UNION STATE CONVENTION.

The Loyal Citizens of Pennsylvania, without distintion of party, who desire cordially to unite in sustaining the National and State Ademistrations, in their patriotic efforts to suppress a sectional and unholy rebellion against the Unity of the Republic, and who desire to support by every power of the Government. our heroic brethren in arms, braving disease and the perils of the field to preserve the Usion of our Fathers, are requested to select a number of Delegates equal to their Legislative representatives of the State, at such times and such manner as will best respond to the spirit of this call, to meet in State Convention, at Pittsburg, on Wednesday, the First of July next, at eleven o'clock, A. M., on said day n nominate candidates for the offices of Gonernor and Judge of the Supreme Court, and to take such measures as may be deemed neceseary to strengthen the Government in this seaand of common peril to a common country.

C. P. MARKLE, Chairman of the Union State Central Com. GEO. W. HAMERSLY, | Secretaries. Wm. J. HOWARD,

STAVED-quite a number of rafts, between this place and the falls, last week.

SMALL POTATOES-for a man to be showing and praising his brother's speech, in public places. A-hem!

RATHER VERDANT-the man who wanted to pay his license "under protest"-having requested the collector to make such an endorsement on the back of the paper, which wasn't done. Didn't like to encourage the government to the extent of a "green back," ch?

MAN DROWNED .- We learn, that a man named William Ferrell was drowned at Chest Falls in this county, on Thursday last, by the 'staving' of a raft, by striking a rock. Mr. F. we are informed, was from Cambria county, and leaves a wife and a child or two to mourn his sudden and unexpected death.

A GOOD ONE .- A friend says, that a few scraps of the copperhead organ in this place, scatt. red into a granery, will cause all rats and mice to 'skedaddle' on a 'double quick.' He propounces it an infallible remedy, and much superior to Costar's exterminator. Wonder if that remedy is Constitutional?

Ennon .- Last week, in referring to the action of the Penn's Senate on granting the use of that Hall to Gov. Johnson and other Union men, we inadvertantly stated, in part of our issue, that "Mr. Lawrence then offered to amend" the resolution-it should read, "Mr. Lamberton then offered to amend," etc.

BE WARNED IN TIME .- It is but too plainly manifest that the Copperhead leaders are trying to induce unsuspicious persons to resist the conscription Act. We hope none will follow their bad advice, for sconer or later they will find that they have committed an erfor which will bring upon them everlasting shame and disgrace—that designing partisans have used them as tools to damage the Goverament and to sid the Rebellion.

DR. JONES ON DISEASES OF THE EYE AND EAR. -Dr. Jones of the City of New York, the great Oculist and Aurist, can be consulted at the Monongahels House, Pittsburg, for several weeks. His success in curing diseases of the Eye and Ear is without a parallel. He opetates for cataract; straightens crooked Eyes, inserts artificial eyes to move and appear natural, cures destness and discharges of the ear, removes polypus from the ear and nose, cures uzo us, and all manner of diseases of the eye and ear, and other difficult complaints.

SCHOOL EXHIBITION .- The Pine Grove school of Burnside township, gave a public exhibition on the evening of March 11th, which was a brilliant success. The stittle ones" deserving great praise for their performances-and Miss Forsythe, the highest honor, for the able manner in which she discharged her duty, rendering entire satisfaction. The exercises were opened with prayer by Rev. Kennedy, and closed by Rev. Weller. The Cherry Tree band also was present, and enlivened the excicises with their sweet music.

section of country, last week, on their way to market; but, we presume, very few of them have reached their destination as yet. On Friday the atmosphere was quite cold, and on caused the waters to fall so rapidly as to stop the running of rafts on Sunday. On Monday cold and freezing. Several days of warm sun will, however, make a good running flood.

A DESERVED REBUKE .- We are informed that, some ten days since, a Democratic surgeon now in the army, met a Democratic friend in this place, when something like the following conversation occurred:

Friend-"Why, Doctor, don't you know that It is a disgrace to wear shoulder straps and brass buttons at such a time as this?"

Doctor-"ls it? Why the h-1, then, didn't you stay down South, with your friends, when you was there? That's your place !"

A disgrace for a brave man to serve his country in time of war, ch ? And yet, such men pretend to be patriots, and proclaim themselves to be the friends of the Union. No doubt, similar expressions to the above are frequent; and, withal, we are told that there tie to retal sympathisers in our midst.

CLEARFIELD UNION LEAGUS.

