreme anxiety for her infant. Should the period for maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the ener-gies of the system, and enable the mother to bear up under her exhausting trials and responsibili-ties. Nursing mothers generally prefer the Bit-ters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent

increase of bodily strength. All those persons, to whom we have particularly referred above, to wit : sufferers from fever and ague, caused by malaria, diarrhœa, dysentery, in-digestion, loss of appetite, and all diseases or de-rangements of the stomach, superanuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bit-

Caution .- We caution the public against using any of the many imitations or counterfeits, but ask for Hostetter's Celebrated Stomach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label. Prepared and sold by Hostetter & Smith, Pittsburg, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, Canada, South America, and Germany.

KEEP UP THE EXCITEMENT.—Re movals always cause excitement, and since movals always cause excitement, and since the great excitement about the removal of the Court House has subsided, the community generally have become somewhat excited upon hearing that Charly Watson has determined to pull up stakes and remove to Virginia.
