be awarded to bulls, cows or heifers, which shall appear to have been fattened, only in the class of fat cattle, the object or the society being to have superior animals of this description for breeding.

Fat Cattle .- The judges on fat cattle will give particular attention to the animals submitted for examination. It is believed all other things being equal those are the best cattle that have the greatest weight over the smallest superficies. The judges will require all in this class to be weighed, and will take measures to give the superficies of each, and publish the result with their reports. They will also, before awarding any premiums, require of the competitors full statements as to the manner and cost of feeding as required by the regulations of the premium list.

When there is but one exhibitor, although he may show several animals in one class only one premium will be awarded, that to the first, or otherwise as the merits of the animal may be judged. The superintendant will take every precaution in his power, for the safety of stock and articles on exhibition after their arrival, and arrangement on the grounds, but will not be responsible for any loss or damage that may occur. The society desires exhibitors to give personal attention to their animals and articles and at the close of the fair to attend to their removal as the society cannot take further care of them.

Rules of Plowing .- The name of the plowman must be given as well as the kind of plow to be used, at the time of entry.

The quantity of ground to be plowed by each team to be | acre. The time allowed to do the work will be three

hours. The furrow slice in all cases to be lapped. The teams to start at the same time and each plowman to do his work without a driver or other assistance. The premiums offered by the Society will be awarded, to the individuals, who, in the judgment of the committee, shall do their work in the best manner, providing the work is done in the time allowed for its performance.

Each plowman to strike his own land. and plow entirely indepenpant of the adjoining land. Within the one-fourth of an acre plowed, each plowman will be required to strike two back fur-rowed lands, and finish with the dead furrow in the middle.

Any information desired in regard to matters of the Society can be gained by addressing the Executive Committee or the Secretary who will be pleased to give any information in their power at any time.

Any article not enumerated in the above classes, and placed upon exhibition, if worthy of notice will be suitably rewarded.

The Executive Committee reserve a discretionary power to award Diploma's in any case for 2d best articles, or for articles not entitled to premiums by the rules.

Three Judges for each class will be appointed and anounced either before or on the first day of the Fair.

All articles may be entered free of charge, excepting Horses for pleasure and for the trotting quack. premiums. JOHN M'GAUGHEY, JOSIAH R. REED, RICHARD SHAW,

Lencorrhœa or Whites, Ovarian Tumer Uterine Ulceration, Female Diseases. Dr. J. B. S. Channing, of New York City, writes; most cheerfully comply with the request of your spontin saying I have found your Sarsaparilla's most even lent alterative in the numerous complaints for which we employ such a remedy, but especially in Fendle ISmust of the Scrofulous dinthesis. I have cured using inter-ate cases of Leucorrhow by R, and some where the we plaint was caused by alceration of the aterns. The new ation itself was soon cured. Nothing within my knowledge equals it for these female derangements." Edward S. Marrow, of Newbury, Ala., writes, "A day

gerous oparian future on one of the females in my family which had defied all the remedies we could employ in at length been completely cured by your Extract of se-separilla. Our physician thought nothing but entry-tion could afford relief, but he advised the trial of year Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remody eight wasa no symptom of the disease remains."

Syphilis and Mercurial Disease.

NEW ORLEANS, 25th August, 1950. Dr. J. C. ATER : Sir, I cheerfully comply with the m

quest of your agent, and report to you some of the class I have realized with your Sarraparilla. I have cured with it, in my practice, most of the cosplaints for which it is recommended, and have four in the effects truly wonderful in the curs of *Frances* in *I* have curial Disease. One of my patients had Symultic store in his throat, which were consuming his pairs and its In his throat, which were consuming his pairs and the top of his mouth. Your Sarssparille, steadily take, cured him in five weeks. Another was attached by ac-ondary symptoms in his nose, and the uleration hid eaten away a considerable part of it, so that I believe fle disorder would soon reach his brain and kill him. But yielded to my administration of your Sarssparille, the ulcers heated, and he is well again, not of course estima-some disfiguration to his face. A woman who had ben treated for the same disorder by mercury was acfine from this poison in her bones. They had become so de-sitive to the weather that on a take day she enfored so cured entirely by your Sarsaparille in a few weeks i know from its formula, which your speed gave me that this Preparation from your haboratory must be a grifthis Preparation from your laboratory must be a graf-remedy; consequently, these truly remarkable name

with it have not surprised me. Fraternally yours, G. V. LARIMER, M. D.
