A dog is counted mad when he won't "take CALL and examine the Patent air tight glass omething to drink," and a man insane when want. For sale by REED, WEAVER & Co. something to drink," and a man insane when he takes too much.

An exchange gives as a reason why Mr. Buchanan should never get married, that he would be apt to shirk the "responsibilities."

From the fact that during the sack of the imperial palace at Pekin, the ladies' slippers found by the soldiers were all of respectable size, it is inferred that crippled feet have gone out of fashion with the upper-ten of China.

A curious case was tried recently at Reading. Twenty-one years ago a woman had a warrant issued for the arrest of a man who she stated was the father of a child which she had previously added to the population of Berks county. Before the warrant was served he escaped and went to Ohio, where he subsequently married and made himself a "man of means." Last summer he returned, on a visit, and as soon as he arrived, the old warrant was served upon him. He was absent on the trial of the case, but was represented by coun-sel. The woman, however, was present, and the subscribers have purchased the stock of mer-chandize lately owned by John Patton. in Curthe infant, twenty-one years of age, was also wensville. and have just added a fresh supply of in the Court room. Both plaintiff and defendant now have families. We doubt if a similar case was ever tried in this or any other country. The man was convicted.

HOSTETTER'S STOMACH BITTERS.-The proprietors and Manufacturers of Hostetter's Celebrated Stomach Bitters can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom. This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their vic-tims by hundreds. To be able to state confidently that the 'Bitters' are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all mor-bid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous sys tem, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harrassing that many of them sink under the trial. The relation of mo-ther and child is so absorbingly tender, that the mother, especially if she be young, is apt to for-get her own health in the extreme anxiety for her infant. Should the period for maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particularly referred above, to wit : sufferers from fever and ague, caused by malaria, diarrhœa, dysentery, in-digestion, loss of appetite, and all diseases or derangements of the stomach, superanuated invalids, persons of sedentary occupation, and nursing ters a trial.

Bronchocele, Goitre or Swelled Neck Zebulon Sloan of Prospect, Texas, writes : "Three but-tles of your Sarsaparilla cured me from a Geire — a hid-cons swelling on the neck, which I had suffered from over two years."

Leucorrhea or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases. Dr. J. B. S. Channing, of New York City, writes; "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerops complaints for which we employ such a remedy, but especially in *Prante Disease* of the Scrofulous disthesis. I have enred many invet-rate enses of Lencorthorn by it, and some where the complaint was caused by alceration of the alcerat. The alcer-ation itself was soon cured. Nothing within my knowl-

edge equals it for these female derangements." Edward S. Marrow, of Newbury, Ala., writes, "A dan-gerous orarian tumor on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sar suparilla. Our physician thought nothing but extrac-tion could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

#### Syphilis and Mercurial Disease.

NEW ORLEANS, 25th August, D 59. DR. J. C. ATER : Sir, I cheerfully comply with the re-quest of your agent, and report to you some of the effects I have realized with your Sarsaparilla.

I have enred with it, in my practice, most of the com-plaints for which it is recommended, and have found its effects truly wonderful in the enre of Veneral and Mer-curial Disease curial Disease. One of my patients had Synhilitle alcors in his throat, which were consuming his palate and the top of his month. Your Sarsaparilla, standily taken, cured him in five weeks. Another was attacked by sec-ondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe L-disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla: the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by nervory was suffering from this poison in her bones. They had become so sen-sitive to the weather that on a damp day she suffered excruciating pain in her joints and hones. She, to was cured entirely by your causaparilla in a few weeks. I know from its formula, which your agent gave me that this Preparation from your laboratory must be a great

remedy; consequently, these truly remarkable results with it have not surprised me. Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint.

Aven: Sir, I have been afflicted with a pain ful chronic Rheumatian for a long time, which ball skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restared my general health so much that I am far helter than before I was attacked. I think it a wonderful medicine. J. FREAM

Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Zrier, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down wan for some years from no other cause than decongement of the Liver. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you. and any thing you made was worth trying. By the bless-ing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good snough."
