THE JOURNAL.

CLEARFIELD, PA., JAN'Y 21, 1863.

CAPT. IRVIN .- This gentleman and Soldier returned to Clearfield one day last week. His numerous friends will be pleased to hear that the Captain is hearty and well, except his arm, which is improving as fast as the nature of the wound seems to warrant. Long may he walve.

VOLUNTEERS FOR THE ARMY should not leave the City until supplied with Holloway's Pills and Ointment. For Sores, Scurvy. Wounds, Small Pox, Fevers, and Bowel Complaints, these medicines are the best in the world. Every French Soldier uses them. Only 25 cents per box.

THE TRIBUNE ALMANAC .- We have been favored with a copy of this most excellent calender and political register for the year 1863. It contains, besides the Almanac a large amount of misscellaneous matter, among which will be found lists of Government officers, abstracts of the Tariff and revenue bills, returns of army votes with the popular vote for President in 1852, 1856, and 1860. Price, 11 copies for \$1, or single copy 13 cents post paid. Adress "The Tribu . e." New York.

EXAMINING SURGEON FOR PENSIONS -Joseph H. Barett, Commissioner of Pensions, has appointed Dr. M. Woods of this place, Examining Surgeon for Pensions. The position is one of importance, and Commissioner Barrett has displayed good judgment in the selection made. Dr. Woods is an excellent physician, and the large practice he enjoys, with the success that accompanies it, is a guarantee that he will discharge faithfully and with no little credit the daties devolving upon him under this appointment.

THE MAILS. -- Three weeks ago the Clearfield Republican contained an article relative to irregularities of the mails, in which the editors asserted that "so frequent are the failures that to receive a letter or paper on time, may be said to be the exception," and boastingly declared that they did "not speak at random" in saying "the fault is with the Postmaster at Tyrone." Notwithstanding the positive manner in which these asseverations were made, it appears that they did, after all, "speak at random ;" for the truth is, the mails from Philadelphia, Harrisburg and Pittsburg came to Philipsburg in through bags which are not be, and a little time was all that was needed to have the new arrangement fully comprehended at the mailing offices, and the trifling irregularities remedied. When it is known that at So, everywhere, that party put themselves on been cognizant of all these facts since the day vice voting. a which the misstalement appeared in their columns, the public may, perhaps, be curious to know why no correction has as yet appeared in that paper-a simple act of justice which is due to the Postmaster at Tyrone. .

THE GALVESTON AFFAIR. The New Orleans papers give some further

details of the Galveston affair. The rebel boats emerged from Buffalo bayon into Galveston Bay, and attacked our vessels at once. The Harriet Lane was aground, but succeeded JAN. in sinking one of the rebel steamers. The rebel sharpshooters killed all the gunners and Capt. Wainwright, and then boarded the Harriet Lane and captured her-after a heroic defence from her officers and men-most of whom were killed. The Westfield was next attacked, which was also aground. Capt. Ren- MAR. 1 2 3 4 5 6 7 shaw consulted with his officers, and it was unanimously resolved to blow her up. Most of her officers and crew escaped, but Captain Renshaw, Lieut. Zimmerman, Engineer Green, two Quartermasters, four Firemen, and a boat's crew of five men were blown np with the vessel. The gunboat Owasco had two men killed and eleven wounded. The rest of the fleet escaped.

IMPORTANT FROM NASHVILLE.

From Nashville we learn that Forrest, of JUNE the rebel army, with a force of about 4,000 men and 12 pieces of artillery, attacked our relief and store-ships going up the Cumberland river, and succeeded in capturing five steamboats laden with commissary stores, and the gunboat Sidell. The boats were anchored in mid-channel and set on fire-several of which contained wounded soldiers, who, in jumping from them while burning, were shot in the water. The officers and soldiers were stripped of clothing, placed on shore, and paroled. The negro crews were stripped of their clothing, tied to trees, cowhided, and left to starve. Several bridges on the Nashville and Louisville Railroad have been destroyed by rebel marauders, and telegraphs cut between Nashville and Murfreesboro. A rebel regiment, numbering 300 men deserted and came to our outpost 15 miles b yond Murfreesboro.

The gunboat Lafayette has made her appearance at Cairo, and is soon to go into active service under command of Captain Phelps, late of the Benton. She mounts nine heavy guns. is of great length, is slender and sharp at the bow, can be used as a ram, has wheels of great purchase, and all of her hull above water is plated with iron. On her way to Cairo, up the river, she ran one bundred miles in eight hours.

The Republican Union Legislature of Con necticut voted to give the voters among her opened in the Tyrone office, and not intended to 20,000 soldiers the right to vote : the Democrats voted against it. The Judges (remaining over from a former day,) are Democrats-and they say the flaw is "un-con-sti-tu-tion-al." least one of the editors of the Republican has the record against our brave defenders in ser-

"RECONSTRUCTION."

