

THE JOURNAL.

CLEARFIELD, PA., MAY 8, 1861.

"Raftsmen's Journal Office," on Second Floor of Graham's New Brick Building, on Market Street.

LOOK OUT.—Most of our subscribers are proud paying ones; but we have a few who are tardy or indifferent in this respect.

CONTINUED.—We have been requested to state, that the list of civil causes set down for trial at June Term, has been continued by the members of the Bar.

VOLUNTEERS! VOLUNTEERS!—A new company is now organizing at this place, which already numbers 50 men.

CLEARFIELD RIFLES.—This company met at Goshen School House on Monday the 6th, for the purpose of filling up their ranks.

DISGRACEFUL.—Yesterday about noon, a most disgraceful scene occurred on Water street, in this place.

VENTILATION.—In stormy weather the wind invariably drives through stove pipes in houses the most disagreeable and noxious gases.

DEPARTURE OF VOLUNTEERS.—Captain Lorraine's company, the "Washington Cadets," which have been quartered here for about two weeks, left yesterday afternoon for Harrisburg.

THE "WILD CAT DISTRICT."—On Thursday the 2nd May, a company numbering over 300 volunteers, arrived at Harrisburg, which was made up of men from Cameron, M'Keen, Jefferson and Elk counties.

Mr. Editor.—As raising the emblem of the Union is all the rage now, perhaps it will be interesting to you to know that Successionists are fast disappearing.

FLAG PRESENTATION.—On last Wednesday afternoon, May 1st, a large number of our citizens, male and female, old and young, assembled in front of the armory of the "Washington Cadets."

THE AMERICAN FLAG DISPLAYED.—The Star Spangled Banner was raised with great demonstrations at the Post Office and Custom House in Baltimore, on Wednesday the 1st of May.

In the evening, the "Cadets" partook of an excellent supper, which the fair donors of the flag had also prepared.

CLIPPINGS AND SCRIBBLINGS

Arrived—Maj. Anderson, at Washington. Recognized—the new Kingdom of Italy, by Portugal.

Rule the day—Bad whiskey and bad temper, in Baltimore. Intelligence from Missouri is, that she will adhere to the Union.

There are 1,300 men in Fort Monroe, and 550 in Fort M'Henry. Families, driven from Virginia, pass through Georgetown, daily.

The report that no more troops are wanted at Washington, is in correct. The Union feeling is still strong in Baltimore, but suppressed by the mob.

Four regiments of troops have been raised in St. Louis, for the President. Was notified—Rev. Mr. White, to leave Virginia, on Sunday while in his pulpit.

Forwarding of troops will not cease until 50,000 men have reached Washington. Searched—the trunks and valises of travelers, on passing into the Southern confederacy.

Western Virginia, it is said, has already enrolled 2,600 men for the service of the United States. To be increased—the French army, The National Guards are to be re-constructed on a grand scale.

Captured—five forts in Cochín China, by the French and Spanish troops, after an obstinate resistance. Discontinued—the daily States and Union, at Washington, for want of support. It advocated secession.

Scouts returned from North Carolina report that the military spirit is thoroughly aroused in that State. Gen. Thomas Power, of Beaver co., Pa., has entered the ranks of Col. C. M. Clay's company, at Washington.

The Austrian army is uneasy, and the Emperor is disposed to enter Italy with 200,000 men before the Kingdom is consolidated. Twenty-five thousand Minnie rifles have been purchased in Canada for the U. S. Government, and it is said, more can be obtained.

The Italian government would not act against Rome as a conqueror, and it was hoped that the antagonism of the church would cease. Singular—that all the men who return from the east say, that there is more sympathy exhibited for the Secessionists in this place, than any where they have been.

Judge Campbell of the U. S. Supreme Court, who resides in Alabama, has sent in his resignation. He is a Unionist, but feels bound to adhere to the fortunes of his State. The Steamer Lioness, commissioned as a privateer by the Secession leaders in Baltimore, was captured by a U. S. vessel in Chesapeake Bay. She has been delivered over to the proper authorities.

Ev-Gov. Wise says, "Virginia will have Fort Monroe if it costs the lives of 10,000 of her sons to get it." The losing of 10,000 lives is an easy matter; but, the taking of the Fort may be more difficult. POLE RAISING.—A correspondent writes us, that a pole over eighty feet long, was raised by the citizens of Osceola on the 1st of May, and a flag 8 feet by 12, wrought by the hands of the patriotic ladies of that place, was hung to the breeze amid the plaudits of those assembled, and the firing of a military salute.

SEIZURE OF FLOUR.—It was announced that the Government had seized at various times quantities of flour. Prior to its doing so, the price had risen to \$20, per barrel. The whole amount taken was 30,000 barrels, all of which was destined for the New-York market, and for which regular prices were paid. This the Government is now selling in small or large lots, as suits purchasers, and the poor of Washington are blessing the Administration for lowering the rates of that necessary. Other provisions are scarce, and hotel tables are worse than those set in third-class boarding-house in Chatham street. A rolling stock has been sent from the Pennsylvania Central Road, with which to supply the road from Washington to Annapolis, and Thomas A. Scott, Superintendent of that road, is there to manage the transportation of troops.

AVENGED HIS MOTHER.—The Louisville Democrat of the 21st, says: A man named Peter Smith was shot yesterday morning, on the Jeffersonville ferry boat, by his illegitimate son, Francis Marion Smith. The young man states that the former had seduced his mother forty years ago, and brought her to a career of prostitution. He states that his mother, on her death bed, about a year ago, told him of these facts, and told him to avenge her. The young man first stabbed him, and then shot him in the back of the head, the ball coming out above the eye, literally blowing his brains out. He died immediately. Peter Smith was well known as a wine grower, and resided near Utica, Indiana, and is connected by marriage with respectable families in this city. He was highly respected by a large circle of friends.

