THE TRIBUNE FOR 1861.—PROSPEC 1 TUS .- The XXth Volume of the Weekly Tri bune commenced with the issue of Sept. 1. During the past year The Tribune has been obliged to devote quite a large proportion of its space to pol ities, but we shall soon be able to forego Political discussions almost entirely, for months if not for years, and devote nearly all our columns to subjects of less intense, but more abiding, interest. Among these, we mean to pay especial attention to

I. EDUCATION.-The whole subject of Education both Popular and General, will be discussed in our columns throughout the year 1861, and we hope to elicit in that discussion some of the profoundest thinkers and the ablest instructors in our country. It is at once our hope and our resolve that the cause of Education shall receive an impetus from the exertions of The Tribune in its be

half during the year 1861. II. AGRICULTURE.-We have been compelled t restrict our elucidations of this great interest throughout 1860 and shall endeavor to atone therefor in 1861. Whatever discovery, deduction, de-monstration, is calculated to render the reward of labor devoted to cultivation more ample or more certain, shall receive prompt and full attention. III. MANUFACTURES, &c .- We hail every in-

vention or enterprise whereby American Capital and Labor are attracted to and advantageously employed in any department of Manufacturing or Mechanical Industry as a real contribution to the Public Weal, insuring ampler, steadier, more con-venient, more remunerating markets to the Farmer, with fuller employment and better wages to the Laborer. The progress of Mining. Iron-Ma-king, Steel-Making, Cloth-Weaving. &c., in our country and the world, shall be watched and reported by us with an earnest and active sympathy.

IV. Foreign Affairs.—We employ the best cor-respondents in London, Paris, Turin, Berlin, and other European Capitols, to transmit us early and accurate advices of the great changes there silently but certainly preparing. In spite of the pressure of Domestic Politics, our News from the Old World is now varied and ample; but we shall have to render it more perfect during the eventful year just before us.

V. Home News.—We employ regular paid cor-respondents in California, at the Isthmus of Darien, in the Rocky Mountain gold region, or wher-ever else they seem requisite. From the more accessible portions of our own country, we derive our information mainly from the multifarious cor respondents of the Associated Press, from our exchanges, and the occasional letters of intelligent friends. We aim to print the cheapest general newspaper, with the fullest and most authentic summary of useful intelligence, that is anywhere afforded. Hoping to "make each day a critic on the last," and print a better and better paper from year to year, as our means are steadily enlarged through the generous co-operation of our many well-wishers, we solicit, and shall labor to de serve, a continuance of public favor.

# AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD.

And for the speedy cure of the following complaints: Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

J. C. ATER & Co. Gents: I feel it my duty to seknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully. Yours and remain ever gratefully. Yours,
ALPRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Preble writes from Salem, N. Y., 1995 Sept., 1859, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a mangerous Malignant Erysipelas by large doses of the same; says he cures the common Eraptions by it constantly. Bronchocele, Goitre or Swelled Neck.

Zebulon Sloan of Prospect, Texas, writes: "Three botties of your Sarsaparilla cured me from a test're — a hid-cons swelling on the neck, which I had suffered from over two years." Leucorrhea or Whites, Ovarian Tumor,

Uterine Ulceration, Female Diseases. Dr. J. B. S. Channing, of New York City, writes; "I most cheerfully comply with the request of your agent in saving I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in Female Insense of the Scrofulous diathesis. I have cured many involvente cases of Leucorrhoes by it, and some where the complaints of Leucorrhoes by it, and some where the complaint was caused by ulceration of the uterus. The ulceration itself was soon cured. Nothing within my knowl-

edge equals it for these female derangements." Edward 8. Marrow, of Newbury, Aln., writes, "A dan gerons orarian tumor on one of the females in my family which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sar-saparilla. Our physician thought nothing lent extirpa-tion could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight works no symptom of the disease remains."

Syphilis and Mercurial Disease.

NEW ORLEANS, 25th August, 1859.

Dr. J. C. ATER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects. I have realized with your Sarsaparilla.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Tenerul and Mercurial Disease. One of my patients had Syphilitic alcers in his throat, which were consuming his painte and the currant Discuss. One of my patients had Syphinitic alcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his mose, and the alceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcost healed and he is well assistant. yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint. INDEPENDENCE, Preston Co., Vn., 6th July, 1859. Dr. J. C. Aven: Sir, I have been afflicted with a painful chronic Rheumalism for a long time, which baffled the skill of physicians, and stack to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cared me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM.

Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than devayement of the Liver. My beloved pastor, the Rev. Mr. Espr., advised me to try your Sarsaparilla, because he said he knew you, and any thing you read the said he knew you. and any thing you made was worth trying. By the bless-ing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again-best that can be said of you is not half good enough.

Schirrus, Cancer Tumors, Enlargement, Ulceration, Carles and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are piezzed to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilep-Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its

## reach. Such a remedy has long been required by the ne-cessities of the people, and we are confident that this will do for them all that medicine can do. Ayer's Cherry Pectoral,

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virture. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the entilier who have not some personal experience of its effect—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the victures that it did have when making the cures which have won so strongly upon the confidence of mankind.
