HOSTETTER'S STOMACH OSTETTER'S STOMACH Bitters can appeal with perfect confidence to physicians and citizens generally of the United States. because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consump-tion will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom. This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which

is destined to be as enduring as time itself Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the 'Bitters' are a certain cure for the Dys' pepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood. and imparts renewed vitality to the nervous system. giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge

of the functions of nature. Elderly persons may use the Bitters daily as per directions on the bottle, and they will find it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians. they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harrassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in the extreme anxiety for her infant. Should the period for maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent

increase of bodily strength. All those persons, to whom we have particularly referred above, to wit : sufferers from fever and ague, caused by malaria. diarrhoa, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superanuated invalmothers, will consuit their own physical welfare by giving to Hostetter's Celebrated Stomach Bit-

ters a trial. Cantion .- We caution the public against using any of the many imitations or counterfeits, but ask | self. Two years ago it broke out on my bead and covered my scalp and ears with one sore, which was painful and leathsome beyond description. I tried many medicines and several physicians, but without much redief from any thing. In fact, the disorder grew worse. At length I was replaced to read in the Goored Messagner that you lad a read in the Goored Messagner that you lad to read in the Gospel Messenger that you had prepare an alterative (Sarsaparilla), for I knew from your reput tion that any thing you made must be good. New and builtle skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the spostles of the age, and remain ever gratefully. Yours,

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found by effects truly wonderful in the cure of Kenereli and Meccurial Discass. One of my patients had Syphilitic alors in his throat, which were consuming his palate and the top of his month. Your Sarsaparilla, steadily faken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, as that I believe the eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it disorder would soon reach his brain and kill him. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM. Jules Y. Getchell, of St. Louis, writes: "I have lost destroyed my health. I tried every thing, and every resident to relieve me; and I have been a broken-d on me for some years from no other cause than decongrant the Liver. My beloved pastor, the Rev.
