THE RAFTSMAN'S JOURNAL.

CLEARFIELD, JUNE 5, 1861.

Old Snarl says that love is a combination of diseases-an affection of the heart and an inflammation of the brain.

Even if a woman had as many locks upon her heart as she has upon her head, a cunning rogue would find his way into it.

A recruit writes from Washington that "he feels as if he could eat an ox, and use the horns for trumpets to bid defiance to traitors."

Dr. Franklin says that every little fragment of the day should be saved." Oh, yes the moment the day breaks set yourself at once to save the pieces.

"Weigh your words," said a man to a fellow who was blustering away in a towering passion at another. "They won't weigh much, if he does," said the antagonist coolly.

An apothecary who is continually troubled with inquiry for the time, was asked the other day, "Please, sir, tell me what time it is ?" "Why, I gave you the time not a minute ago !" said the astonished apothecary. "Yes sir," replied the lad, "but this is for another woman !"

A quack doctor advertises to this effect : "Consumptives, cough while you can; for, after you have taken one bottle of my mixture you can't." We rather think we won't take any of that stuff until we find out what he means by the above rather equivocal extract from his advertisement.

"My son," said a solid merchant to his heir and namesake, on Thursday, "I would rather give \$1,000 than have you go to Washington soldiering." "Father" was the kind but decided response, "If you could make it \$100,-000 it would be of no use; for where the "Seventh Regiment goes, I go."

A GOOD ONE .- The Rev. A Cameron, of Shelby county, Kentucky-a noted Presbyte-rian divine in his day-was an adroit disputant, and generally managed to parry a home thrust, no matter how well directed it was. On one occasion, the Synod was trying the Rev. Mr. Huber for having married the sister of his deceased wife, and Father C. was making an able speech against him. In the midst of his argument, the offending brother appealed to him to answer if he had not himself, in Shelby county, united in marriage a couple within the prohibited degrees which he was now condemning. "Yes," said he, "I did, and I will tell you why ; she was an old gal, and I thought it was her last chance!

KEEP UP THE EXCITEMENT.-Re movals always cause excitement, and since the great excitement about the removal of the Court House has subsided, the community generally have become somewhat excited upon hearing that Charly Watson has determined to pull up stakes and remove to Virginia. But the latest cause of excitement is the fact that I have removed my Saddler Shop from my old stand opposite the Court House to my new shop on Market street, nearly opposite the jail, where all who may favor me with a call can be supplied with Saddles, Sin-gle Harness, Double Harness, Tug Harness, Bri-dles, Collars, Whips, Halters. Housings, Breechbands, Side Straps, and in fact every article in the line of Saddling and Harness making. Thankful for the very liberal patronage heretofore bestowed I solicit a continuance of the same and a call from as many new customers as can make it suit. Aug. 29, '59. GEORGE W. RHEEM.

Two or three Stamps for postage will be acceptable. Ad-dress, Dr. J. Seillin Houghton, Acting Surgeon, Howard Association, No. 2 South Ninth St., Philadelphia, Pa. By order of the Directors. EZRA D. HEARTWELL, President. Oct 24, 1860-1y. Geo. Fairchild, Sec. HOSTETTER'S STOMACH BITTERS.-The proprietors and Manufacturers of Hostetter's Celebrated Stomach Bitters can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare asser-tion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom. This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the 'Bitters' are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood. and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature. Elderly persons may use the Bitters daily as per directions on the bottle, and they will find it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general de-bility; acting under the advice of physicians. they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harrassing that many of them sink under the trial. The relation of mo ther and child is so absorbingly tender, that the mother, especially if she be young, is apt to for-get her own health in the extreme anxiety for her infant. Should the period for maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responstbilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodily strength. All those persons, to whom we have particularague, caused by malaria, diarrhœa, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superanuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a trial. Caution .- We caution the public against using any of the many imitations or counterfeits, but ask for Hostetter's Celebrated Stomach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork.

Too much cannot be said of your Pills for the curs " costiceness. If others of our fraternity have found them as efficacious as I have, they should join me in proclaim-ing it for the benefit of the multitudes who suffer from that complaint, which, although bad enough in its II, is the progenitor of others that are worse.
