REWARD.—Was lost on Tuesday, June 2d, between Clearfield Borough and the residence of the subscriber, in Bradford township, a large sized pocket book containing 200 dollars in bank notes of various denominations. A reward of \$25 will be paid to the finder, on leaving the pocket book and money in the care of S. J. Lee, at the Journal office in Clearfield, Pa. June 10, 1863. JOHN GRAHAM.

AGRICULTURAL MEETING.—A meeting of the Clearfield County Agricultural Society will be held in the Court House in Clearfield, on Monday evening, June 15th. (Court week.) The friends of the cause are requested to be in attendance.

CHILD SCALDED.—We understand that, on the 6th June, a small child of Wm. Peters, of Bradford township, was accidentally scalded, by falling backward into a bucket of hot water, and sustained such severe injuries that it died in a few hours after the accident occurred.

AT HOME.—Capt. P. A. Gaultin of Frenchville, is home on a short furlough, from the army. His regiment is now in Kentucky. The captain looks hale and hearty, and a soldier's life seems to agree with him. He has our best wishes, for his goal in the cause of the Union.

THE CHEAPEST YET.—Wm. F. Irwin, of Clearfield Borough, has just opened a large and general assortment of goods, which he will sell at greatly reduced prices. As he generally keeps good articles for sale, it would be well to give him a call before making purchases elsewhere. See advertisement.

OWNERS OF UNPATENTED LAND.—The act of Assembly in relation to the graduating and valuation of unpatented lands by the Commissioners of the several Counties of Pennsylvania, will expire, by its own limitation, on the first day of August, 1863. Those interested, had better take advantage of it in time, and have their lands appraised by the Commissioners and patented, before the date above given.

CAPT. S. A. CRAIG.—Capt. Craig, of Brookville, paid our town a visit last week, having been discharged on account of disability. The captain was severely wounded at the battle of Bull Run, and at the second battle of Bull Run, and a third time at Chancellorsville. The last time he was wounded in the foot, which unfits him for marching, whilst his right wrist is useless from the effects of the wound received at Bull Run. He has proved himself no ordinary military man, and wears his wounds with honor.

FATAL ACCIDENT.—On Monday morning, June 8th, one of the hands connected with Ryan's Circus, was killed in our town. It appears that in jumping off the wagon whilst it was in motion, his foot slipped and he fell in such a manner that the hind wheel passed lengthwise over his body, causing almost instantaneous death. A letter was found among his effects, written at 22 James street, New York, by his wife, from which it was ascertained that his name is Thos. Smith. His remains were interred in the graveyard near this place.

The place where a person votes, or is entitled to vote, is deemed his residence. When not a voter, the place where tax on personal property is paid is held to be the place of residence.

In cases of limited partnerships, formed with the condition that to divide or division of profits shall be made until the expiration of the partnership, each member of such firm will be required to return his share of profits arising from such business, for the year 1862, as had they so desired, a division of the profits could have been made.

Gains or profits realized from the sale of property during the year 1862, which property was purchased before the Excise Law went into effect, should be returned as income for the year 1862.

The executors or administrators of the estates of persons, who died in the year 1862, should make return of the income thereof for the year 1862.

Physicians and lawyers should include actual receipts for services rendered in 1862, together with an estimate of unrealized or contingent income due to that year.

Dividends and interest payable in 1862, should be returned as income for that year, no matter when declared.

Dividends derived from gas stock are taxable as income.

Income derived from coal mines must be returned, although a tax has been previously paid on the coal produced. No deduction can be made because of the diminished value, actual or supposed, of the coal vein or bed, by the process of mining.

Profits paid for life insurance shall not be allowed as a deduction in statement of income. Pensions received from the United States Government must be returned with other income subject to taxation.

THE WAR NEWS.

Hooker re-crosses the Rappahannock. DESPERATE FIGHT AT PORT HUDSON. Latest from Vicksburg.

FROM HOOKER'S ARMY.—At noon, on June 3d, very unexpectedly, the Engineer's brigade was ordered to proceed and construct two pontoon bridges across the Rappahannock, one mile below Fredericksburg. A double line of rebel pickets, lounged about very innocently watching our movements, and about 5 o'clock the engineers commenced operations, when they fopped into their rifle pits and commenced picking off our men. Our artillery, about 20 guns, opened upon them, but with little effect, when at 6 o'clock the 29th New York was ordered into the boats, which pushed over under a dense fire and drove the rebels from their rifle pits. Other regiments soon followed in the boats until about ten brigades were over. The engineers then proceeded to complete the bridges, and at 9 P. M. the whole Howe's division had passed over. Our forces advanced cautiously, deployed skirmishers, but met no enemy in force. Our crossing took the enemy by surprise. We took about 100 prisoners, including one Major. This bold movement has demonstrated what became of the enemy, besides divining his purposes. Our men behaved most gallantly, cheering as they crossed for the third time, this historic river. The movement has thrilled the army with excitement and impatience.

FROM PORT HUDSON.—This strong rebel stronghold is invested by Gen. Banks. On May 27th, Gen. Sherman attempted to carry a section of the enemy's works at the point of the bayonet, but was repulsed—not, however, until Col. Clarke of the 6th Michigan had carried the colors of his regiment inside of the first line of rebel fortifications and had raised them upon the rebel flagstaff. Our loss was heavy. The 2d regiment Louisiana Native Guards (colored), Col. Neilson, attracted great attention for their undaunted bravery. They lost 600 killed out of 900 men. The New York Herald's correspondent says, that "the flower of the British army" at the celebrated storming of Ciudad Rodrigo "never employed with firmer step or more solid column" than did this 2d division of Gen. Banks's army to the assault of Port Hudson, with a negro regiment in the advance. Gen. Banks moved from point to point along the lines with perfect coolness. His quick eye would detect a lagging movement or an unprotected position, and an aid would at once be dispatched. The most perfect confidence was felt that this rebel stronghold would succumb to the Union forces.

FROM VICKSBURG.—The siege of Vicksburg is progressing favorably. A bearer of dispatches from Pemberton to Johnston was captured on May 28th. The dispatch reads: "Forage all gone; men on quarter rations; can hold out ten days." On the 28th Gen. Grant ordered every gun in position to throw shells into the city and in one hour 3,600 shells were safely lodged within its limits. Col. Blair made an expedition through the country from the Big Black to the Yazoo, destroying much rebel property, but nothing definite was ascertained of the whereabouts of Joe Johnston. It is supposed that he cannot raise a sufficient force to attack Grant. The 9th army corps has been detached from Gen. Burnside's command and has been sent to Gen. Grant.

DIED: On June 9th, Mrs. MARY JANE SHUNKWILER, wife of Jacob Shunkwiler, of this Borough, aged 28 years and 1 month. The deceased was an affectionate wife, a kind mother, and a good neighbor; and her sudden death will be deeply mourned by a large circle of relatives and friends.
