THE RAFTSMAN'S JOURNAL.

CLEARFIELD, NOV. 6, 1861.

Almost and very nigh saves many a lie.

Can never be blackened by traitors-The White House.

In courting three hard squeezes are better than fifty soft words.

The soldier's great risk is that of becoming

That wondrous book, whose leaves are the stratas of rocks, waited six thousand years for readers.

A woman, in a New York paper gives notice that she is willing to take a respectable baby to nurse.

Most of the secessionists say there isn't any U. S. Government. Those in Fort Lafayette think there is.

Some bachelors go to war because they like fighting ; and some married men go because they like peace.

What are the "Fortunes" of War? Ask the gentlemen who furnish our soldiers with beet at high prices.

A sermon for the times is contained in the text : "Let him that hath no sword sell his garments and buy one."

The cash value of male slaves in Charleston, S. C., at present, as shown by a recent auction sale, is \$315; female \$400.

A chap who forwarded a present and loveletter through Adams & Co., said that he had "expressed his sentiments."

PROBABLY .- The land warrants of the rebel soldiers at the expiration of the term of service, will probably be issued by the sheriff.

Lsat week three young women were discovered in the 41st Regiment, at Cleveland in regimentals, having regularly enlisted for the war.

The man who undertook to wrestle with a gallon of rum met with a most signal defeat. He was "grassed" in less time than you could throw a somerset.

Popularity in politics, is to see your name in large type, posted on a fence. Somebody will inquire who you are, and when the first rain comes you disappear.

In the five regiments sent out by Connecticut, there are but four men who could not write their names. These mudsilis of Connecticut have to fight Southern gentlemen, like Fall River Rangers taken at Fort Hatterns, where, in a company of sixty-four, but five were able to sign their names to the enlistment roll.

A TENNESSEE paper says that Andy Johnson is verry bitter against the secessionists. Whether he is so or not, he has certainly had enough to make him bitter. A band of the rebels went to his house in East Tennessee with the avowed intention of hanging him, and, not finding him at home, they cut a hickory withe in the woods and scourged with it the body of his wite. Who could wonder if the outraged husband were to raise his clench. ed right hand towards God's firmament and swear to wage a war of extermination against the infernal miscreants .- Louisville Journal. A NEW KIND OF ARTILLERY is proposed-a battery to consist of six hundred men with one hundred guns, the guns to have the capacity to carry two pound balls two and a half miles, and to have steel barrels, rifled, of superior workmanship. They are to be light, of metal, two wheeled carriages, each carriage carrying its own ammunition box. Instead of horses, with the time and trouble of hitching and unhitching, the men will draw their own gun carriages, which considering their extreme lightness, is less toilsome than carying a musket and knapsack. There are six men to each gun, who, in addition of course, carry pistols and other small arms. A battalion of this kind is now organizing at Richmond, Indiana. DUTCH COUPLE AT A THEATRE .- "Ven I first came to Filadelfy, to serve, I was very much uncivilized," said Katrina, now a tidy, intelligent girl in a respectable family. "I laugh mooch and I feel mooch ashamed to remember how I behaved ven I know so little. Shonthat was my beau then-Shon took me to the theatre one night, ven I had ben in Filadelfy but three weeks. We sit in the gallery ; and we see not goot, and Shon said he would get another seat. So he put his leg around the post and slides down mid the pit ; and he looks up and calls out : "Katrina ! Katrina ! come down, tish a good vlew here."

UNSHIPPING & DOG'S RUDDER .--- A veteran tar, who had served under Commodore Stewart many years in the capacity of boatswain, on getting past exertion, was appointed by the latter, in greateful memory of his former conduct, a kind of sub-gardener, at his country seat near Philadelphia. Jack had not long been in possession of his new post, when he perceived every morning, on walking over the gardens, that several of the beds were pawed about, and the borders destroyed, indicating by their marks the stealthy visits of some canine wanderer.

Jack immediately communicated the news to the commodore, who concurred with him in his opinion as to its cause, and advised him to go to the garden a few hours earlier in the IF you want a Smoothing Iron, go to Mossor's. morning and give the intruder a warm welcome. Jack accordingly did so. Hiding himself in the shrubbery, he spied a long, lean dog, between a pointer and a mastiff, spring upon the garden wall and jumping into the grounds begin running about and exploring, with a degree of activity and keenness, the depth of a strawberry bed.

Jack watched his opportunity, and at the moment the dog had burried his head out of sight in earth, the tar stole behind him with a spade and at a blow struck off his tail; the dog sprang over the garden wall again, yelling. Some time after, when the Commodore came into the garden, Jack accosted him :

"All right, your honor; we were boarded by a dog, sure enough, of a long, sharp-sailing build, rather white about the bows, and dark amidship."

"And what did you do with him, Jack ?" "I prevented his finding his way here any

HOSTETTER'S STOMACH BITTERS.-The proprietors and Manufacturers of Hostetter's Celebrated Stomach Bitters can appeal with perfect confidence to physicians and citizens generally of the United States because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom. This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the 'Bitters' are a certain cure for the Dyspepsia and like diseases, is to the proprietors a urce of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood. and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach. liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians. they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harrassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in the extreme anxiety for her infant. Should the period for maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particularly referred above, to wit : sufferers from fever and ague, caused by malaria, diarrhea, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superanuated invalids, persons of sedentary occupation, and nursing mothers, will consuit their own physical welfare by giving to Hostetter's Celebrated Stomach Bittors a trial.

Cantion .- We cantion the public against using any of the many imitations or counterfeits, but ask for Hostetter's Celebrated Stomach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle. and stamped on the metallic cap covering the cork. his arrival, as his Rooms are so often crowded, it lishment will be kept on hand, and sold at greatly and observe that our antograph signature is on the label. The time has come that all who will can escape the iron grasp of Mercury, by calling, without delay, to see the well known and justly celebrated Eclectic European Physician, DR. BORT, who will administer those only true and safe medicines, extracted from the most choice Roots and Herbs, which are prepared under his own supervision, and therefore avoiding the use of all Mis-ERAL POISONS, which were never designed for the system, to take which many thousand have fallen victims and gone to early graves.

THINGS TO BE REMEMBERED.

those fully capable of appreciating and distinguishing the services of a regular thorough bred physician, from a paltry, unlearned and triffing gunck. Remember, Dr. Bort's remedies and treatment are entirely unknown to all others in this country; prepared from a life spent in the great hos-

pitals of Europe and the first in the country. Remember, that Dr. Bort has a more extended practice than any other physician in Western

Pennsylvania. Remember, that citizens of education and our popular men are all well acquainted with, and take great pleasure in recommending Dr. Bort to the afflicted

Remember, that Dr. Bort makes no false representations to gull the unfortunate, but all he says will be faithfully carried out.

Remember, that Dr. Bort pays every attention to diseases of a chronic nature.