The Philadelphia News says : George N. Sanders has written a letter "on the wing" to his old political cronies, Horatio Seymour, Dean Richmond, John Van Buren & Co , urging them to proclaim themselves repudiators of the Federal Union and the war debt contracted for the maintenance of the same. Sev. mour cautiously hinted repudiation in his messige, but does not venture any further. But George, who ran away from our city a defaulter to the Federal Government, is naturally envious that rascality shall become so general as to be no longer discreditable. His prototype is the fox who had lost his tail. Here is one of the dulcest strains of his invitation :

"Commercial relations are attainable, and every hour of alienation from the South is your loss. The recent elections shows that New York city is the centre of one hundred miles radius, with a compact, active, organized majority of two hundred thousand against your Abolitionized Government. It has but to will, to do. Halfway measures, always unsuitable to revolutionary necessities, will not availyon. Immediate, wholesale repudiation is your only safty valve."

THE PRICE OF PRINTING PAPER .- The Phil-

adelphia North American says : "Printing paper of ordinary quality sells at this moment from 20 to 32 cents a pound. Its legitimate price is about 9 cents. Between the price of paper materials and the manufactured article there is nothing like adequate proportion. A arge commission house this week received a consignment of rags from Havana. Knowing the exorbitant price of paper, he expected to realize a handsome return to the consignors. He visited successively all the paper makers in this section of country, and corresponded with those more distant. The utmost be could obtain for them was 55 cents per pound. All the paper mills are stocked with material; waste paper for remanufacture has been thrown upon the market by thousands of tons; and jet the price of printing paper is kept up by speculation, or something else, to 22 cents per pound. Here is a mystery that requires "aplanation. Who will give it ?"

THE COAL OIL SPECULATION .- The excitement in the coal oil market has entirely subsided. The price of the article has declined as rapidly as it went up, and no fears of a dimunition of the supply any longer exist. The truth is that the thing was entirely overdone, and it exploded more suddenly than those engaged in the speculation expected. Some of them have burned their fingers, as persons who have much to do with so inflammable a substance are very apt to do, and nobody pitles them. It is manifest, however, that the sugmentation of the prices of many other artigles has resulted from the same kind of engibeering. The disturbance of business caused by the war, and the large increase of currency. have left much money unemployed, and its attends funerals with a hearse. ewners do not scruple to make more honest people the victims of their avaricious schemes.

Further particulars of the late fight at Springfield, Missouri, represents the battle as having lasted 18 hours. The rebel force was 5.000 picked mounted infantry, who opened fire on the town without a moment's notice to remove the women, children and sick- They were soundly whipped by a Union force of 2 .-600 men; and, at last accounts, were in full retreat.

U. S. SENATORS .- The following United States Senators have recently been elected, by the Legislature of the several States named :- Hon. Z. Chandler of Michigan, Hon Charles Sumner of Massachutes, Ex Gov. Hicks of Maryland, Hon. J. W. Hall of New J. rsey, Hon. A. Ramsey of Minnesota, and L. M. Morrill of Maine.

Twenty-seven men and women were drownd on the 11th in a pond at Harpersville, N. Y., whilst engaged in skating-the ice having suddenly given way.

NOTICE .- All persons are hereby notified not to meddle with the following named property, now in the possession of William Luther of Woodward township, viz :- one cooking stove and utensils, three bedsteads and bedding, one set of chairs, and household furniture, as said property belongs to me and he only has it on loan

THE NEW-YORK TRIBUNE-1863 THE NEW-YORK TRIEUXE, first issued in 1841. now in its twenty-second year, has obtained both a larger and a more widely diffused circulation than any other newspaper ever published in America. Though it has suffered. in common with other journals, from the volunteering and departure of tens of thousands of its patrons to serve in the War for the Union. its circulation on this 6th

of December, 1862, is as follows: Daily, 50,125; Semi-Weekly, 17,250; Weekly, 148,000; Aggregate, 215,375. Preeminently a journal of News and of Literature. The Tribune has political convictions, which are well characterized by the single word REPUBLICAN. It is Republican in its hearty adhesion to the great truth that "God has made of one blood all nations of men"-Republican in its assertion of the equal and inalienable rights of all men to "life, liberty, and the pursuit of happiness"-Republican in its steadfast, earnest, defiant hostility to every scheme and effort of the Slave Power. from the Annexation of Texas to the great Rebellion to grasp the empire of the New World and wield the resources of our country for its own aggrandizement-Republican in its antagonism to the aristocrats and despots of the Old World. who fondly hail in the perils and calamities suddenly thrust upon us by their American counterpart the overthrow and ruin of the Model Republic-Republican in its hope and trust, its faith and effort, that this atrocious Rebellion must result in the signal overthrow of its plotters, an i the firm establishment of equal rights and equal laws throughout the whole extent of our country, wherein Liberty and Union shall indeed be "one and inseparable" henceforth and forever.

THE TRIBUNE devotes attention in calmer times. and to some extent in these, to Education. Tem perance, Agriculture, Inventions, and whatever else may minister to the spiritual and material progress and well being of maskind; but for the present its energies and its columns are mainly evoted to the invigoration and success of the War for the Union. Its special correspondents accompany every considerable army and report every important incident of that great struggle which we trust is soon to result in the signal and conclusive triumph of the National arms and in the restoration of Peace and Thrift to our distracted, bleeding country. We believe that not otherwise can a fuller or more accurate view of the progress and character of this momentous confliet be obtained than through the regular perusal of our columns. And we earnestly solicit the cooperation of all friends of the National cause which we regard and uphold as that of Universal Humanity, to aid us in extending its c reulation TERMS .- The enormous increase in the price of printing paper and other materials used in printing newspapers, compels us to increase the price of The Tribune.
