GODEY FOR MARCH.—This excelent Ladies Magazine is before us. The "Expected Letter" is a beautiful steel engraving, calculated to instruct as well as amuse the beholder. Besides the usual fashion-plate, this number contains sixteen distinct fash ions, the "New

Sewing Machine," and numerous other engravings, and the usual variety of interesting

reading matter.

Mone Snow .- On Sunday morning last snow commenced to fall, and continued with but little intermission during the day-and, on Monday morning it had attained a depth of about nine inches. At present the roads are in good condition, and our lumbermen are husy hauling timber. Should the weather continue favorable for some weeks most of the timber that is made will reach the streams, which, according to information obtained by inquiry will not be very far short of the usual supply.

NEW POST-OFFICES. - A new Post-office has been established in Beccaria township, called Utahville, and Theodore Weld appointed Post-master.

Another, at Hegarty's Store in Beccaria township, called Hegarty's x roads, and Sam uel Hegarty appointed Postmaster.

Another, at Wm. McGarvey's in Chest township, called McGarvey, and Wm. McGarvey appointed Postmaster.

Another, at Fry's Mill in Chest township, called Westover, and S. A. Farber appointed

Another, at Boice's in Burnside township, called East Ridge, and Jacob Boice appointed Postmaster.

The three last named offices are on a new route from Ansonsville in Clearfield county to Newman's Mills in Indiana county.

OUR FIRST PAGE.

The reader will find on the first page of today's paper, the debate in the Senate of Pennsylvania on the amendment to the Constitution exterding to our soldiers the privilege to vote. It is evident from the debate that the Democracy are opposed to the amendment, but not daring to come out openly against it they resorted to parliamentary tactics to defeat the Luzerne and Wyoming counties in Pennsylful perusal for this document.

Also, the speech of Hon. B. Champneys of Lancaster county, on the resolution instructing our members in Congress to vote against the appropriation of twenty millions of dollars in aid of Missouri emancipation. Mr. Champneys is a Democrat and a loyal citizen, and his remarks should be read by loyal men everywhere. Read the speech.

Also, a synopsis of the report in reference and, we hope, the guilty parties may receive the punishment they merit. '

"Massachusetts out in the cold,' and a number of minor articles, will also be read with

AN EXTRAORDINARY MARCH .- Col. Wyndham, commanding a cavalry brigade at Fairfax Court House, in his regent reconnoissance to the Rappahannock, in three days marched a distance of about two hundred miles, or over sixty-six miles a day. Colonel Wyndham in his march had no less than four skirmishes with guerrilla bands, killing a number and capturing seventeen prisoners. He lost only four men, who were captured, while straggling, by the rebels. Taking into consideration the almost impassable condition of Virginia roads at this season of the year, Col. Wyndham's march is one of the most remarkable on record.

REBEL OPERATIONS ENDED .- The Louisville Journal remarks that the late repulse at Fort Denelson has pretty effectually put an end to all rebel operations on the Cumberland river, as they appear to have abandoned that stream to the federal gunboats and free navigation. The boats which arrived on the 13th from Nashville came out of the Cumberland without convoy, and the Jacob Strader and the accompanying fleet left Nashville the same day unattended by gunboats.

JOSHUA R. GIDDINGS, American Consul General at Montreal, had a narrow escape on Saturday morning, February 14th. A fire broke out in the hotel where he resides, and before he could escape he became insensible from the effects of the vapor and smoke, and was carried for safety to another part of the hotel. He afterwards revived, and the next forenoon was much improved. The books and papers of the consulate escaped uninjured.

AN UNEXPECTED PLEASURE .- The following is told by the New Orleans correspondent of one of the morning journals:

"Dr. Knapp, a gentleman who owns a large plantation, recently had some northern visitors at his place, and, in order to show them how happy his slaves were, ordered one of them to sing, whereupon the fellow struck up the "Old John Brown" song, more to the ainusement of the guests than of the host."

The Latest News.

Received by Tuesday Evening's Mail.

IMPORTANT NEWS FROM VICKSBURG. Hostilities Renewed.

A dispatch from Memphis, dated Staturday the 21st, says that hostilities against Vicksburg had commenced on Wednesday the 18th -the mortar boats having been towed into position and opened a brisk fire. They were responded to by three batteries, when it was found that our position was too much exposed for effective operation and it was changedafter which the bombardment was again renewed.

LATER .- A dispatch from Gen. Rosecrans' army, dated Murfreesboro, Feb, 20th, says:

"The capture of Vicksburg was reported today (Friday) by Confederate officers who approached our lines with a flag of truce from the rebel General at Tullahoma. Capt. Hob litzell received the flag, and the officer in charge of the mission remarked, "Well, you have got Vicksburg at last, though you have paid dearly for the prize." After reverting to the subject in these words, he refused to give any particulars. The rumor is credited. at Headquarters." A similar report was current at Cairo. It needs confirmation, although, perhaps, true.

CONVICTION OF AN OFFENDER.

