Stay awake in church. It is a shame for the church to be made a cemetery, where the living sleep above ground as the dead do beneath.

HOSTETTER'S STOMACH BITTERS...The proprietors and Manufacturers of Hostetter's Celebrated Stomach Bitters can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consump-tion will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom. This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine. which is destined to be as enduring as time itself

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their vic-tims by hundreds. To be able to state confident-ly that the 'Bitters' are a certain cure for the Dyspepsia and like diseases, is to the proprietors a ource of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvena ting generally. We have evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general delity; acting under the advice of physicians. they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harrassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to for-get her own health in the extreme anxiety for her infant. Should the period for maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the ener-gies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bit-ters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent

increase of bodily strength. All those persons, to whom we have particular-ly referred above, to wit : sufferers from fever and ague, caused by malaria, diarrhœa, dysentery, indigestion, loss of appetite, and all diseases or de-rangements of the stomach, superanuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a trial.

Syphilis and Mercurial Disease.

NEW ORLEANS, 25th Augest, 1859. DR. J. C. ATER: Sir, I cheerfully comply with the re-quest of your agent, and report to you some of the effects I have realized with your Sarsaparilla. I have cured with it, in my practice, most of the com-plaints for which it is recommended, and have found its effects truly wonderful in the cure of Vaneral and Mercurial Discare. One of my patients had Syphilitic slows in his throat, which were consuming his palate and the top of his mouth. Your Sarasparilla, steadily takes, eured him in five weeks. Another was attacked by se-ondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brein and kill him. But it yielded to my administration of your Sarasparilis: the yielded to my administration of your Sarsaparilia: the ulcers hoaled, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become semi-sitive to the weather that on a damp day size suffered ac-cruciating path in her joints and benes. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me. Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint.

INDEPENDENCE, Preston Co., Vn., 6th July, 1859. Dr. J. C. Avrn: Sir, I have been afflicted with a pain-ful chronic Rheumatism for a long time, which haffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarasparille. One bottle encoder bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM.

I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev. Mr. Rapy, advised me to try your Sarsaparills, because he said he knew you, and any thing you made was worth trying. By the blee-ing of God it has cured me, and has so pur'fed my blod as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."
