

THE JOURNAL.

CLEARFIELD, PA., APRIL 24, 1861.

"Raftsmen's Journal Office," on Second Floor of Graham's New Brick Building, on Market Street.

LOOK OUT.—Most of our subscribers are prompt paying ones; but we have a few who are tardy or indifferent in this respect.

We learn that a company of 80 men, from Jaynesville, in this county, left for Harrisburg on Monday last.

THE LUMBER BUSINESS.—Many persons are getting home from down the river. The lumber trade is dull.

A BEAUTIFUL THOUGHT.—Douglas Jerrold at one time said: "A garden is a very beautiful book, written by the finger of God.

ATTEND TO YOUR FARMS.—Our people should at once give more attention than ever to farming. Let them raise grain, vegetables and provisions of all kinds.

GARDENING.—There is nothing better for wives and daughters, physically, than to have the care of a garden—a flower-pot if nothing more.

THE MILITARY.—The military spirit has been aroused in Clearfield. On Monday morning last Captain Lorain called out his company.

RELIEF ASSOCIATION.—In pursuance of previous notice, a large number of the citizens of Clearfield assembled at the Town Hall.

DECLINE.—The credit of the State of Virginia is going down rapidly, in consequence of her present position towards the Union.

RECRUITING PARTIES.—Last week a vessel from Savannah entered Boston harbor with the Rebel flag flying.

Luzerne co., was called upon for 1,000 men and raised them in 24 hours. Twice that number could be had if wanted.

AN ACT TO PUNISH TREASON.

An act, supplementary to an Act to consolidate, revise, and amend the penal laws of this Commonwealth, approved the thirty-first day of March, 1850.

Section 1. Be it enacted, by the Senate and House of Representatives of the Commonwealth of Pennsylvania, in General Assembly met, and it is hereby enacted by the authority of the same, That if any person or persons belonging to or residing within this State, and under the protection of its laws shall take a commission from any person, State or States, or other enemies of this State, or the United States of America, or who shall levy war against this State or government thereof, or knowingly shall aid or assist any enemies in open war against this State or the United States, by joining their armies, or by enlisting or procuring or persuading others to enlist for that purpose or by furnishing such enemies arms or ammunition, or any other articles for their aid and comfort, or by carrying on a traitorous correspondence with them, or shall form or be in any wise concerned in forming any combination or conspiracy for betraying this State or the United States of America, into the hands or power of any foreign enemy or any organized or pretended Government engaged in resisting the laws of the United States, or shall give or send any intelligence to the enemies of this State or of the United States of America, for that purpose, so offending and being legally convicted thereof, shall be guilty of a high misdemeanor, and shall be sentenced to undergo an imprisonment for a term not exceeding ten years, or shall form or be in any wise concerned in forming any combination or conspiracy for betraying this State or the United States of America, into the hands or power of any foreign enemy or any organized or pretended Government engaged in resisting the laws of the United States, or shall give or send any intelligence to the enemies of this State or of the United States of America, for that purpose, so offending and being legally convicted thereof, shall be guilty of a high misdemeanor, and shall be sentenced to undergo an imprisonment for a term not exceeding ten years, or shall form or be in any wise concerned in forming any combination or conspiracy for betraying this State or the United States of America, into the hands or power of any foreign enemy or any organized or pretended Government engaged in resisting the laws of the United States, or shall give or send any intelligence to the enemies of this State or of the United States of America, for that purpose, so offending and being legally convicted thereof, shall be guilty of a high misdemeanor, and shall be sentenced to undergo an imprisonment for a term not exceeding ten years.

Section 2. That if any person or persons within this Commonwealth shall build, construct, alter or fit out, or shall assist in building, constructing, altering or fitting out any vessel or vessels for the purpose of making war or privateering, or other purpose, to be used in the service of any person or persons, whatever to make war on the United States of America, or to resist by force the execution of the laws of the United States, such person or persons shall be guilty of a misdemeanor, and on conviction thereof shall be sentenced to undergo an imprisonment at labor, not exceeding ten years, or be fined in a sum not exceeding five thousand dollars, or both, at the discretion of the Court.

MARIETTA, Lancaster Co., April 21, 1861. To the People of Clearfield County. The undersigned, your fellow citizens being unavoidably absent from their homes, and not doubting for a moment, that their cherished county will furnish her full quota of the military called for by the President of the United States, to maintain and defend the Government in this hour of peril, take this, the earliest opportunity, to pledge themselves to each other, and to the public, for the payment of the respective sums set opposite their names, for the maintenance of the families of such patriotic citizens of the county as may volunteer or be enrolled in the service of their country, during the period of their absence.

William Irvin, of Curwensville, \$1,000 John Patton, of Curwensville, 500 Jonathan Boynton, of Clearfield, 500 Jas. T. Leonard, of Clearfield, 300 William Bigler, of Clearfield, 150 Reed & Weaver, of Clearfield, 150 G. R. Barrett, of Clearfield, 150 G. H. Lytle, of Lumber-city, 100 J. P. Nelson, of Graham tp., 50

GOV. LETCHER TURNED TRAITOR.—It now appears that Gov. Letcher, who has heretofore professed to be a Union man, has thrown off his false garb and assumed his true colors. By late advices we see that the Norfolk harbor has been obstructed by the sinking of vessels in the channel, by the order of Gov. Letcher, for the purpose of preventing the Government vessels from leaving that harbor.

POSTION OF DOUGLAS.—The following was sent by telegraph to Missouri by Senator Douglas, as his position on the present state of the country: "I deprecate war, but if it must come, I am with my country and for my country under all circumstances, and in every contingency. Individual policy must be subordinate to the public safety." Good for Douglas!