Pursuant to previous notice a large number of citizens of Clearfield and vicinity met in the Court House to organize a Union League. The meeting was called to order by appointing B. Spackman, Chairman; R. S. Humphrey and John Moore, Vice Presidents; and R. S. Carr and S. J. Row, Secretaries.

On motion, H. B. Swoope, Esq., stated the object of the meeting, in a terse and pointed, though brief manner.

On motion, J. B. McEnally, Esq., addressed the meeting. His remarks were brief but appropriate.

On motion, J. B. McEnally, H. B. Swoope, W. J. Hemphill, and R. S. Carr, were appointed a Committee to report a plan of permanent organization.

The meeting was then adjourned to Wednesday evening next, March 25th.

7 o'clock Wednesday evening .- The meeting was called to order by the Chairman. The Committee on permanent organization

made the following report, to wit: Constitution.

The undersigned citizens of Clearfield County, agree to associate under the name of the Clearfield Union League, and adopt the following fundamental Articles of Associa-

1st. 2d. By becoming members of this Association, we piedge ourselves to an unconditional loyalty to the Government of the United States,-to an unwavering support of its elforts to suppress the rebellion, and to spare no endeavor to maintain unimpaired the national unity, both in principle of territorial boundary.

Members shall be admitted in the following manner: The person shall first be recommended by the Executive Committee, or by a majority of that committee, or by some other committee appointed at a meeting of the League for that purpose. Upon such recommendation the candidate shall be elected at a meeting of the League; after which he shall sign the Constitution, and thereafter be considered a member until by withdrawal, expul-

sion, or otherwise, his membership shall cease. On motion, it was Resolved, that all loyal persons present, who desire to join the Union League now organized, will now come forward and sign the Constitution just read.

During the signing of the Constitution, J. B. McEnally, and H. B. Swoope, Esqs., addressed the meeting.

On motion, the present officers were continued until a subsequent meeting, that we adjourn to meet at the call of the President. On motion, the Constitution was left with the Secretary, with the request that he procure additional names thereto.

THE NOBLE COUNTY AFFAIR .- The traitor ous malcontents of Noble county, Ohio, have rather ignobly showed the white feather, after cinnati Gazette sent a correspondent to the that of all the cough remedies the Cherry Pecexpedition sent by the military authorities to suppress the threatened insurrection. From his report we learn that two hundred insurgents were armed and organized, having elected a deserter Captain of their band. They formed a regular camp, kept their fires burning, and their pickets out on Thursday night, and were very brave until the soldiers got within nine miles of their headquarters. About that time courage failed and they skedaddled, scattering through the woods, where they remained during Friday night, getting by this witchery of medico-chemical skill. the full benefit of a cold rain. A large numher of arrests were made on Saturday morning. The names of over one hundred of the RAFFING. - A large number of rafts left this insurgents had been obtained, and most if not ail of these will be taken into custody .- Pitts-

RETURNING DESERTERS .- The total number Saturday we had several inches of snow, which of deserters from the army is stated at 125,000 to 130,000. Perhaps Indiana has a full proportion of these, owing to the influence of the sun shone warm and most of Saturday's copperheadism in that State. But the recent show melted, but on Tuesday morning it was order seems to be working well in Indiana, for dispatches from Indianapolis state that deserters are coming in at the rate of forty to all who were at heart traitors to their counseventy five daily, and reporting themselves try." A hue and cry was raised among the Defor duty, as provided by the President's proclamation, promising exemption from punishment for all who take this course previous to April 1. If deserters are as prompt in returning in other parts of the country, the ranks of the army will be well filled.

> Rebel Gov. Brown of Georgia don't seem to have made much by Secession, if we may credit the following growl from his late Mes- by the Copperheads. The Nashville Union, sage : "The Abolition Government at Wash. in criticising this fault finding spirit, calls atington-from which we seceded on account tention to the fact that the Utah expedition, of its disregard for the violation of State rights, which consisted of 10,000 men, and lasted only -has shown itself more attached to the rights a few months, cost six millions of dollars. of the states, and more careful not to violate At the same rate, the cost of the present war, them, than our own Government, which had with nearly a million of men, would, up to its very origin in this great doctrine."

