NEW Post MASTER .-- Wm. S. Wright, has been appointed Post Master at Glen Hope.

CLEARFIELD ACADEMY .- The next session of this institution will open on Monday the 9th day of February.

RELIGIOUS.-By Divine permission, the Rev. A. B. Ranyan will preach in the Baptist Church on Sabbath afternoon at 31 o'clock. The public are respectfully invited to attend.

LE BROKEN .- Charles Haut of this place, on Monday January 26th, broke his leg just shove the ankle joint. He was driving a wagon, and in going down the hill to Clearfield Creek Bridge he jumped off, slipped and fell and injuried blusself as above stated.

DIARBHEA AND DYSENTERY will decimate the Volunteers far more than the bullets of the enemy, therefore let every man see to it that he carries with him a full supply of Holloway's Pills. Their use in India and the Crimea saved thousands of British Soldiers. Only 25 cts. 213 per Box.

THE WEATHER .- During the past week the weather has been somewhat winterish. A number of inches of snow fell, but not sufficient to make good hauling, as the roads were very muddy at the time it commenced snowing. For the last three or four days, however, it has been cold and freezing and a few inches of snow would make hauling excellent.

OUR MISSING Boys .- We have been informed that R. C. Larrimer, Wm. C. McGonigal and Daniel Curley, of Company C. 5th Penn'a Reserves, reported "missing" in the battle at Fredericksburg, were taken prisoners and are now at Annapolis in "Camp Parole," unhurt. Wm. L. McGaughey has not been heard from since the battle. Thomas L. Potter was killed.

CANDLEMAS DAY .- On Monday was Candle mas, or "Ground Hog" Day; and, if we are to believe the "weather prophets," we shall have six weeks of winter yet-as his "hogship" had a fair opportunity of seeing his shadow in this region during the whole day. Well, be it so. Our lumberman are much in want of sledding to enable them to get their timber to the streams.

ACCIDENT .- On Monday evening, February 2d, John, son of Isaac Johnston of this place. met with a rather serious accident, whilst he and a number of other boys were engaged in the sport of riding down a hill on hand sleds. In passing one another a board on one of the sleds struck John on the left leg, a few inches above the knee, and broke it. Boys should be cautions even when engaged in sports, lest we will' probably leave here within a week-

CORRESPONDENCE OF THE "JOURNAL." HEADQUARTERS ISC REG'T MD. CAVALRY, I CAMP HALL'S FARM, Va., Jap. 26. DEAR Row :- It is some time since I have written to you, yet have I been in regular re-

ceipt of my favorite visitant, the Journal which has, by fearlessly advocating principles of truth and devotion to our country's cause, endeared itsself to very many of our regiment, irrespective of party prejudice, and its arrival is looked for with no little anxieiy by numerous friends.

The only reason for so long neglecting to write is, that I had nothing of much interest to communicate-nor am I altogether released from the embarrassment now. But, I desire to speak of a trying shame, which is doing more to demoralize the army of the Potomac, than what is termed Burnside's defeat at Fredericksburg, or Pope's skedaddle. The wrong of which I speak is the non-payment of those brave men, who have fearlessly faced the enemies of the Government-endured uncomplainingly the privations and fatigues of forced marches and long campaigns, exposed to the scorching rays of a southern sun and the bleak winds and chilling and pelting storms of gloomy winter days and nights-all this have they endured for our country's sake without a mucmur. But, as month after month rolls by and battle after battle is fought by them bravely, and the paymaster does not appear, their thoughts turn to the dear ones at home who are dependent for their comforts and life's sustenance on the little thirteen dollars per month due them from the Government, for their faithful service. Perhaps, as he trends his lonely beat or pulls his slight covering more closely around his shivering limbs, the dear idols are suffering with hunger, and he, the husband and father powerless to relieve their wants. What father's heart can bear such thoughts ? I have seen recently, the brave man whom no danger can daunt, (my companion for a year, and whom I never knew to falter and who possesses as true and brave a heart as ever beat,) on reading a letter from home shed tears and sob as though his noble heart was breaking. What consolation to him if the Government has plenty of money, and he not receive the paltry sum due him to relieve the wants of his family? I know many who have not received a dollar since last July. I am not one of those who are always croaking about the wrong doings of the Government and its officials; but, while

we give our time, our comforts, and if needs be our lives to our country, and at the same time know that our dear ones at home are sufforing is almost unbearable. The fault that the soldier is not paid, is not directly with the Treasury but with the officials, and a remedy should be at once applied.