JOHN C. BRECKINRIDGE.—It is stated that John C. Breckinridge, who has heretofore been quoted as a staunch Union man, has at last come out in his true colors, and agrees to furnish 10,000 men, from Kentucky, to the Rebel army. So John C., and his friend Joe Lane are both secessionists and are giving aid and comfort to the rebels.

NEW YORK CUSTOM HOUSE.—The Custom House at the port of New York, on Friday last refused to grant clearances for ports in the seceded States. That's right; all facilities for getting supplies from the North should be promptly cut off from the rebels.

THE GOVERNMENT'S CREDIT GOOD.—It is worthy of note, in connection with the warlike news from Charleston, that the credit of the United States Government, instead of snifering even a temporary depreciation, the stock Exchange in New York, is firm at full prices.

RECEIVED RIGHT.—Last week a vessel from Savannah entered Boston harbor with the Rebel flag flying. On her arrival at the wharf, the people compelled the captain to strike his flag and hoist the stars and stripes.

PHYSICIAN AND SURGEON. J. G. HARTSWICK, MAY 20, CLEARFIELD, PENNA. 1860.

IMPORTANT FROM WASHINGTON! BATTLE IN BALTIMORE?

Penn'a Troops Attacked by Rebels!

BALTIMORE, April 19.—A terrible scene occurred in Pratt street. The railroad track was torn up by the Secessionists, and the troops from Philadelphia and Massachusetts attacked with bricks and stones. The military fired upon their assailants. Three members of the Massachusetts Regiment were killed and several wounded. Four of the mob were killed and ten wounded. The military have since reached Washington. Gov. Hicks refused to let any more troops pass through the city, and some of the Philadelphians were turned back. Great excitement prevails in the city. The Secessionists had yesterday hoisted a secession flag and were firing a salute when a number of workmen from the foundry rushed on the traitors, tore up the flag, spiked the gun and threw it in the river.

WASHINGTON, April 19.—It is reported that Secessionists had planted several cannon on Georgetown Heights, to prevent the Government troops coming up the Potomac for the defence of the Capitol. The five government vessels at Norfolk, Va., well armed, manned and equipped, are ready to resist any hostile movements. The Government troops at Harper's Ferry, Army, apprehending an attack from 1500 Virginians, placed 15,000 small arms on top of the magazine and blew it up after they had set fire to all the buildings and then made their way through Maryland to Carlisle barracks.

CHAMBERSBURG, April 22.—The four men that Lieut. Jones had left on guard at Harper's Ferry, were taken prisoners by the Virginians, and held until Sunday afternoon, when two escaped by crossing the bridge, and one by swimming the river and canal. They reached Chambersburg, and report that the destruction of the buildings and arms was complete, and that 6 or 7,000 troops were expected from Richmond, who contemplated an attack on the Pennsylvania line. This needs confirmation.

WHEELING, Va., April 20.—Gov. Letcher sent orders to this city to seize the custom house, but the people are too strong for Union, and the Mayor guarded it last night for the United States. The people are greatly excited by the news, and declare that they will stand by the stars and stripes.

PHILADELPHIA, April 22.—The police of the city have seized some 3 or 4 tons of lead, which was directed to Williams & Co., Memphis, Tenn., and to be forwarded to Jackson Miss. Some days previous a lot of knapsacks, kettles, etc., were seized which were destined South.

The Secessionists in Maryland have destroyed all the railroad bridges near Baltimore. The troops going forward now, march round that city to Annapolis, and from there proceed to Washington by railroad—that part of the road still being in loyal hands. The rebels of Baltimore had made a demand for the surrender of Fort M'Henry, but Capt. Sedgwick, the commander, told them that if attacked he would shell the city. No demonstration was made at last advices. Washington city is considered safe.

IN PHILADELPHIA, on Thursday last Bishop Wood raised the American flag over the dome of the new Catholic Cathedral in Logan Square—the height being 220 feet. A CARD TO THE SEPPERS.—The Rev. William Cogrove, while laboring as a missionary in Japan, was cured of Consumption, when all other means had failed, by a recipe obtained from a learned physician residing in the great city of Jeddo. This recipe has cured great numbers who were suffering from Consumption, Bronchitis, Sore Throat, Coughs and Colds, and the debility and nervous depression caused by these disorders. Desirous of benefiting others, I will send this recipe, which I have brought home with me to all who need it, free of charge. It seems to be the general opinion in Washington city is considered safe.

The great drawback to persons emigrating to the extreme south and western country is the fear they have of the Fever and Ague, the most distressing of all diseases. Every day we hear of persons attacked by this disease, and made helpless in a short time, without any means of affording relief. In view of the great demand for a remedy Dr. Hostetter has presented his celebrated stomachic Bitters, whose curative power for all diseases of the stomach have been universally acknowledged. The Bitters, prepared after a long experience and deep study, have received the endorsement of the most eminent physicians, well as all classes from every part of our country. To those who doubt their many virtues, all we can say is to try them, and judge for themselves respectively. Sold by druggists and dealers generally everywhere. See advertisement in another column.

STIRRING TIMES IN PHILADELPHIA! Tremendous Excitement among the Masses!!! EXCITING FOOT RACE between the Philadelphia Police and a notorious Forger and counterfeiter, James Buchanan Cross!!! Cross escaped from the Philadelphia Jail, and fled to the city of Clearfield, where he crossed had worn a pair of Frank Short's French-calf Boots, that he would not be taken yet.
