A broker not long ago, when escorting a fair damsel home, asked her what money she liked best. Of course the blushing beauty instantly suggested matrimony. PAT MEETS A SECESSIONIST .- A son of the "Emerald Isle," coming across a huge ratlesnake, the following soliloquy took place: "Och, be jabers! an is it there yez are, ye devlish traitor? And suiting the action to the word, he brought down a sprig of shillalee on the head of the rattler with such force that he no longer remained an advocate of Southern rebellion.

BARNUM'S LAST STORY .- Barnum is always ready with a good story. His latest is the fol-lowing, which is told of Elias Howe, jr., who has been very active in fitting out regiments for the war. Mr. Howe has spent thousands of dollars in this way, and taken so great an interest in military affairs, that he has but little time to attend to anything else.

One day, a very worthy Connecticut deacon called upon the gentleman, with a subscription list. He wanted Mr. Howe to give something towards erecting a new church.

"A new church," replied Howe, "ah, a new church. I don't think I can give anything, because I am spending all my spare money for the war. Can think of nothing else."

The deacon looked despondent, Mr. Howe seemed firm in his determination not to give a red. At last he asked the deacon what the IF you want superior White Fish, go to Mossor's IF you want Molasses, all kinds, go to Mossor's. new church was to be called . .

HOSTETTER'S STOMACH
BITTER'S STOMACH
Manufacturers of Hostetter's Celebrated Stomach Bitters can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year a-mounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom. This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the 'Bitters' are a certain cure for the Dyspepsia and like diseases, is to the preprietors a source of unalloyed pleasure. It removes all mor-bid matter from the stomach, purifies the blood. and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge

of the functions of nature. Elderly persons may use the Bitters daily as per directions on the bottle, and they will find it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harrassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in the extreme anxiety for her infant. Should the period for maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the ener-gies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the en-dorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent

increase of bodily strength. All those persons, to whom we have particularly referred above, to wit : sufferers from fever and ngue, caused by malaria, diarrhœa, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superanuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bit-

Caution .- We caution the public against using any of the many imitations or counterfeits, but ask for Hostetter's Celebrated Stomach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters' blown on the side of the bottle,

FOR PURIFYING THE BLOOD And for the speedy cure of the following complaints: Scrofula and Scrofulous Affections, such

as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Bolls, Blains, and all Skin Diseases. OAKLAND, Ind., 6th June, 1830.

J. C. AYER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for an Having inherited a Scrofulous infection, I have sufficient from it in various ways for years. Sometimes it bust out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsons beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejeiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I want to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a it, as you advise, in small deses of a teaspoonful ever a month, and used almost three bottles. New and healthy skin soon began to form under the scrb, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apestles of the age, and remain ever gratefully. Yours,

ALFRED B. TALLEY.

Bronchocele, Goltre or Swelled Neck.

Zebulon Sloan of Prospect, Texas, writes: "Three bot-ties of your Sarsaparilla cured me from a Goire — a bid-cous swelling on the neck, which I had suffered from over two years." Leucorrhea or Whites, Ovarian Tumon Uterine Ulceration, Female Diseases.

Dt. J. B. S. Channing, of New York City, writes; "I most cheerfully comply with the request of your agent be saying I have found your Sareaparilla a most execulent alterative in the numerous complaints for which we employ such a remedy, but especially in Finnale Discover of the Scrofulous disthesis. I have cured many involvate cases of Leucorrhosa by it, and some where the complaint was caused by ulceration of the uterus. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes, "A tangerous overran tumor on one of the females is my family, which had defed all the remedies we could employ here. which had defied all the remedies we could employ be at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of year

Sursaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains." Syphilis and Mercurial Disease.

NEW ORLEANS, 25th August, 1-10. BR. J. C. ATRE: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have confided with your Sarsaparilla.

I have cared with it, in my practice, most of the conplaints for which it is recommended, and have found its offects truly wonderful in the cure of Feneral and Hereffects truly wonderful in the cure of Leneral and Lec-curial Disease. One of my patients had Syphilitic alors in his throat, which were consuming his painte and the top of his month. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by sec-ondary symptoms in his nose, and the alceration had caten away a considerable part of it, so that I believe the disorder would soon reach his brain and hill him. But it yielded to my administration of your Sarsaparilla, the ulcars healed and he is well again, not of course without yielded to my administration of your Sarsaparilla: the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who lead been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so restitive to the weather that on a damp day she suffered so cruciating pain in her joints and bones. She, to, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your inboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D.

Dz. J. C. Ayer: Sir, I have been afflicted with a painful chronic Rheumatism for a long time, which hallest the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAK.

Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Licer, which destroyed my health. I tried every thing, and every thing destroyed my health. I tried every thing, and every facility to relieve me; and I have been a broken down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the ideasing of God it has cured me, and has so purified my blook as to make a new man of me. I feel young again. The best that can be said of you is not half good enough.
