THANKS .- Our thanks are due Hon. Chapin Hall, for a package of Peas from the Agricultural Bureau of the Patent Office.

FAREWELL SERMON .- Rev. W. L. Spottswood, pastor of the M. E. congregations in Clearfield and Curwensville, preached his farewell sermon in his church in this place on last Sabbath evening, to a large audience. He ments. has many warm friends in this county.

CATHCART'S DAY OF EXECUTION FIXED. Gov. Curtin has issued his writ for the execution of John Cathcart, convicted in the Court of Oyer and Terminer of this county. for the murder of his wife. The condemned will be hung on Friday the 12th day of April.

pett, of Lawrence township, whilst hauling wood, was severely injured, by the upsetting of his sled, and the load falling upon him. When discovered, he was in an insensible condition, but under medical treatment he was soon restored and placed out of immediate danger.

BRIDGE SWEPT AWAY .- The bridge over Clearfield creek, on the turnpike, two miles east of town, was carried off by the Ice-flood on last Wednesday. The pier of the bridge at James Forrest's on the old Erie pike, was also torn away by the ice, thus rendering it unsafe to cross that one. The consequence'is that hauling has in a great measure been suspended, and the mails are now carried across the Creek on a foot-log, and Mr. Johnson, of the Mansion House, runs a conveyance to and from the Creek, with the mails and passengers.

CAUGHT AT LAST .- The brilliant genius who does up the chaste and elegant locals of the Charfield Republican, and who, we presume, acts the critic for that polished and refined sheet, has actually eaught us committing a grammatical blunder. Well-we acknowledge the "corn," or rather, the mistake ; but at the same time we are inclined to think that the February that she died three days after. editor of the Republican, if we may be permitted to use a few of his classical expressions, "would of" if he "could of" pointed out sooner any violation of the rigid rules of Kirkham of which we might have been guilty ? This will scarcely be "a doubted" by anybody.

THE ELECTORAL VOTE. - The official count of / T OOKING-GLASS PLATES, an assortment, for the votes for President of the United States, L sale at [Dec12] cast in November last, took place at Washington on Wednesday last, in the presence of the members of both Houses, and a large number of spectators. After the reading of the returns, the tellers reported that Abraham Lincoln, of Illinois, had 180 votes ; John C. Breckinridge, of Kentucky, 72; John Bell, of Tennessee, 39; and Stephen A. Douglas, of Illinois, 12 votes. Accordingly Abraham Lincoln was declared duly elected President of the United States, for the ensuing four years commencing on the fourth of March next, and Hannibal Hamlin, Vice President, for the same period.

THE ALABAMA FORTS .- Forts Morgan and Gaines, at the mouth of the Mobile bay, have been garrisoned by 400 Alabama troops, and as no enemy is preparing to attack them, the operation is under the circumstances, a decidedly expensive and troublesome one.

The closing years of life are often rendered wretched by ailments which are trifling in themselves and easily cured if taken in time. Affection of the liver, stomach, and other organs concerned in digestion, are the most frequent. They naturally make the sufferer nervous, irritable and complaining, and relatives and friends are forced to bear the brant of their ill-humor. The use of Hostetter's Celebrated Stomach Bitters will prove an efficient remedy of this evil. It will not only strengthen the whole physical organization, but entirely cure the most obstinate cases of Indigestion, Diarrhœa, Dysentery, and Liver complaint. The first physicians in the country are loud in their praise of this preparation. Another recommendation of the Bitters is that it is so palatable to the taste that it may be used even as a beverage. ¶ Sold by druggists overywhere

RICH PERFORMANCE .- We understand that the Democratic meeting on Saturday evening, called for the purpose of selecting delegates to their State Convention to be held on the 21st, was a "rich, rare, and spicy" affair-a | away from small children. sort of free fight arrangement, in which a peculiar kind of "concilliation" and loving kindness was exhibited. We are told a great deal of fraternal regard was expressed for our "dear brethren" who are in open rebellion in the Southern States, when the ice gave way and precipitated all and great anxiety manifested lest harm should | into the water. Three persons were saved out befall some of them.

