It has aimed to be Cheap right rather than popular. and to espouse and Cheap commend to-day the truth that others may not be Always on hand a large stock of La- Goods Cheap willing to accept till to-morrow. In pursuing dies goods-such as Coburg Cloth, this course, mistakes have doubtless been made Cheap thear Alpacas, De Laines, Ginghams, and faults committed ; but, having in all things Prints, Chintz, Kerchiefs, Nuincited our readers to think and judge for them Chea selves rather than adopt blindly our own or oth-ers' conclusions, we believe we may fairly claim bics, Bonnets, Gloves, etc. Chear Chear for this journal the credit of having qualified its Cheap Always on hand Black, Blue. Brown Goods readers to detect and expose even its own errors. To develop 'he minds of the young by the most Cheap general, thorough and practical Education, and to Cheap encourage and stimulate Productive Industry, Cheap Chean tlers and cultivators, as also through the protec-Cheap tion of immature or peculiarly exposed branches from too powerful foreign competition, are among the aims to which this journal has adhered Cheap Cheap through good and evil report, and which it stead-Cheay fastly commends to American patriotism and Chear philanthropy. Cheap As to the Civil War now devastating our coun-try, we hold it to have originated in a Rebellion Cheap Chrap ore wanton, wicked, inexcusable, then was ev-Cheap er before known-a Rebellion in the interest of Cheap the few against the many-a Rebellion designed to raise higher the walls of caste and tighten the Chear chains of oppression. Having done all we could Cheap without a surrender of vital principle to avoid Cheap this War and witnessed the forbearance, meek Cheap ness, and long-suffering with which the Federal Government sought to avert its horrors, we hold Chea it our clear duty, with that of every other citizen Chear to stand by the nation and its fairly chosen ru Cheav lers, and to second with all our energies their ef forts to uphold the Union, the Constitution, and Cheap the supremacy of the laws. And, though the Re-Cheap bellion has become, through usurpation, deception, Cheap terroism, and spoilation, fearfully strong, we be-lieve the American Republic far stronger, and Cheaj that the unanimous, earnest efforts of loyal hearts and hands will insure its overthrow. But on all Cheap questions affecting the objects, the scope, and du-Cheap ration of this most extraordinary contest, we de-Chean fer to those whom the American People have Cheas clothed with authority, holding unity of purpose Cheap Cheap 8 12 and of action indispensable in so grave an emerheap In a crisis like the present, our columns must Cheap be largely engrossed with the current history of the War for the Union, and with elucidations of Chean Checy its more striking incidents. We shall not, how-Chever, remit that attention to Literature, to Foreign Affairs, to Agricultural Progress, to Crops. Markets, &c., which has already, we trust, won for Cheap THE TRIBUNE an honorable position among ita cotemporaries. Our main object is and shall be Cheap to produce a comprehensive newspaper, from Chear which a careful reader may glean a vivid and faithful history of the times, not merely in the do-main of Action but in that of Opinion also. As Cheap our facilities for acquiring information increase with years, we trust that an improvement in the Cheap Chear contents of our journal is perceptible, and that. Che in the variety and fulness of intelligence afford-Cheo ed, we may still hope to 'make each day a critic on the last." In this hope, we solicit a continu Chear Cheas ance of the generous measure of patranage hith-Chegy
