their own, and that such is, and should continue to be, its policy; that the intimations of a contemplated departure from this sound rule of conduct on the part of some of the nations of Europe, by an intervention in our present struggle, is as anjust to them as it would be to us and to the great principles for which we are contending; but we assure them, with a solemnity of conviction which admits of no distrust or fear, and from a knowledge of and a firm reliance upon the spirit and fortitude of twenty millions of freemen, that any attempt thus to intervene will meet a resistance unparalled in its force, unconquerable in its persistence, and fatal to those whom it is intended to aid; and that it will tend only to strengthen and elevate the public.

Resolved, That the skill, bravery and endurance exhibited by our army and navy have elicited our admiration and gratitude; that we behold in these qualities the assurance of Cheap Cheap sure and speedy success to our arms, and of rout and discomfiture to the rebels; that we urge the government to aid and strengthen them by all the means in its power, and carefully to provide for sick, wounded and disabled soldiers and their families; to prosecute the war with increased vigor and energy, until the rebellion is utterly crushed, the integrity of the Union, in all its borders, restored, and every rebel reduced to submission, or driven from the land ; and that to accomplish these ends we pledge to our rulers our faith, our fortune and our lives.

Resolved, That the course of the Hon. David Wilmot, in the United States Senate, is manly, consistent and eminently patriotic, and we hereby endorse him as a true and faithful representative of the loyal people of this State.

BLOOD SEARCHER.

In renewing of my acquaintance with the many friends of my medicine, 1 deem it proper to caution them and the public, generally, against the use of an article prepared and sold by a man call-ing himself "Geo. H. Keyser, Pittsbury, Pa.," who has the impudence to call it

LINDSEY'S IMPROVED BLOOD SEARCHER, and states that it is made from my recipe, and, as if to carry out a regular game of "Stop Thief," he tells the public that "there is a counterfeit in the market." to see that *kis* name is over the cork of every bottle" *ic.* He also publishes the most of every bottle" &c. He also publishes the most extravagant certificate headed "A Blind Man Cured"—"A Bad Sore Leg Cured," &c. I allowed him to proceed in this way for nearly twelve months, knowing that those who had either used or sold my article would have nothing to do with his, but I found there was a number unacquaint-ied with mine who wars induced from the shore ed with mine who were induced from the above statements to give his a trial The consequence was disappointment to them and injury to me. as they would at once pronounce Lindsey's Blood Searcher a humbug, without knowing that mane was the
