LISTEN TO THE VOICE OF TRUTH AND REASON AND PROFIT BY IT.

The time has come that all who will can escape the iron grasp of Mercury, by calling, without delay, to see the well known and justly celebrated Eclectic European Physician, DR. BORT, who will administer those only true and safe medicines, extracted from the most choice Roots and Herbs, which are prepared under his own supervision, and therefore avoiding the use of all Min-ERAL Poisons, which were never designed for the system, to take which many thousand have fallen victims and gone to early graves.

THINGS TO BE REMEMBERED. Remember that Dr. Bort wants no patients but those fully capable of appreciating and distinguishing the services of a regular thorough bred physician, from a paltry, unlearned and trifling

Remember, Dr. Bort's remedies and treatment are entirely unknown to all others in this country; prepared from a life spent in the great hospitals of Europe and the first in the country. Remember, that Dr. Bort has a more extended

KEEP UP THE EXCITEMENT.—Re movals always cause excitement, and since the great excitement about the removal of the Court House has subsided, the community generally have become somewhat excited upon hearing that Charly Watson has determined to pull up stakes and remove to Virginia. But the latest cause of excitement is the fact that I have removed my Saddler Shop from my old stand opposite the Court House to my new shop on Market street, nearly opposite the jail, where all who may favor me with a call can be supplied with Saddles, Sin-gle Harness, Double Harness, Tug Harness, Bri-dles, Collars, Whips, Halters, Housings, Breechbands, Side Straps, and in fact every article in the line of Saddling and Harness making. Thankful for the very liberal patronage heretofore bestowed I solicit a continuance of the same and a call from as many new customers as can make it suit. Aug. 29, '59. GEORGE W. RHE GEORGE W. HOSTETTER'S STOMACH
BITTERS.—The proprietors and
Manufacturers of Hostetter's Celebrated Stomach Bitters can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom. This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself Hostetter's Stomach Bitters have proved a God-

send to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the 'Bitters' are a certain cure for the Dyspepsia and like diseases, is to the proprietors a ource of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system. giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harrassing that many of them sink under the trial. The relation of mo ther and child is so absorbingly tender, that the mother, especially if she be young, is apt to for-get her own health in the extreme anxiety for her infant. Should the period for maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the ener-gies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bit-ters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particularly referred above, to wit : sufferers from fever and ague, caused by malaria, diarrhoa, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superanuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bit-Caution .- We caution the public against using

any of the many imitations or counterfeits, but ask for Hostetter's Celebrated Stomach Bitters, and see that each bottle has the words "Dr. J. Hostetter's is utterly impossible to attend to the anxious so licitations of all. Dr Bort will arrive at each of the above places on the first train or stage on the day appointed.

Pittsburg, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, Canada, South America, and Germany.

AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD.

Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

OARLAND, Ind., 6th June, 1859. J. C. Aven & Co. Gents: I feel it say duty to me knowledge what your Sarsaparilla has done for me Having inherited a Scrofulous infection, I have unless from it in various ways for years. Sometimes it barst out in Ulcers on my hands and arms; sometimes at turned inward and discressed me at the stomath. Two years ago it broke out on my head and covered my scale. and ears with one sore, which was painful and louthsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejuited to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your repatation that any thing you made must be good. I sent to Cincinnatiand got it, and used it till it cured me. I look it, as you advise, in small doses of a temporatul ever a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apestles of the age,

Yours. ALFRED B. TALLEY. and remain ever gratefully. St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robort M. Preble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the

persevering use of our Sarsaparilla, and also a dangerous Malignant Erysipelas by large doses of the same; say he cures the common Eruptions by it constantly. Bronchocele, Goitre or Swelled Neck Zebulon Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a Gaire — a ladeous swelling on the neck, which I had suffered from

Leucorrhea or Whites, Overian Tumor, Uterine Ulceration, Female Diseases. Dr. J. B. S. Channing, of New York City, writes; "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in Fausic Discusser of the Scrofulous dialhests. I have cured many inveterate cases of Leucorrhoza by it, and some where the complaint was exused by ulceration of the utcrut. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes, "4 dangerous carriers tower or one of the formules in my family.

erous orarian tumor on one of the females in my family which had defied all the remedies we sould employ, he at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extiquation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains." Syphilis and Mercurial Disease.

NEW ORLEANS, 25th August, 1859. DR. J. C. ATER: Sir, I cheerfully comply with the n quest of your agent, and report to you some of the class
I have realized with your Sarsaparilla.
I have curred with it, in my practice, most of the complaints for which it is recommended, and have found its

effects truly wonderful in the cure of Venereal and Mercurial Disease. One of my patients had Syphilitic ulter in his throat, which were consuming his painte and the top of his mouth. Your Sarsaparilla, stendily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the alceration had enten away a considerable part of it, so that I believe the disorder would soon reach his brain and hill him. But it yielded to my administration of your Sarsaparilla, the yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by morenry was anticated from this poison in her bones. They had become so restitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, tee, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint. INDEPENDENCE, Preston Co., Va., 6th July, 1859. DR. J. C. AYER: Sir, I have been afflicted with a pall ful chronic Rheumotism for a long time, which baffied the skill of physicians, and stuck to me in spite of all the skill of physicians, and stack to me in space of remedies I could find, until I tried your Sansaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wenderful medicine. J. FREAM.

Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Licer, which destroyed my health. I tried every thing, and every time failed to relieve me; and I have been a broken-down man for some years from no other cause than derangement; the Liver. My beloved pastor, the Rev. Mr. Espy, advise me to try your Sarsaparilla, because he said he knew you and any thing you made was worth trying. By the bieseing of God it has cured me, and has so parified my ideal as to make a new man of me. I feel young again, best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones.

A great variety of cases have been reported to us when cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epllep-sy, Melancholy, Neuralgia Many remarkable cures of these affections have been made by the alterative power of this medicine. It stime lates the vital functions into vigorous action, and these overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the accessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral,

Coughs, Colds, Influenza, Hearseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease,

This is a remedy so universally known to surpass and other for the cure of throat and lung complaints, that is is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects some living trophy in their midst of its victory over the subtle and dangerous diserders of the throat and lungs as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have tues that it did have when making the cures which have

won so strongly upon the confidence of mankind. Prepared by Dr. J. C. AYER & CO., Lowell, Mass Sold by C. D. Watson, Clearfield; E. A.