CHARLESTON.—A soldier discharged from service, who had gone into Fort Moultrie the day after Maj. Anderson left it, and who served under Captain Haven's during the siege of Fort Sumter, says that the round shot from Sumter's mortar guns were the most destructive to Fort Moultrie—that they were fired with great accuracy that at times the scene in the Fort was terrible—and that between 300 and 400 were killed, and a large number wounded. The killed were thrown into boxes and buried in the Potter's Field after night. He says hundreds of families have yet to learn the truth; who are informed that their friends are still on Sullivan's Island. He also states that there were 150 killed and wounded on Morris Island.

THE AMERICAN FLAG DISPLAYED.—The Star Spangled Banner was raised with great demonstrations at the Post Office and Custom House in Baltimore, on Wednesday the 1st of May. A large crowd had assembled to witness the flag raising. A new flag staff had been ordered to be erected, by the new officials, over the portico, and at a quarter to 12 o'clock, Capt. Frazier, a veteran sea-captain of Fells Point, drew up the flag; and as it spread to the breeze was greeted with tremendous applause, the waving of hats, and cheers for the Union. The crowd then joined in singing the "Star Spangled Banner."

Twice, after sacrificing his honor and his conscience, has been contemptuously thrown aside with a commission of Brigadier General, which Davis knew he could not accept. He has sunk too low for scorn. His degradation can excite no feeling but pity.

Latest from Washington.

WASHINGTON, Saturday, May 4, 1861. From the President to the lowest official, all are busy with preparations for the approaching movement. Special agents are dispatched from all the organizing departments to the several Navy-Yards and army posts, who are directed forthwith and speedily to place all things in perfect order.

The President has determined upon active, instant, decisive, and comprehensive action. The time has arrived when, in accordance with the doctrine announced in his Inaugural, the President will proceed to repossess the property of the United States.

Seventy thousand volunteers, twenty-five thousand regulars, and eighteen thousand naval force, are shortly to proceed upon this important mission, and their march, truly the march of mighty armies, will not falter until he whose right it is to rule shall be recognized from one end of the land to the other.

Gen. Scott telegraphed for Gen. Butler to leave Annapolis and come here, and all day long he has been closeted with the Commander-in-Chief, receiving detailed information and instruction concerning his future movements.

It is also decided to approach and occupy Baltimore. The army of occupation will move in four columns; one from Perryville, one from Harrisburg, one from Annapolis, and one from Washington. Of course, no opposition is anticipated, though no possible successful impediment could be placed in their way.

CAIRO, Ill., May 5.—A gentleman from Cincinnati sent a dispatch to Col. Prentiss stating that "Gen. Pillow had several steamers ready at Memphis, and intended to attack Cairo." Col. Prentiss replied, "Let him come—he will learn to dig a ditch on the right side. I am ready."

WHEELING, May 5.—An immense Union meeting was held here yesterday. Able speeches were made urging resistance to the Secession ordinance, and favoring a division of the State.

WASHINGTON, May 6.—Thirty cars, containing about 1800 troops, were sent to the Relay House, yesterday. They have established a camp on Mr. Lockett's and Talbot's farms. Their arrival caused much surprise; as even the telegraph operator did not know of their coming, until a guard entered the office and took possession.

It is said that the troops have cut down the telegraph poles on the lines west of Relay, so as to prevent communication between Baltimore and Harper's Ferry.

The Baltimore and Ohio Railroad is held, to prevent the forwarding of supplies to Secession troops in Virginia. It is also reported that the road from Wheeling will be taken possession of for the same purpose.

HARRISBURG, May 6.—Some anxiety has been manifested, to show the object of the meeting of the Governors of some six States, at Cleveland. The object was the discussion of the present aspect of affairs, and the more completely to consolidate their forces for the purpose of giving the National Administration the most efficient possible powerful aid. Two hundred and eighty-three companies have offered their services to the Governor of Pa., who were not accepted under the former requisition. Among the names we find the "Washington Cadets," and "Raftsmen Rangers."

A CARD TO THE SUFFERING.—The Rev. William Cosgrove, while laboring as a missionary in Japan, was cured of Consumption, when all other means had failed, by a recipe obtained from a learned physician residing in the great city of Jeddo. This recipe has cured great numbers who were suffering from Consumption, Bronchitis, Sore Throat, Coughs and Colds, and the debility and nervous depression caused by these disorders. Desirous to accommodate all who may be afflicted, I have brought home with me, to all who need it, free of charge. Address Rev. Wm. Cosgrove, Feb. 27-2m. 433 Fulton Avenue, Brooklyn, N. Y.

The female organization is often as frail as that of a tender flower. Many of the sex enter into marriage relations without being able to undergo the labors and trials of maternity. In this country thousands of young and beautiful women are sacrificed every year from this cause alone. Hostetter's Celebrated Stomach Bitters will save many of this class from an untimely grave. This medicine has been used with great benefit by immense numbers of people throughout the republic, and the proprietors have received grateful commendations from all sections of the country. The Bitters will be found to be very pleasant to the taste, even as a beverage, and prompt and powerful in its effect as a medicine. It infuses new vitality into the frame, and strengthens the whole system, so that women who use it are enabled to go through with labors which would, without it, be certain to prostrate them. Sold by all druggists.

MARRIED: On April 4th, by M. A. Frank Esq., Mr. James Morrison, of Goshen tp., to Miss Eliza Brooks, of Centre county.
