Zebulon Sloan of Prospect, Texas, writes : " Three bat-ties of your Sarsaparilla cured me from a Goitre - a hidcous swelling on the neck, which I had suffered from over two years."

Leucorrhœa or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. B. S. Channing, of New York City, writes; "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in France Discass of the Scrofulous diathesis. I have cured many inveter-ate cases of Leucorrhoe by it, and some where the complaint was caused by ulceration of the ulcera. The ulcer ation itself was soon cured. Nothing within my knowl

edge equals it for these female derangements." Edward S. Marrow, of Newbury, Als., writes, "A dan-gerous orarian tumor on one of the females in my family, which had defied all the remedies we could emplor, has at length been completely cured by your Extract of Sar-suparilla. Our physician thought nothing but extinct tion could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remody eight weeks no symptom of the disease remains."

Syphills and Mercurial Disease.

DR. J. C. ATER 1 Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla.

I have cured with it, in my practice, most of the com-plaints for which it is recommended, and have found its effects truly wonderful in the cure of Venered and Me-curial Discuss. One of my patients had Syndific alcers in his throat, which were consuming his palate n of the top of his month. Your Sarsaparilla, steadily this, cured him in five weeks. Another was attacked by sec ondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Saranjarilla the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her boures. They had become so sen-sitive to the weather that on a damp day she suffered ex-cructating pain in her joints and homes. She, t.o, was cured entirely by your Saranjarilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your heboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me. Fraternally yours, G. V. LARIMER, M. D. ondary symptoms in his nose, and the ulceration

Rheumatism, Gout, Liver Complaint.

INDEPENDENCE, Preston Co., Va., 6th July, 1859. Dr. J. C. AYER: Sir, I have been afflicted with a palo-ful chronic *Rheumatism* for a long time, which haffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FELAM.

Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the bless-ing of God it has cured me, and has so purified my blood as to make a new more than the factor of the blood. as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Carles and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilep-sy, Melancholy, Neuralgia

Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimu-lates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the ne-cessities of the people, and we are confident that this will do for them all that medicine can do.
