KEP UP THE EXCITEMENT.—Re movals always cause excitement, and since the great excitement about the removal of the Court House has subsided, the community generally have become somewhat excited upon hearing that Charly Watson has determined to pull up stakes and remove to Virginia. OSTETTER'S STOMACH HOSTETTER'S STOMACH
BITTERS.—The proprietors and
Manufacturers of Hostetter's Celebrated Stomach Bitters can appeal with perfect confidence to physicians and citizens generally of the United States. because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare asser-tion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This im mense amount could never have been sold but for the rare medicinal properties contained in the pre-paration, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom. This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the 'Bitters' are a certain cure for the Dyspepsia and like diseases, is to the proprietors a ource of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous sys-tem, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general de-bility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harrassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in the extreme anxiety for her infant. Should the period for maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the ener-gies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bit-ters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrhœa, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superanuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bit-

Cantion .- We caution the public against using any of the many imitations or counterfeits, but ask for Hostetter's Celebrated Stomach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, Onguent" is an indispensable article in every entleman's toilet, and after one week's use they could not for any consideration be without it.

AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD And for the speedy cure of the following complaints

Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Bolls, Blains, and all Skin Diseases. J. C. AYER & Co. Gents: I feel it my duty to as

knowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my major and ears with one sore, which was painful and leathage. years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and lonthsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejeiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small deses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scalp, which after a skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain over gratefully. Yours, ALFRED B. TALLEY. and remain ever gratefully.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous Malignant Erysipelas by large doses of the same; says he cures the common Eruptions by it constantly. Bronchocele, Goltre or Swelled Neck.

Zebulon Sloan of Prespect, Texas, writes: "Three bot-tles of your Sarsaparilla cured me from a Goirz — a hid-eous swelling on the neck, which I had suffered from over two years." Leucorrheea or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. B. S. Channing, of New York City, writes; "I most cheerfully comply with the request of your agent is saying I have found your Sarsaparilia a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in Finale Disease of the Scrofulous diathesis. I have cured many inveterate cases of Leucorrheea by it, and some where the complaint was caused by ulcerution of the uterus. The ulces ation itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes, "A dangerons orarian tumor on one of the fomales in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Susaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

no symptom of the disease remains. Syphilis and Mercurial Disease.

New Origans, 25th August, 1859.
Dr. J. C. Ayer: Sir, I cheerfully comply with the request of your agent, and report to you some of the closes I have realized with your Sarsaparilla.
I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Veneral and Mechanism curial Disease. One of my patients had Syphilitic alors in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilia, steadily taken, cured him in five weeks. Another was attacked by sec ondary symptoms in his nose, and the ulceration had enten away a considerable part of it, so that I believe its disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla, the yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a guat remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint. INDEPENDENCE, Preston Co., Va., 6th July, 1859.

DR. J. C. AYER: Sir, I have been afflicted with a palpful chronic Rheumatism for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Saranparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM.

Jules Y. Getchell, of St. Louis, writes: "I have been Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough." Schirrus, Cancer Tumors, Enlargement, Ulceration, Carles and Exfoliation of

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanse, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilep-sy, Melancholy, Neuralgia Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral

FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and iums. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.
