NEW-YORK TRIBUNE-NEW VOLUME On the seventh of September, 1861, THE NEW-YORK WEEKLY TRIBUNE commenced the twenty-first year of its existence; the THE DAI-LY TRIBUNE being some months older and THE SEMI-WEEKLY TRIBUNE somewhat younger. For more than twenty years, this journal has la-bored in what its conductors have felt to be the cause of Humanity, Justice and Freedom, endeavoring to meliorate the condition of the oppressed and unfortunate, to honor and encourage useful exertion in whatever sphere, and, to promote by all means the moral, intellectual and material advancement of our country. It has aimed to be right rather than popular, and to espouse and commend to-day the truth that others may not be willing to accept till to-morrow. In pursuing this course, mistakes have doubtless been made and faults committed; but, having in all things incited our readers to think and judge for themselves rather than adopt blindly our own or others' conclusions, we believe we may fairly claim for this journal the credit of having qualified its readers to detect and expose even its own errors. To develop the minds of the young by the most general, thorough and practical Education, and to encourage and stimulate Productive Industry through free grants of Public Lands to actual settlers and cultivators. as also through the protection of immature or peculiarly exposed branches from too powerful foreign competition, are among the aims to which this journal has adhered through good and evil report, and which it stead-fastly commends to American patriotism and philanthropy.

As to the Civil War now devastating our country, we hold it to have originated in a Rebellion more wanton, wicked, inexcusable, then was ever before known-a Rebellion in the interest of the few against the many—a Rebellion designed to raise higher the walls of caste and tighten the chains of oppression. Having done all we could without a surrender of vital principle to avoid this War and witnessed the forbearance, meek ness, and long-suffering with which the Federal Government sought to avert its horrors, we hold it our clear duty, with that of every other citizen to stand by the nation and its fairly chosen ru lers, and to second with all our energies their ef forts to uphold the Union, the Constitution, and the supremacy of the laws. And, though the Rebellion has become, through usurpation, deception. terroism, and spoilation, fearfully strong, we believe the American Republic far stronger, and that the unanimous, earnest efforts of loyal hearts and hands will insure its overthrow. But on all questions affecting the objects, the scope, and duration of this most extraordinary contest, we defer to those whom the American People have clothed with authority, holding unity of purpose and of action indispensable in so grave an emer-

In a crisis like the present, our columns must be largely engrossed with the current history of the War for the Union, and with elucidations of its more striking incidents. We shall not, however, remit that attention to Literature, to Foreign Affairs, to Agricultural Progress, to Crops.
Markets, &c.. which has already, we trust, won for
THE TRIBUNE an honorable position among its
cotemporaries. Our main object is and shall be to produce a comprehensive newspaper, from which a careful reader may glean a vivid and faithful history of the times, not merely in the do-main of Action but in that of Opinion also. As our facilities for acquiring information increase with years, we trust that an improvement in the contents of our journal is perceptible, and that, in the variety and fulness of intelligence afforded, we may still hope to 'make each day a critic on the last." In this hope, we solicit a continu ance of the generous measure of patronage hitherto accorded to our journal.

PILLS.

Are you sick, feeble, and complaining? Are yet out of order, with your system deranged, and your feelings ancomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills and cleanse out the disordered hymors—purify the blood, and let the fluids move on undestructed in health again. They stimulate the functions of the body into vigorous sectivity, purify the system from the obstructions which make amounter in the body, and ob-

the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if hot solleved, feact upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the demangements, take Ayer's Fills, and see how directly they restore the natural action of the system, and with it the buoyast feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep seated and dangerous distempors. The seme purgative effect expels tham. Caused by similar distructions and deringements of the natural functions of the body, they are rapidly, and many of them surely, cared by the same means. None who know the virtues of these Rills, will neglect to suppley them when suffering from the disorders they cure. the disorders they cure.