The time and attention of the United States District Court of Philadelphia, was last week taken up almost exclusively with the trial of Hiram D. VanVlfet, who was indicted for embezzling a valuable letter from the Postoffice at Easton, Pa. The letter was mailed by David Gum on the 11th of April 1862, addressed to his brother Amos Gum at Cookesville, Wisconsin, and contained a draft on the Union Bank, New York, for \$121.76. Four days after date, the draft was paid in New York. Two of the endorsements on it were proven to be in the Defendants handwriting, as well as the letter in which it was sent to New York. and various other letters bearing on the criminal act. Witnesses testified, on the part of the prisoner, that at the time the letter was mailed, he was at a place thirty miles distant from Easton; but the Government had not only persons of the highest standing to prove his presence at Barnett's hotel, where the Gum letter was written, but produced a letter of the Defendant, written on the 15th, to the hotel keeper, asking him to send his valise and overcoat to Strondsburg, and setting forth that he had been at the house on that particular day. The evidence was so conclusive that the Jury deliberated but a short time before they rendered a verdict of guil'y. Two witnesses were brought from Wisconsin, one from Hilton Head, S. C., four from New York, and upwards of twenty from Northamton, Monroe vania. The trial attracted much attention. the Court room being crowded from the beginning to the end. S. B. Row, Special Agent of the Postoffice department, ferreted out the offender and brought him to justice.

CLEANSE THE BLOOD.—With corrupt, disordered or vitiated Blood, you must be sick all over. It may burst out in Pimples, or Sores. or in some active disease. or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. Ayer's Sarsaparilla purges out these impurities and stimulates the organs of life into vigorous action, restoring the health and expelling disease. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood, such as Scrofula or Kings' Evil, Tumors, Ulcers, Sores, Eruptions, Pimples, Blotches, Boils, St. Anthony's Fire, Rose or Erysipelas, Huster or Salt Rham, Scald Head, Bi Tetter or Salt Rheum, Seald Head, Ringworm. Cancer or Cancerous Tumors, Sore Eyes, Female Diseases, such as Retention, Irrogularity, Sup-pression, Whites, Sterility, Syphilis or Veneral Diseases, Liver Complaints and Heart Diseases. Try Aver's Sarsaparilla, and see for yourself the curprising activity with which it cleanses the blood and cures the disorders.

Aven's Cherry Pectoral is so universally

known to surpass every other remedy for the cure of Coughs, Colds, Induenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease, that it is useless here to recount the evidence of its virtues. The world knows

FRIENDS AND RELATIVES OF THE BRAVE SOLDIERS AND SAILORS. HOLLOWAY'S

PILLS AND OINTMENT. All who have Friends and Relatives in the Army and Navy should take especial care that they be amply supplied with these Pills and Ointment; and where the brave Soldiers and Sailors have neglected to provide themselves with them, no better present can be sent them by their Friends. They have been proved to be the Soldier's never-failing friend in the hour of need.

Coughs and Colds Affecting Troops, Will be speedily relieved and effectually cured by using these admirable medicines, and by paying proper attention to the Directions which are attached to each Pot or Box.

Sick He_dache and Want of Appetite, Inciden-

tal to Soldiers.

These feelings which so sadden us usually arise from trouble or annoyances, obstructed perspiration, or eating and drinking whatever is unwholesome, thus disturbing the healthful action of the Liver and Stomach. These organs must be relieved, if you desire to be well. The P IIs taken according to the printer instructions, will quickly produce a healthy action in both Liver and Stomach, and as a natural consequence, a clear head and good appetite.

Weakness or Debility Induced by Over Fatigue Will soon disappear by the use of these invalua-ble Pills, and the Soldier will quickly acquire ad-ditional strength. Never let the Bowels be either confined or unduly acted upon. It may seem strange, that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the Liver and Stomach, and thus remove all the acrid humors from the system. This medicine will give tone and vigor to the whole organic system, however deranged, while health and strength fellow as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this modeline. Volunteers, Attention !- Indiscretions of Youth.

Sores and Ulcers, Blotches and Swellings, can with certainty be radically cured, if the Pills are taken night and morning, and the Ointment be freely used as stated in the printed instructions. If treated in any other manner, they dry up in one part to break out in another. Whereas this Ointment will remove the humors from the system, and leave the Patient a healthy and vigorous man. It will require a little perseverance in bad cases to insure a lasting cure.

For Wounds either occasioned by the Rayonet Sabre, or the Bullet, Sores or Bruises,

To which every Soldier or Sailor are liable, there are no medicines so safe, sure, and convenient, as Holloway's Pills and Ointment. The poor wounds ed and almost dying sufferer might have his wounddressed immediately, if he would only provide himself with this matchlessOintment, which should be thrust into the wound and smeared all around it then covered with a piece of linen from his knapsack and compressed with a handkerchief. Taking, night and morning, 6 or 8 Pills, to cool the system and prevent inflammation.

Every Soldier's Knapsack and Summan's Chest should be provided with these valuable remedies.

CAUTION.—None are genuine unless the words "Holloway, New York and London," are discernable as a Water-Mark in every leaf of the book of directions around each pot or box; the same Liay be plainly seen by nondering the LAAF to the Liahr. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, know-

ing them to be spurious. * *Sold at the manufactory of Professor Hot-toway, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicines, throughout the civilized world, in boxes at 25

cents, 62 cents, and 81 each * There is considerable saving by taking the

N B.—Directions for the guidance of patients in every disorder are affixed to each box. New York, January 7, 1863.