From the Hollidaysburg Register of March 25th

MR. WALLACE, OF CLEARFIELD. We find in the Harrisburg " Patriot" of Saturday last, a speech, purporting to have been made by the gentleman whose name heads this article, against allowing Governor Johnston, of Tennessee, and Governor Wright, of Indiana, the use of the Senate Chamber, in which to deliver Union addresses. A more villianous production, it has never fallen to our lot to peruse. He not only opposed the resolution, but in the most cowardly and talse manner slandered the old statesman and patriot, Johnston, (old enough to be his father) who, since the breaking out of the rebellion, in Tennessee, has been driven from his home, separated from his family, and robbed of his property, simply because he dared to maintain that the Government should be sustained, the Constitution upheld, and the rebellion crushed out. And for this, Mr. W. A. Wallace, in his seat in the Senate, villifies and traduces him, stating that he will "in early future, be buried in dark oblivion;" and further, that he is opposed to allowing these brave and good men, the liberty of speech, at Harrisburg, because he was unwilling to countenance any of those men, who have rendered aid and comfort towards sustaining this Administration."

And yet this is the same gentleman, who, last fail; when a candidate for the Senate, and he thought he was hard pressed, came post haste to this town, here to have certificates of men in his own county published, certifying that he was a loyal man, and had contributed in every way in his power, "aid and comfort" to sustain the very Government and administration he now abuses and seeks to overthrow! This is the same gentleman, who sought to deceive a most worthy and loyal member of the Democratic party in Woodberry township, by a letter written in this town, shortly before the election, wherein he promised to stand by the constituted authorities in their patriotic endeavors to save our beloved Union, This is his "aid and comfort."

Andrew Johnston for years past has been the pride of the Democratic Party in Tennessee, and but a short time before the breaking out of the rebellion, was transferred by that party, from the Governor's chair to a seat in the United States Senate. Mr Wallace denies this man the use of the Senate Hall, in which to tell the wrongs he and his friends have sustained from the traitors of his State, and of his fidelity to the Union and the laws. officers shall severally perfom the duties which Is it any wonder that the sons of "Loval Little Blair" repudiated this man by seventeen hundred majority? Were the election to come off to day, he would not have a corporal's guard to sustain him in his infamy. He should have told the Senate, when he was running farther behind the rest of his ticket in his District than any man in the State. Possibly he will do that next time.

THE RECORD.

The following is the resolution and amend ment, and the vote, granting the use of the Hall of the Penn'a State Senate to Gov. Andy Johnson, Gov. Wright, Gen. M'Clellan, and other friends of the Union:

Resolved, That Gov. Andrew Johnson, of Tennessee, and Ex-Gov. Joseph A. Wright, of Indiana, be and they are hereby tendered the use of the ball of the Senate this afternoon, for the purpose of addressing their fellow citizens of Pennsylvania. "That when General George B. M'Clellan

or any other friend of the Union, desires the use of this Hall for the purpose of defending the cause of the Union and denouncing the rebellion, it will be cheerfully tendered.'

MEDICINES THAT CURE. - One of the special peculiarities of Dr. Ayer's preparations is, such promise as they made, a few days ago, of that they accomplish what is promised for military prowess and feats of arms. The Cin- them. Who, in this community, does not know scene of expected action, accompanying the toral is by far the best? Who that ever uses nills but will tell you AYER's PILLS are at once the mildest and most searching, most effectual of all ? Did anybody ever hear of his Agre CURE failing in a single case ? Not an instance has been found where Fever and Ague has resisted the faithful trial of it. This may seem a bold assertion, but we are assured it is true. And still more important are the effects of his alterative called EXTRACT OF SARSAPABILLA. One after another, patients come forth from their leprocy, cleaned and purified into health, Saturated with the accumulated rottenness of years, and poisoned by the corruption of their own blood, they could only live to suffer. This master combination, purging out the foul impurities, has instilled the vigor of health, and restored them to the enjoyment of life again. If these are truths, and they are, should not our readers know it ? What facts can we publish of more vital importance to them ?- Courier, Princeton, Ky.

How is This ?- A clergyman, in Blacklick township, Indiana county, in administering the sacrament, debarred from "the lords table mocracy of that region that the minister had forbidden Democrats to partake of the Holy Sacrament. Is this a confession that a Democrat and a traitor are the same thing? On any other assumption, Republicans had as much right to be offended as Democrats.

