A DEPLORABLE CASE.

A western paper relates the following, which we hope may be a warning to all such as persist in the course pursued by their western exemplar: "The man that don't take his county paper was in town yesterday. He brought his whole family in a two horse wagon. He still believed that General Taylor was President, and wanted to know if the "Kamschatkians" had taken Cuba, and if so where they had taken it. He had sold his corn for twenty-five cents, the price being thirty-one; but upon going to deposit the money, they told him it was mostly counterfeit. The only hard money he had was some three cent pieces, and those some sharper had "run on him" for half dimes! His old lady smoked a "cob pipe," and would not believe that anything else could be used. One of the boys went to a blacksmith's shop to be measured for a pair of shoes, and another mistook the market house for a church. After hanging his hat on a meat hook, he piously took a seat on a butcher's stall and listened to an auctioneer, whom he took to be the preacher. He left before 'meetin' was ont, and had no great opinion of the 'sarmint.' One of the girls took a lot of seed onions to the post office to trade them for a letter. She had a baby which she carried in a "sugar trough," stopping at times to rock it on the side walk. When it cried, she stuffed its mouth with an old stocking, and sang "Barbara Allen." The oldest boy had sold two "coon skin3" and was on a "bust." When last seen, he had called for a glass of "soda and water," and stood making wry faces. The shop keeper, mistaking his meaning, had given him a mixture of sal soda and water, and it tasted strongly of soap. But he'd hearn tell of soda water, and was bound to give it a fair trial, "puke or no puke." Some "town fellow" came in and called for lemonade with a "fly in it," whereupon our "soaped" friend turned his back and quietly wiped several flies into his drink. "We aped invention, and culterwated nothin' but wanity and wexation. None of his family ever learned to read, but one boy, and he teached school awhile, and then went to studying "diwinity."

The essential items of the plan are: The removal of the Missouri line as far north as the St. Lawrence River, all south of that to be devoted to slavery; a declaration by the Republicans that they are sorry they elected Lincoln and are willing to be forgiven; the public burning of the Chicago Platform, and such portions of the Bible as seem to conflict with slavery; the removal of Bunker Hill Monument to South Carolina; the immediate massacre of all tree negroes in the Northern States; E Pluribus Unum amended to read E Pluribus Carolina; the turkey buzzard to be substituted for the American eagle; Major Anderson to be hung; the stars to be obliterated from the National ensign, and a bale of cotton substituted; Howell Cobb to be proclaimed President, and Governor Floyd Secretary of the Treasury; rates as they can be purchased in the county, and only two newspapers to be allowed in the Free of as good quality, if not better. KEEP UP THE EXCITEMENT.—Re movals always cause excitement, and since the great excitement about the removal of the Court House has subsided, the community generally have become somewhat excited upon hearing that Charly Watson has determined to pull up stakes and remove to Virginia. But the latest cause of excitement is the fact that I have removed my Saddler Shop from my old stand opposite the Court House to my new shop on Market street, nearly opposite the jail, where all who may favor me with a call can be supplied with Saddles, Single Harness, Double Harness, Tug Harness, Bri-dles, Collars, Whips, Halters, Housings, Breechbands, Side Straps, and in fact every article in the line of Saddling and Harness making. Thankful for the very liberal patronage heretofore bestowed I solicit a continuance of the same and a call from as many new customers as can make it suit.

Geo. Fairchild, Sec. HOSTETTER'S STOMACH
BITTER'S STOMACH
Manufacturers of Hostetter's Celebrated Stomach Bitters can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where he article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases re-sulting therefrom. This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their vic-tims by hundreds. To be able to state confidently that the 'Bitters' are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood. and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffer-ing from stomach derangements and general de-bility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. "A few words to the gentler sex. There are certain periods when their cares are so harrassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in the extreme anxiety for her infant. Should the period for maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the en dorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particular-All those persons, to whom we have particular-ly referred above, to wit: sufferers from fever and store of WM. F. IRWIN, Clearfield. ague, caused by malaria, diarrhoa, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superanuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bit-

ters a trial. Caution .- We caution the public against using any of the many imitations or counterfeits, but ask for Hostetter's Celebrated Stomach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork. and observe that our autograph signature is on the label. Prepared and sold by Hostetter & Smith, Pittsburg, Pa., and sold by all druggists, grocers. States, Canada; South America, and Germany.

AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD

And for the speedy cure of the following complaints: Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptians, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

J. C. Aven & Co. Gents: I feel it my duty to asknowledge what your Sarsaparilla has done for he. Having inherited a Scrofulous infection, I have assumed from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes a turned inward and distressed me at the stometh. Two years are it burst out on my head and caused my selections. years ago it broke out on my head and covered my scale and ears with one sore, which was poinful and loathsoms beyond description. I tried many medicines and several beyond description. I tried many incederines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejected to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your resultion that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it as you advise in sently described in the content of the conten it, as you advise, in small doses of a tenspoonful over a month, and used almost three bottles. New and leadthy while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I ton you, that I hold you to be one of the apostics of the age, and remain ever gratefully.

ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy. Dr. Robert M. Preble writes from Salem, N. Y. 12d

Sept., 1859, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangeron Malignant Erysipelas by large doses of the same; says he cures the common Eruptions by it constantly. Bronchocele, Goitre or Swelled Neck.

tles of your Sarsaparilla cured me from a Goire — a hiseous swelling on the neck, which I had suffered from over two years." Leucorrhea or Whites, Ovarian Tumor,

Uterine Ulceration, Female Diseases. Dr. J. B. S. Channing, of New York City, writes; "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in Founds Dissesser of the Scrofulous diathesis. I have cured many involvente cases of Leucorrhoea by it, and some where the complaint was caused by ulceration of the ulcrus. The nices ation itself was soon cured. Nothing within my knewi

edge equals it for these female derangements." Edward S. Marrow, of Newbury, Ala., writes, "A dangerous ovarian tumor on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sar-saparilla. Our physician thought nething but extins-tion could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease. DR. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects
I have realized with your Sarsaparilla.
I have cared with it, in my practice, most of the com-

plaints for which it is recommended, and have found its effects truly wonderful in the cure of Venezeal and Mercurial Disease. One of my patients had Syphilitic closes in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by soondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him., But it yielded to my administration of your Sarsaparilla; the yielded to my administration of your Sarsaparilla, the ulcers healed, and he is well again, not of course with at some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a dump day she suffered excruciating pain in her joints and bones. She, too was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave ms, that his Pressaration from your laboratory must be a great this Preparation from your inhoratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me. Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint. INDEPENDENCE, Preston Co., Va., 6th July, 1850. Dr. J. C. Aven: Sir, I have been afflicted with a pale ful chronic Rheumatism for a long time, which build skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. On bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FRLAN. Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing falled to relieve me; and I have been a broken-down man for some years from no other cause than derangements the Liver. My beloved pastor, the Roy. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you and any thing you made was worth trying. By the bissing of God it has cured me, and has so partial my bled

as to make a new man of me. I feel young again. The best that can be said of you is not half good enough." Schirrus, Cancer Tumors, Enlargement Ulceration, Caries and Exfoliation of the Bones.

cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Same of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia Many remarkable cures of these affections have been made by the alterative power of this medicine. It store lates the vital functions into vigorous action, and the overcomes disorders which would be supposed beyond it reach. Such a remedy has long been required by the re-cessities of the people, and we are confident that this wal-do for them all that medicine can do.