#### For the "Raftsman's Journal," Clearfield. LIGHT WANTED.

#### JANUARY 26th, 1863, Burnside tp. FRIEND Row :- There are scattered broad-

cast over Barnside township, petitions to the Legislature, to aid designing persons of Clearfield to cheat some patriotic citizens, who it seems lent their funds to the county to pay poor volunteers to help the government to put down this wicked rebellion. Now, these magnets, or rulers of Clearfield took this money and raised volunteers, took all the credit to themselves and threw nearly the whole of the draft on Burnside and Brady ; and now, to cap the climax, they send up here bundles of petitions to let them have a chance to vote whether they will pay their honest debts or, not. They were not so keen to let our volunteers vote at the late election. We have a minority in Burnside who are more wicked than the devil wants them to be. They swagger and boast their wickedness, that they will not suffer the Government to draft any more men, nor will any of them help the Government in any way. They stone the preachers and disturb our religious meetings, and threaten that they will make us tremble at our own doors. Now, we protest against these petitions and all other schemes to injure our government, or cheat our worthy citizens who advanced their funds to aid our volunteers. Burnside will not repudiate her debts, nor het obligations to support this Administration in men and money; and if we have not enough of young men, we can get old men of 70 years very willing to take the field-notwithstanding the President had the boldness to do what was right, in his late proclamation. BURNSIDE.

WHAT NOT TO SEND .- A soldier's letter says: Our express boxes have been brought from Alexandria, by our chaplain's exertions. and our friends sent us a little to much "eau de vie;" consequently there was consideraide excitement in camp. Friends, don't send whiskey, unless you wish us harm. Don't send any to privates, I mean. If they get drunk they will be punished, and a little Salt Point whiskey on stomachs unused to it, produces intoxication very easily. Send pies to mould, sausages to rot, apples to decay, calsup to run over everything in the box, onions to scent the clothing, pickels to be drained of vinegar which mingles with bolognas, pies, catsup, and soft apples-but don't send whiskey. Provosts get it ; officers have to take it out when they know it; men sometimes get it, and there is always a row about it. Keep it out ! Mine was kept out. I didn't have any, and write to you out of spirits. Thirstly yours, SABRE.

GER. BANKS ON THE DURATION OF THE WAR .- It is now almost two years since the rebellion fired its first shot at the national flag. A gentleman says: "I met General Banks in New York city a few days after the surrender of Fort Sumter. He was expending all his funds in military books. 'I am going into this war,' he said. But do you think,' I asked, that it will last long enough for you to isst three years,' replied the General. He did uol say how much longer."

when I hope to furnish you a more interesting letter, and to announce the fact that the Pay-master was here and we in possession of our dimes. Yours as ever, C. E. L.

Andrews, who was imprisoned in Buffalo for counterfeiting Ayer's Pills, has now been indicted in Toronto with one G. C. Briggs of Hamilton, C. W., for conspiring to defraud the public by their nefarious pursuit. Imprisonment, though it be for years, can scarcely punish enough the heartless villian who could execute such an imposition upon the sick. The wicked rascal who, for paltry gain, could thus triffe with the life and health of his fellow man-take from his lips the cup of hope while sinking, and substitute an atter delusion and cheat, would falter at no crime, and should be spared no punishment. Some of his trash is still extant and purchasers should be wary of whom they buy .-- Gazette, Utica, N. Y.

CLEANSE THE BLOOD.-With corrupt, disordered or vitiated Blood, you must be sick all over. It may burst out in Pimples, or Sores, or in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure Ayer's Sarsaparilla purges out these impurities and stimulates the organs of life into vigorous action, restoring the health and expelling disease. Hence it rapidly cures a varioty of complaints which are caused by impurity of the blood, such as Scrofula or Kings' Evil. Tumors, Ulcers, Sores, Eruptions, Pimples, Blotches, Boils, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ringworm. THE NEW-YORK TRIBUNE-1863 .-THE NEW-YORK TRIBUNE, first issued in 1841. now in its twenty-second year, has obtained both a larger and a more widely diffused circulation than any other newspaper over published in America. Though it has suffered, in common with other journals, from the volunteering and departure of tens of thousands of its patrons to serve in the War for the Union, its circulation on this 6th of December, 1862, is as follows: Daily, 50,125; Semi-Weekly, 17,250; Weekly, 148,000; Aggregate, 215,375. Preeminently a

