Suspicion rests upon a certain desperado of the neighborhood, who it seems had fired several shots during the afternoon at three Messrs. White, whilst they were cutting grain in a field. It is supposed that Egan was mistook for one of the Whites, who had to pass along the road on his way home. The supposed murderer cannot be found, no doubt having made for parts unknown.

### MISCELLANEOUS WAR NEWS.

The President has issued a Proclamation announcing that this Government will retalliate for rebel outrages on our troops. He says that for every violation of the rules of war, in selling our soldiers into slavery, a rebel soldier shall be placed at hard labor on the public works, until the other shall be released.

From Mississippi there are advices of a strong desire of the people of that State to forn to the Union. They seem to be satis fied with the rule of the rebel Government. A fight took place at Lexington Tennessee, last week, in which our troops routed the rebels, captured Col. Compbell, two lieuten ants, 25 prisoners, and two cannon.

A wild idolatry: We worshipped at an earthly shrine,

Lured by some magic spell 

She was a lonely star, whose light Around our pathway shone, Amid the darksome vale of tears, Through which we journey on. Its radiances making clear the light Which round his throne doth dwell. And brought us near r to him. Who doeth all things well."

That star went down in beauty, Yet it shineth sweetly now. In the bright and dezzling coronet That decks the Saviour's brow ; She bowed to the destroyer.

Whose shafts none may repel. But we know, for God hath told us, "He doeth all things well."

We remember well our sorrow As we stood beside her bed. Our deep and heartfelt anguish When they told us she was dead ...

friends in the army to the fact that "HOOPLAND's German Bitters" will cure nine tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers. on the arrival of the sick, it will be noticed that a very large propor-tion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. Discuses resulting from disorder of the digestive organs are speedily removed. We ave no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise will be lost We call particular attention to the following re-

markable and well authenticated cure of one the nation's heroes, whose life, to use his own language, "has been saved by the Bitters :"

There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case. I am, and have been for the last four years, a member of Sherman's celebrated battery, and under the im-mediate command of Capt. R B. Ayres. Through the expo sure attendant upon my duties, I was attacked in November last with inflammation of

the lungs, and was for seventy-two days in the This was followed by great debility. hospital. heightened by an atlack of dysentery. I was then removed from the White House, and sent to this ity on board the Steamer "State of Maine," from which I landed on the 28th of June. Since that time I have been about as low as any one could be and still retain a spark of vitality. For a

week or more I was scarcely able to swallow any-thing, and if I did force a morsel down, it was immediately thrown up again. I could not even keep a glass of water on my stomach. Life could not last under these circumstances; and, accordingly, the physicians who had been working faithfully, though unsuccessfully, to rescue me from the grasp of the dread Archer, frankly told me they could do no more for me, and advised me to see a clergyman, and to make such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital. Mr. Frederick Steinborn, of Sixth below Arch Street, advised me, as a forlorn hope, to try your flitters, and kindly procured a bottle. From the time I commenced taking them the gloomy shadow of death receded, and I am now thank God for it, getting better. Though I have taken but two bottles, I have gained ten pounds. and I feel sanguine of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months: for. gentlemen, I am a loyal Virginian, from the vicinity of Front Royal. To your invaluable Bitters I owe the cer-

tainty of life which has taken place of vague fears -to your Bitters will I owe the glorious privi-Cheap lege of again clasping to my bosom those who are dearest to me in life Very truly yours. ISAAC MALONE. We fully concur in the truth of the above state-
