LINDSEY'S

BLOOD SEARCHER. In renewing of my acquaintance with the many friends of my medicine. I deem it proper to caution them and the public, generally, against the use of an article prepared and sold by a man call-ing himself "Geo. H. Keyser, Pittsbury, Pa.," who has the impudence to call it

LINDSEY'S IMPROVED BLOOD SEARCHER, and states that it is made from my recipe, and, as if to carry out a regular game of "Stop Thief." he tells the public that "there is a counterfeit in the market." to see that his name is over the cork of every bottle" &c. He also publishes the most extravagant certificate headed "A Blind Man Cured"-"A Bad Sore Leg Cured," &c. I allowed him to proceed in this way for nearly twelve months, knowing that those who had either used or sold my article would have nothing to do with his, but I found there was a number unacquainted with mine who were induced from the above statements to give his a trial The consequence was disappointment to them and injury to me. as they would at once pronounce Lindsey's Blood Searcher a humbug, without knowing that mune was the

As a general Ton-ic, its effects are most benignant, and cannot fail to benefit, where used perseveringly, and according to directions. Those desiring my genuine Blood Searcher must be careful in purchasing, as counterfeit med-icine is like counterfeit money, it can be afforded at low prices which is a sufficient inducement with some to enderwart to name it off for genuine. with some to endeavor to palm it off for genuine; Buy only from Respectable Dealers-Ask Dis tinctly for the
