### CLEARFIELD, JULY 17, 1861.

A great deal of love lost-women kissing each other.

In the new Territory of Nevada a snow storm in May, killed all the grasshoppers just as they were getting troublesome.

What the Southern Confederacy asket three months ago-"Let. us alone." What the Southern Confederacy asks now-Give us a loan.

GIRLS OF WEIGHT .- At a party recently given in Bucks county, five young ladies were weighed, and the aggregate weight was seven hundred and seventy-two pounds—average, one hundred and fifty-two pounds each. They raise heavy crops in old Bucks.

A HEROINE'S SACRIFICE.—A young lady has been heard to declare that she couldn't go to fight for the country, but she was willing to allow the young men to go, and die an old maid, which she thought was as great a sacrifice as anybody could be called upon to make.

The general belief at Washington is that Scott's huge army is about to get in motion and take its winding way through Virginia. The papers call it "the anaconda." But the Virginians needn't be atraid that it will bite them ; the anaconda always "swallows its victims whole."

The casting of brass cannon has become an established business in Memphis. Messrs. Quinby & Robinson have received orders for thirty guns, which they are now casting at the rate of one a day. They will probably have seventy more to cast. The brass they used is entirely made of Tennesses copper.

NORWAY FISHERIES .- The herring fisheries of Norway have produced the last year 700,-000 tons. The Norwegian codfishery is on a large scale also. It employs 24,266 men, and produces annually 18,900 tons. Thousands of tons of oil are extracted from them, and large quantities of them are dried and salted for exportation.

HEARTWELL, President. Geo. Fairchild, Sec. Oct 24, 1860-1y. HOSTETTER'S STOMACH BITTERS.-The proprietors and Manufacturers of Hostetter's Celebrated Stomach Bitters can appeal with perfect confidence to phy-sicians and eitizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare asser-tion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consump-tion will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom. This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which | dlery, Sole and Upper Leather, at the corner. is destined to be as enduring as time itself Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the 'Bitters' are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all mor-bid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous sys-tem, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature. Elderly persons may use the Bitters daily as per directions on the bottle, and they will find it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvena-ting generally. We have evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffer-ing from stomach derangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harrassing that many of them sink under the trial. The relation of mo ther and child is so absorbingly tender, that the mother, especially if she be young, is apt to for-get her own health in the extreme anxiety for her infant. Should the period for maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bit-ters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodily strength. All those persons, to whom we have particularly referred above, to wit : sufferers from fever and ague, caused by malaria, diarrhea, dysentery, in-digestion, loss of appetite, and all diseases or derangements of the stomach, superanuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a trial. Caution .- We caution the public against using any of the many imitations or counterfaits, but ask for Hostetter's Celebrated Stomach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork. and observe that our autograph signature is on the label. ## AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD

And for the speedy cure of the following complaints: Scrofula and Scrofulous Affections, such Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

Blains, and all Skin Discass. OASLAND, Ind., 6th June, 189. J. C. AYER & Co. Gents: I feel it my duty to sa-knowledge what your Saraparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it is various ways for years. Sometimes it bust out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scap and ears with one sore, which was painful and instance beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was reloiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your regula-tion that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small does of a tasponful over a month, and used almost three bottles. New and healthy skin soon began to form under the scap, which after a skin soon began to form under the scale, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostion of the age, you, that I hold you statefully. Yours, ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Preble writes from Salem, N. Y. 12th Sept., 1859, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous Malignant Erysipelas by large doses of the same; say he cures the common Eruptions by it constantly.

