Assisting Traitors .- The government at Washington is now all right; but up to within a few weeks it has been industriously playing into the hands of Southern traitors. An account has already been given of the removal of 10,000 stand of arms from Watervleit Arseral, and their sale by Secretary Floyd to La-mar, of Savannah, Ga., for \$2 50 each, and of ramored shipments of arms South by the government. The following disclosure is made concerning the Springfield Arsenal by the Republican. It says:

"We find that during the year 1860, there have been removed from the armory in this city, and deposited for safe keeping in other U. States arsenals, 135,430 arms, as follows: Texas Arsenal, ; ; ;

ONE OF THE GRIEVANCES .- The Disunion press, North and South, complain that Mr. Lincoln did not receive a majority of the popular vote. These gentlemen seem to overlook the fact that the public functionary at present in the White House is also a minority President; and that his vote was less by over twenty-five thousand than Mr. Lincoln's, viz : Mr. Lincoln received, : 1,864,960 Mr. Buchanan received, : 1,839,642

Lincoln over Buchanan, : It is true that the total vote of the country has increased since 1856. The increase has been 654,077. The Republican party, however, seems to have absorbed about all this, for the vote of Mr. Lincoln is 522,881 greater than was Mr. Fremont's. Of this increase in the Republican vote, 27,032 has been in the slave holding States. The election returns show

that the free States have over two millions more voters than the slave States, as follows : Vote of the free States, : 3,426,903 Vote of the slave States, : 1,283,645 Difference, : : : 2,143,258

GRAND LARCENIES .- The following is a list of the principal grand larcenies committed during the Buchanan Administration. The telegraph; informs that the impeachment of Secretary Floyd is strongly urged in Washington: Name of Swindle. Am't. Cabinet Officer. \$400,000 Floyd, 150,000 Floyd, Sec. War. Sec. War Willet's Point, 150,000 Floyd, N. Bodford Ft. Site, 80,000 Floyd, Utah Flour contract, 160,000 Floyd, Utah Corn contract, 270,000 Floyd, Sec. War. Sec. War. Utah Mule sale. 240,000 Floyd Sec War.

El Paso Wagon road, 200.000 Floyd, Sec.War. Fowler Defalcation, 175,000 Brown, P.M.Gen. Godard Baily's Rob. 870,000 Thompson, Sec. Int. Total amount, \$2,545,000 This is bad enough, but when affairs are rip-ped up after the 4th of March next, we shall exclaim with the Queen of Sheba-"The half has not been told."

John E. Kimball, of Mass., a graduate of Yale, had rendered himself very popular as a teacher near Louisville, Ky. On election day, however, he voted for Lincoln and Hamlin. His was the only vote of the kind in the precinct, and when he announced it (as they all do in that State) he was hissed from the polls, and in a few days, under threats of violence, he was compelled to leave, although the mass of the people were much attached to him.

CURE FOR LOCKJAW .- A young lady ran a nail into her foot recently. The injury pro-duced lockjaw of such a malignant character that her physician pronounced her recovery hopeless. An old nurse then took her in hand. and applied pounded beet roots to her foot,

THE TRIBUNE FOR 1861.—PROSPECTUS.—The XXth Volume of the Weekly Tribune commenced with the issue of Sept. 1. During the past year The Tribune has been obliged to devote quite a large proportion of its space to politics, but we shall soon be able to forego Political discussions almost entirely, for months if not for years, and devote nearly all our columns to subects of less intense, but more abiding, interest. Anong these, we mean to pay especial attention to I. EDUCATION .- The whole subject of Education both Popular and General, will be discussed in our columns throughout the year 1861, and we hope to elicit in that discussion some of the profoundest thinkers and the ablest instructors in our country. It is at once our hope and our resolve that the cause of Education shall receive an im-petus from the exertions of The Tribane in its be-

half during the year 1861. II. AGRICULTURE.-We have been compelled to restrict our elucidations of this great interest throughout 1860, and shall endeavor to atone therefor in 1861. Whatever discovery, deduction, de-monstration, is calculated to render the reward of labor devoted to cultivation more ample or more certain, shall receive prompt and full attention. III. MANUFACTURES, &c .- We hail every in-

vention or enterprise whereby American Capital and Labor are attracted to and advantageously employed in any department of Manufacturing or Mechanical Industry as a real contribution to the Public Weal, insuring ampler, steadier, more convenient, more remunerating markets to the Farmer, with fuller employment and better wages to the Laborer. The progress of Mining, Iron-Ma-king, Steel-Making, Cloth-Weaving, &c., in our country and the world, shall be watched and reported by us with an earnest and active sympathy. IV. FOREIGN APPAIRS.—We employ the best cor-respondents in London, Paris, Turin, Berlin, and other European Capitols, to transmit us early and accurate advices of the great changes there silently but certainly preparing. In spite of the pressure of Domestic Politics, our News from the Old World is now varied and ample; but we shall have to render it more perfect during the event-

Nave to render it more perfect during the event-ful year just before us.

V. Home News.—We employ regular paid cor-respondents in California, at the Isthmus of Da-rien, in the Rocky Mountain gold region, or wher-ever else they seem requisite. From the more ac-cessible portions of our own country, we derive our information mainly from the multifarious cor respondents of the Associated Press, from our exchanges, and the occasional letters of intelligent friends. We aim to print the cheapest general newspaper, with the fullest and most authentic summary of useful intelligence, that is anywhere afforded. Hoping to "make each day a critic on the last," and print a better and better paper from year to year, as our means are steadily enlarged through the generous co-operation of our many well-wishers, we solicit, and shall labor to de serve, a continuance of public favor.
