LINDSEY'S

BLOOD SEARCHER.

In renewing of my acquaintance with the many friends of my medicine. I deem it proper to cau-tion them and the public, generally, against the use of an article prepared and sold by a man calling himself "Geo. H. Keyser, Pittsbury, Pa.," who has the impudence to call it

LINDSEY'S IMPROVED BLOOD SEARCHER, and states that it is made from my recipe, and, as if to carry out a regular game of "Stop Thief." he tells the public that "there is a counterfeit in the market." to see that his name is over the cork of every bottle" &c. He also publishes the most extravagant certificate headed "A Blind Man Cured"-"A Bad Sore Leg Cured," &c. I allowed him to proceed in this way for nearly twelve months, knowing that those who had either used or sold my article would have nothing to do with his, but I found there was a number unacquainted with mine who were induced from the above statements to give his a trial. The consequence was disappointment to them and injury to me. as they would at once pronounce Lindsey's Blood Scareher a humbug, without knowing that mane was the