A Case in Point .- A great deal is said abont the extravagance of the War Department this time have been seven billions of dollars!

copal Recorder, in an article referring to the refusal of Congress to exempt ministers of the Gospel from liability to draft, says : "Nor will there be any serious consequences from the refusal to grant this exemption. Wherever a 'minister' of the Gospel is useful to his people, and preaches faithfully of Christ, they will gladly contribute for his relief the three hundred dollars the law prescribes for commutation. Should they not be ready to do this, or should the drafted minister be without a church connection which will pay this amount for his discharge, we cannot see that he has any public claims to be excused from the performance of that service, which, distasteful as it may be, every loyal citizen is now called

SAD FATALITY .- We learn from the Whig that the family of Daniel Ritts, residing in Hollidaysburg has been visited by a disease known as whooping cough, which has proved very fatal. On Tuesday week, one of the children, aged two years, died; on last Monday another, aged four years, died; and while the parents and friends were absent from home at the funeral, the third child, aged eight years died. We are sorry to state that the remaining three children are very sick with the same disease, and it is the opinion of the physician that at least one more will die.

A YER'S COMPOUND EXTRACT SAR-SAPARILLA.—No one remedy is more needed in this country than a reliable Alterative, but the sick have been so outrageously cheated by the worthless preparations of Sarsaparilla abroad that they are disgusted even with the name. Yet the drug cannot be blamed for the impositions from which they have suffered. Most of the socalled Sarsaparillas in the market contain little of the virtues of Sarsaparilla or anything else They are mere slops-inert and worthless. oncentrated extract of the active variety of Sarsaparilla compounded with Dock. Stillingia, Iodine, etc., is, as it ever will be, a powerful alterative and an effectual remedy. Such is Ayer's Extract of Sarsaparilla, as its truly wonderful cures of the great variety of complaints which require an alterative medicine have abundantly shown. Do not therefore, discard this invalua-ble medicine, because you have been imposed up-on by something pretending to be Sarsaparilla, while it was not. When you have used Ayer's then, and not till then, will you know the virtues of Sarsaparilla. For minute particulars of the diseases it cures, we refer you to Ayer's American Almanac, which the agent below named will furnish gratis to all who call for it.

GODEY'S LADY'S BOOK FOR 1863 GREAT LITERARY AND PICTORIAL YEAR!

The publisher of Godey's Lady's Book, thankful to that public which has enabled him to pub lish a magazine for the last 33 years of a larger circulation than any in America, has made an arrangement with the most popular anthoress in this country-Marion Harland, gutheress of Alone. Hidden Path," "Moss Side," "Nemests," and "Miriam." who will furnish a story for every number of the Lady's Book for 1863. This alone will place the Lady's Book in a literary point of view far ahead of any other magazine. Marion Har-land writes for no other publication. Our other favorite writers will all continue to furnish arti-

cles throughout the year.

Sixty-Sixth and Sixty-Seventh volumes of Godey's Lady's Book for 1863, will contain nearly 1300 pages of Reading matter, 24 pages of Music 12 Double Extension Colored Fashion Plates, equal to 24 of other magazines, over 1200 wood engravings. 14 steel engravings of beautiful subjects, 780 articles by the best authors in America. these will be given in 1863, at prices for which see our extremely low club rates.

The oldest, the best, and the cheapest magazine in America is the Godey's Lady's Book. The im-mense increase in the circulation of Godey (having trebled itself in the last 4 years) is a convincing proof of the superiority of the work, if the work itself was not sufficient evidence. And when it is considered that not a bribe in the shape of a premium has ever been offered. it shows that Godev's Lady's Book stands first in the hearts of American ladies, who subscribe for the sake of the Book and not the premium.

The Literature of the Lady's Book is by the first writers in America, and has always been remarkable for its high literary and moral character. Clergymen recommend the Book, and it can be read aloud in the family circle. The matter is far superior to that of any other magazine, having s healthy and instructive tone.

Eight Specialities that no other magazine has, and only found in Godey, to wit: "Original Music," "Model Cottages. with diagrams." "Drawing "Original Health Department." dren's Department," . Chemistry for the Young. ·Horticultural Department." and "Double Exten sion Fashion-plates" Godey's great speciality, unparalleled and unapproached. Competition dead in this department. Our imitators have abandoned the attempt.

Of Steel engravings, the press have unanimously pronounced Godey's the best ever published by any magazine of the world. You may look in vain for 14 such steel engravings as were published during the year 1862, and those for 1863 will surpass them. Other magazines do not go to the expense of original designs for their steel engravings. The Double Fashion-plate has from 5 to 7 full length fashions on each plate. Other magazines give but two. Godey is the only work in the world that gives these immense plates, which cost \$10,000 more than the old style. These fashions may be relied on as correct. They are always the latest styles, and hence ladies are not subject to ridicule for wearing old fashlons, when they v.sit the large cities

Colored embroidery patterns and lingerie. Every number contains patterns of some article for a lady to work-ottomans, backs of chairs, slippers, etc.