journal of News and of Literature, The Tribune has political convictions, which are well characterized by the single word REPUBLICAN. It is Republican in its hearty adhesion to the great truth that "God has made of one blood all nations of men"-Republican in its assertion of the equal and inslienable rights of all men to "life, liberty, and the pursuit of happiness"---Republican in its steadfast, carnest, defiant hostility to every scheme and effort of the Slave Power. from the Annexation of Texas to the great Rebellion to grasp the empire of the New World and wield the resources of our country for its own aggrandizement-Republican in its antagonism to the uristoerats and despots of the Old World, who

fondly hail in the perils and calamities suddenly thrust upon us by their American counterpart the overthrow and ruin of the Model Republic-Republican in its hope and trust, its faith and effort, that this atrocious Rebellion must result in the signal overthrow of its plotters, and the firm establishment of equal rights and equal laws throughout the whole extent of our country, wherein Liberty and Union shall indeed be "one and inseparable" henceforth and forever.

THE TELEUNE devotes attention in calmer times. and to some extent in these, to Education, Temperance, Agriculture, Inventions, and whatever else may minister to the spiritual and material progress and well being of mankind ; but for the present its energies and its columns are mainly devoted to the invigoration and success of the War for the Union. Its special correspondents accompany every considerable army and report every important incident of that great struggle which we trust is soon to result in the signal and conclusive triumph of the National arms and in the restoration of Peace and Thrift to our distracted, bleeding country. We believe that not otherwise can a fuller or more accurate view of the progress and character of this momentous conflict be obtained than through the regular perusal of our columns. ## FRIENDS AND RELATIVES OF THE BRAVE SOLDIERS AND SAILORS. HOLLOWAY'S

PILLS AND DINTMENT.

All who have Friends and Relatives in the Arny and Navy should take especial care that they amply supplied with these Pills and Ointment; and where the brave Soldiers and Sallors have neglected to provide themselves with them. no better present can be sent them by their Friends. They have been proved to be the Soldier's neverfailing friend in the hour of need.

Coughs and Colds Affecting Troops, Will be speedily relieved and effectually cured by using these admirable medicines, and by paying proper attention to the Directions which are attached to each Pot or Box.

Sick He.dache and Want of Appetite, Incidental to Soldiers. These feelings which so sudden us usually arise

from trouble or ann syances, obstructed perspiration, or eating and drinking whatever is unwholesome, thus disturbing the healthful action of the Liver and Stomach. These organs must be relieved, if you desire to be well. The P lis taken according to the printed instructions, will quickly produce a healthy action in both Liver and Stom. ach, and as a natural consequence, a clear head and good appetite.

Weakness or Debility Induced by Over Fatigue Will soon disappear by the use of these invalua-ble Pills, and the Soldier will quickly acquire additional strength Never let the Bowels be either confined or unduly acted upon It may seem strange, that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the Liver and Stomach, and thus remove all the acrid humors from the system. This medicino will give tone and vigor to the whole organic system, however deranged, while health and strength fol-low as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this medicine.

Volunteers, Attention !- Indiscretions of Youth.

Sores and Ulcers, Blotches and Swellings, can with certainty be radically cured, if the Pills are taken night and morning, and the Ointment bo freely used as stated in the printed instructions. If treated in any other manner, they dry up in one part to break out in another. Whereas this Ointment will remove the humorsfrom the system, and leave the Patient a healthy and vigorous man. It will require a little perseverance in bad cases to insure a lasting care

# For Wounds either occasioned by the Bayonet, Sabre, or the Bullet, Sores or Bruises,

To which every Soldier or Sailor are liable, there are no medicines so safe, sure, and convenient, as Holloway's Pills and Ointment. The poor woands od and almost dying sufferer might have hiswounddressed itamediately, if he would only provide himself with this matchless Ointment, which should be thrust into the wound and smeared all around be thrust into the wound and smeared all around it, then covered with a piece of linen from his knapsack and compressed with a handkershief. Taking, night and morning, 6 or 8 Pills, to cool the system and prevent inflammation. Every Soldier's Knapsack and Seaman's Chest should be provided with these valuable remedies.

CAUTION .- None are genuine unless the words "HoLLOWAY, NEW YCER AND LONDON," are discernable as a WATER-MARK in every leaf of the book of directions around each pot or box; the same may be plainly seen by HOLDING THE LEAP TO THE LIGHT. A handsome reward will be given to any one rendering such information as may load to the detection of any party or parties counter-feiting the medicines or vending the same, knowing them to be spurious.