Bronchocele, Goitre or Swelled Neck. Zebulon Sloan of Prospect, Texas, writes : " Three botcons swelling on the neck, which I had suffered five over two years." Leucorrhea or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases. Dr. J. B. S. Channing, of New York City, writes; "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in *Hemale Discuss* of the Scrofulous disthesis. I have cured many inveter-ste cases of Leucorritors by it, and some where the com-plaint was caused by *alceration* of the *ulerut*. The uless ation itself was soon cured. Nothing within my knowi dge equals it for these female dorangements." Edward S. Marrow, of Newbury, Ala., wrifes, "A dan gerous orarian tumor on one of the females in my family, which had defied all the remedies we could employ, has which had defied all the remembers we could employ, and at length been completely cured by your Extract of Sar-saparilla. Our physician thought nothing but exting-tion could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

### LISTEN TO THE VOICE OF TRUTH AND REASON AND PROFIT BY IT.

The time has come that all who will can escape the iron grasp of Mercury, by calling, without de-lay, to see the well known and justly celebrated Eclectic European Physician, DR. BORT, who will administer those only true and safe medicines, extracted from the most choice Roots and Herbs, which are prepared under his own supervision, and therefore avoiding the use of all MIN-ERAL POISONS, which were never designed for the system, to take which many thousand have fallen victims and gone to early graves.

THINGS TO BE REMEMBERED.

Remember that Dr. Bort wants no patients but those fully capable of appreciating and distinguishing the services of a regular thorough bred physician, from a paltry, unlearned and triffing quack.

Remember, Dr. Bort's remedies and treatment are entirely unknown to all others in this country; prepared from a life spent in the great hos-pitals of Europe and the first in the country. Remember, that Dr. Bort has a more extended

practice than any other physician in Western Pennsylvania.

Remember, that citizens of education and our popular men are all well acquainted with, and take great pleasure in recommending Dr. Bort to the afflicted.

Remember, that Dr. Bort makes no false representations to gull the unfortunate, but all he says will be faithfully carried out. Remember, that Dr. Bort pays every attention

to diseases of a chronic nature.

Certificates of Cures may be seen at his respec ive rooms.

Dr. B. is furnished with over six thousand let ters of recommendations from some of the most distinguished men living. Also has awarded to him diplomas from some of the most colebrated Hospitals and Infirmaties in Europe, for his unparallelled observations in Diagnosis, and obser-vations in discovering remedies for the cure of diseases that have heretofore befallen the skill of many of the medical profession.

An early call from those wishing to consult the Doctor, is carnestly requested, so as to receive full benefit of treatment, and thus do justice to himself. Time limited.

Please bear in mind when Dr. B. will be in your place. Persons desirous of consulting him will confer a great favor by calling on the first day of his arrival, as his Rooms are so often crowded, it is utterly impossible to attend to the anxious so them, and satisfy yourselves.

NEW ORLEANS, 25th Augest, 1459. DR. J. C. ATER: Sir, I cheerfully comply with the re-quest of your agent, and report to you some of the shock I have realized with your Sarsaparilla.

I have realized with your Sarsisparilla. I have cured with it, in my practice, most of the com-plaints for which it is recommended, and have found its effects truly wonderful in the cure of *Venezval and Ser-curial Disease*. One of my patients had Syphilitic ulcer-in his throat, which were consuming his plate and the top of his mouth. Your Sarsaparilla, stendily incen-cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believa the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcers healed and has is wold as the source state. ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her hones. They had become so set sitive to the weather that on a damp day she suffered et stive to the weather that on a damp day she suffered et-cruciating pain in her joints and hones. She, to was cured entirely by your Sarsuparilla in a few weeks. It know from its formula, which your agent gave me, that this Preparation from your inboratory must be a grad remedy; consequently, these truly remarkable results with it have not surprised me. Fraternally yours, G. V. LARIMER, M. D.

ATER: Sir, I have been afflicted with a pair. ful chronic Rheumatism for a long time, which baffed the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. Une bottie curad me in two sectors bottie cured me in two weeks, and restored my general health so much that I am far better than below I was attacked. I think it a wonderful medicine. J. FREAM

Jules Y. Getchell, of St. Louis, writes: "I have been Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Hev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the bies-ing of God it has cured me, and has so purified my blod as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."
