KEEP UP THE EXCITEMENT.—Re movals always cause excitement, and since the great excitement about the removal of the Court House has subsided, the community generally have become somewhat excited upon hearing that Charly Watson has determined to pull up stakes and remove to Virginia. > HOSTETTER'S STOMACH
> BITTERS.—The proprietors and
> Manufacturers of Hostetter's Celebrated Stomach Bitters can appeal with perfect confidence to physicians and citizens generally of the United States because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare asser-tion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachie derangements and the diseases resulting therefrom. This is not a temporary popu-larity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself Hostetter's Stomach Litters have proved a God-

send to regions where fever and ague and various other bilious complaints have counted their vic-tims by hundreds. To be able to state confident-ly that the 'Bitters' are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all mor-bid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous sys tem, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge

of the functions of nature. Elderly persons may use the Bitters daily as per directions on the bottle, and they will find it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomash derangements and general de-bility; acting under the advice of physicians. they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harrassing that many of them sink under the trial. The relation of mo-ther and child is so absorbingly tender, that the mother, especially if she be young, is apt to for-get her own health in the extreme anxiety for her infant. Should the period for maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the en dorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particular ly referred above, to wit : sufferers from fever and ague, caused by malaria, diarrhœa, dysentery, in digestion, loss of appetite, and all diseases or de-rangements of the stomach, superanuated invalids, persons of sedentary occupation, and nursing mothers, will consuit their own physical welfare by giving to Hostetter's Celebrated Stomach Bit-

ters a trial. Caution .- We caution the public against using any of the many imitations or counterfeits, but ask for Hostetter's Celebrated Stomach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork and observe that our autograph signature is on the label. Prepared and sold by Hostetter & Smith, Pittsburg, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, Canada, South America, and Germany. Agents—Geo. W. Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prejude to serious illiness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered in mors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous acof the body into vigorous ac-tivity, purify the system from the obstructions which make A cold settles somewhere in the body, and ob-

atructs its natural functions. These, if het relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the take Ayer's Fills, and see how directly they restore the natural action of the system, and with it the baoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep scated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cared by the same means. Sone who know the virtues of these bills, will needed to employ them when suffering from Pills, will neglect to employ them when suffering from the disorders they cure.

From a Forwarding Merchant of St. Louis, Peb. 4, 1856. DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long griev ously afflicted with blotches and pimples on her skin anin her hair. After our child was cured, she also tried

> ASA MORGRIDGE. As a Family Physic. From Dr. E. W. Cartwright, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily Headache, Sick Headache, Foul Stomach From Dr. Edward Boyd, Baltimore.

DEAR BRO. AYER: I cannot answer you what complaints There cared with your Pills better than to say all that we ever treat with a purgative medicine. I place great dependence on an effectual cathartic in my duly contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.

PITTSBURG, Pa., May 1, 1855.

Dr. J. C. AYER. Sir: I have been repeatedly cured of the worst headecke any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, ED. W. PREBLE, Clerk of Steamer Clarien. Billious Disorders - Liver Complaints.

From Dr. Theodore Bell, of New York City. Net only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of believe complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR, Washington, D. C., 7th Feb., 1856. Ser.: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are admirable remarks for decayage. quently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them. Fraternally yours, ALONZO BALL, M. D.,

Physician of the Marine Hospital.

Dysentery, Diarrhea, Relax, Worms. From Dr. J. G. Green, of Chicago. Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver make them an excellent remedy, when given in small does for believe dysentery and diarrhaa. Their sugar-coating makes them very acceptable and convenient for the use of women and children.

From Rev. J. V. Himes, Pastor of Advent Church, Boston Dr. Arks: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Yours, J. V. HIMES.

Dyspepsia, Impurity of the Blood.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleause the system and purify the foundains of the blood.

JOHN G. MEACHAM, M. D.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Drop-sy, Paralysis, Fits, etc. From Dr. J. P. Vaughn, Montreal, Canada. Too much cannot be said of your Pills for the cure of confirences. If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe cutiveness to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Quart, Physician and Midmife, Beston. I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the undural score-tion when wholly or partially suppressed, and also very effectual to cleanss the stewarch and expel worms. They are so much the best physic we have that I recommend no other to my patients.

From the Rev. Dr. Hawkes, of the Methodist Epis. Church. PULASEI House, of the Methodist Epis. Church.

PULASEI House, Savannah, Ga., Jan. 6, 1856.

Hosored Sir: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on exerciating neuralgic pains, which ended in chronic themsetism. Notwithstanding I had the best of physicians, the disease grow worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried year Pills. Their effects were slow, but sure. By persovering in the use of them, I am now entirely well.

SENATE CHAMBER, Baton Ronge, La., 5 Dec. 1855.

DR. AYER: I have been entirely cured, by your Pilis, of Pheumatic Goud—a painful disease that had afflicted me for years.