Breer, the celebrated Horticulturist of this city, will assist in this department Our Musical Department. Three dollars' worth of Music is given every year; and if it were only for the music alone, the Lady's Book would be

chean at the price we ask for it.

In the various numbers for 1863, will be found diagrams for Children's and Ladies' dresses; children's samples for learning; the newest designs for window curtains, broderie anglaise, slippers bonnets, caps, cloaks, evening-dresses, fancy articles, headdresses, hair-dressing, robes-de-cham-bre, carriage dresses, brides dresses, wreaths, mantillas, walking-dresses, morning-dresses. riding habits, collars, chemisettes, undersleeves, patchwork, embroidery patterns, and crochet and notting work. Our designs are received semimonthly from our agents in France, England, and Germany, and every new pattern of any portion of a lady's dress appears first in the Lady's Book. Drawing in all its variety, useful to the beginner and the proficient. Fashions from the establishment of the celebrated "Brodie" will be in every number. Also gives Model cottages.

Godey's invaluable receipts upon every subject, indispensable to every family, worth more than the whole cost of the Book, and a great saving of expense to all those who take the book. Godev's Lady's Book is also used as a premium at nearly every Agricultural exhibition in the United States -another testimony of its worth.

FRIENDS AND RELATIVES OF THE BRAVE SOLDIERS AND SAILORS. HOLLOWAY'S PILLS AND OINTMENT.

All who have Friends and Relatives in the Amy and Navy should take especial care that they be amply supplied with these Pills and Ointment; and where the brave Soldiers and Suilors have neglected to provide themselves with them, no better present can be sent them by their Friends. They have been proved to be the Soldier's never failing friend in the hour of need

Coughs and Colds Affecting Troops, Will be speedily relieved and effectually cured by using these admirable medicines, and by paying proper attention to the Directions which are attached to each Pot or Box.

Sick Headache and Want of Appetite, Incidental to seldiers.

These feelings which so sadden us usually arise from trouble or annoyances, obstructed perspira-tion, or eating and drinking whatever is unwholesome, thus disturbing the healthful action of the Liver and Stomach. These organs must be reliev-ed, if you desire to be well. The P lis taken according to the printed instructions, will quickly produce a healthy action in both Liver and Stom ach, and as a natural consequence, a clear head and good appetite.

Weakness or Debility Induced by Over Fatigue Will soon disappear by the use of these invaluable Pills, and the Soldier will quickly acquire additional strength Nover let the Bowels be either confined or unduly acted upon It may seem strange, that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the Liver and Stomach, and thus remove all the aerid humors from the system. This medicine will give tone and vigor to the whole organic system, however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this medicine.

Volunteers, Attention !- Indiscretions of Youth. Sores and Ulcers, Blotches and Swellings, can with certainty be radically cured, if the Pills are taken night and morning, and the Ointment be freely used as stated in the printed instructions. If treated in any other manner, they dry up in one part to break out in another. Whereas this Ointment will remove the humors from the system, and leave the Patient a healthy and vigorous man It will require a little perseverance in bad cases to insure a lasting cure.

For Wounds either occasioned by the Bayonet, Sabre, or the Bullet, Sores or Bruises.

To which every Soldier or Sailor are liable, there are no medicines so safe, sure, and convenient, as Holloway's Pills and Ointment. The poor wounds ed and almost dying sufferer might have his wound dressed immediately, if he would only provide himself with this matchless@intment.which should be thrust into the wound and smeared all around it. then covered with a piece of linen from his knapsack and compressed with a handkerchief. Taking, night and morning, 6 or 8 Pills, to cool the system and prevent inflammation.

Every Soldier's Knapsack and Seaman's Chest should be provided with these valuable remedies.

CAUTION .- None are genuine unless the words "HOLLOWAY, NEW YORK AND LONDON," discernable as a WATER-MARK in every leaf of toe book of directions around each pot or box; the same may be plainly seen by HOLDING THE LEAF TO THE LIGHT A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counter-feiting the medicines or vending the same, know-

ing them to be spurious * Sold at the manufactory of Professor Hot-Lowar, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicines. throughout the civilized world, in boxes at 25 cents, 62 cents and 31 each.

There is considerable saving by taking the larger sizes.