ANOTHER "Secession."-During last Saturday night, four prisoners "seceded" from our county jail. It seems that one of them, confaed in an upper room, succeeded first in making his exit into the jail yard, by removing a large stone underneath the window. This, it is said, he accomplished about 10 o'clock. He then went deliberately to work, and assisted the others to dig a large hole through the wall of the lower story. Having got out of the building, the party soon dug a hole thro' the yard wall, and effected their escape, near day-break. Their names are-James Finley, charged with rape; Martin Kelly, charged with abasing his wife; Amos Pine, for purchasing ratt under false pretences; and Hugh Freal, serving out a sentence for rape. John Cathcart was in another cell, and is secure. Stodard, whose term of confinement has just expired, was in the room up-stairs, and knew of the plot to escape, but was afraid to reveal it. Nothing has been heard of the "seceders" tince thus literally "going out into the cold."

the pockets of traitors.

AN IMPORTANT MOVEMENT IN NEW MEXICO. The Legislature of New Mexico has passed an act for the election of delegates to form a State Constitution, which is to be held in May next. The delegates are to meet in June to discharge the duties which will thus be imposed upon them, and the Constitution they form Is afterward to be submitted to the people, for ratification or rejection, at a general election to be held in September. Thus the way is rapidly being paved for the admission of this angry agitation on this subject.

### AN UNNATURAL MOTHER .- While the mail

train from Pittsburgh was going east on the 14th, a young woman with a small babe in her arms, entered the cars at Tyrone. After the train left Huntingdon station, it was discovered that the woman had left the cars and that the babe was safely stowed away in the ladies' saloon, to which the attention of the conductor was directed by its cries. The conductor was, of course, non-plussed by the unexpected visitor which had been placed in his charge. The babe, a blooming healthy boy,

They also keep always on hand a great variety of USEFUL NOTIONS,

such as are wanted in every family. The above named articles, and everything else in their line,

Zebulon Sloan of Prospect, Texas, writes : "Three bat tles of your Sarsaparilla cured me from a faire - a hid-cous swelling on the neck, which I had enflered from over two years."

Leucorrhoa or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases. Dr. J. B. S. Channing, of New York City, writes ; " I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in *Ponule Discouse* of the Scroulous diathesis. I have cured many inveterat cases of Lencorrhoes by it, and some where the cum-plaint was caused by *ulcardion* of the *ulcrut*. The ulcer-ation itself was soon cured. Nothing within my knowl-edge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ain., writes, "A dan-gerous orotern tumor on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Ser-saparilla. Our physician thought bothing but extirpa-tion could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cuiting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphills and Mercuria! Disease.

Dn. J. C. Aven: Sir, I cheerfully comply with the remest of your agent, and report to you some of the effects

I have cured with your Sarsaparilla. I have cured with it, in my practice, most of the com-plaints for which it is recommended, and have found its effects truly wonderful in the cure of Venereal and Mer-curial Disease. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his month. Your Sursaparille, standiy 'aken, cured him in five weeks. Another was attacked by sec-ondary symptoms in his nose, and the ulceration had eaten away a considerable part of ff, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some distiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered ex-cruciating pain in her joints and bones. Ebc, i. o, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly romarkable results with it have not surprised me. Fraternally yours, G. V. LARIMER, M. D.

### Rheumatism, Gout, Liver Complaint.

INDEPENDENCE, Preston Co., Va., 6th July, 1850, DR. J. C. AYER: Sir, I have been afflicted with a pain ful chronic Rheumatism for a long time, which batfled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sansaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FitEAM. Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than decongement of the Liver. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Carles and Exfoliation of the Bones.

A great variety of cases have been reported to us where A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia

Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimu-lates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the ne-cessities of the people, and we are confident that this will do for them all that medicine can do.
