"THAT SAME OLD TUNE."- The editors of the Copperhead organ in this place, as often as they find themselves "cornered," or get hard run for arguments, repeat the stale complaint that we do not write our own editorials. We submit whether such a charge does not come with ill grace from a concern which has a pertect host of scribblers -- ex Governors, Senators, lawyers, doctors, cordwainers, blowers, puffers, and what else we shall not pretend to guess! The Junta alone can tell.

CAMP MEETING .- God permitting, there will he a camp-meeting on the camp-ground situated on the farm of Bro. John Norris, on Chestnut Ridge, near Curwensville, Clearfield county, Pa., to commence on Thursday, Aug. 27th, 1868. The brethren and friends of our own and other churches are cordially and earnestly invited to attend, both of the ministry and the laity. Come on, friends, and unite of the President. J. R. RETURNED .- Capt. Swoope's company returned to this place on last Monday, having been discharged from further service on Saturday last at Huntingdon. The company was in service five weeks, in Huntingdon and Bed lord counties. It numbered seventy one men, all but six of whom were from this county. They marehed in on Monday and took the lown by surprise. The men seemed to have been well pleased with the service and with their officers, and all appear willing to return whenever it is deemed necessary. They looked well in uniform, and moved with military precision in ranks. We are informed that during the period of the service there were four deserters, as follows: John McIntere, and J. Woodward Stewart who enlisted at Tyrone. Geo. B. Remninger who enlisted at Philips burg and Ira Shafler who enlisted at Curwensville. Remminger, went into the three years service, but was returned as a deserter, because he omitted to get his discharge and papers.

The editors of the Copperhead organ are quite indignant, because we said a "certain Senator" had, by his vote last winter, refused, the Senate Chamber to Andy Johnson, Gov. Wright and Gen. McClellan, for defending the cause of the Union and denouncing the Rebellion. They term our statement a "lie," which is no argument at all. Por the beneht of our readers we re-publish

AGRICULTURAL SCCIETY. CURWENSVILLE, August 8, 1863.

In accordance with previous notice, a meeting of the Executive Committee of the Clearfield county Agricultural Society was held at the Public house of Mr. Mason, in Curwens-The Republican party of Clearfield county, ville. Josiah R. Reed, President of the Society presiding.

> Executive Committee all present. On motion of Hon. J. D. Thompson,

Resolved, That this Committee comply with p. m., to select candidates for office and trans- the request of the Society as expressed by resolution unanimously adopted at its last regnlar meeting, held at Clearfield, on Monday evening the 15th day of June, 1863, requesting the Executive Committee to make all the necessary arrangements for the bolding of its that purpose. Also, that said Fair shall be held, commencing on Tuesday, the 20th day of October, 1863, and continue four days, namely, Tuesday, Wednesday, Thursday and Friday, (the 20th, 21st, 22d and 23d days of Oct. 1863) provided persons having stock on exhibition shall be permitted to remove it on the third day of said Fair by applying to the Executive

The Executive Committee would also state that since the last Fair, the track upon said grounds has been very much improved, and persons desirous of riding or driving on said track can do so by calling at the house of Mr. McGaughey for the key to the grounds.

The Committee would also very fespectfully suggest to the members of this Society, that in view of the benefits to be derived by their more imimate associations upon such an occasion, and exhibition of the products of the farm, the garden, and the shop; and with a prospect of a bountiful yield of those grains, seeds, plants and truits, &c., that have contributed to make their former exhibitions so successful, and as the Committee have entered upon their arduous duties and promise to continue them daily with all their zeal and ability in perfecting the necessary arrangements; yet they feel the necessity of calling upon each individual member of this society to respond and come up to the work nobly. The time for preparation is now. Let each one begin at once, and not stop to say "my articles and animals are not as good as my neighbors." And now, while the crops of wheat, rye and oats are being harvested, call in your neigh bor, and let him measure your field, and when you have thrashed your sheaves, and measured your grain, send in your certificate, or list of articles, and have them placed upon the books, bringing specimens of the articles on exhibition, and thus compete for the prizes which are made with a disposition to liberality.

The premium list will be published next week. The Committee then compared and settled the accounts of the Treasurer and Secretary, and adjourned to meet at the house of Josiah R. Reed in Lawrence township, upon the call D. F. E ZWEILER, Secr'y.

## EXCITEMENT AT COLUMBUS.

CINCINNATTI, Aug. 5 .- The Gazette's Columbus dispatch says : Considerable excitement prevailed yesterday afternoon, over the tearing down by invalid soldiers of a flag on which was inscribed the names of Vallandigham and Pugh. The copperheads commenced gathering, crying for vengeance upon the author of the act. Another invalid soldier in the crowd was badly besten for approving of the act. All soldiers in the city were arrested and put in the guard house to prevent further disturb-

In the evening a crowd assembled before the door of the store where the flag hung. After parading the streets, the crowd went back to the store and presented the owner with a new flag which will be hung out again to day.

CONSCRIPTION IN THE SOUTH .- Richardson . the rebel guerilla chief, has issued an order requiring all the men of West Tennessee, between the ages of eighteen and forty-five, to report at his camps at once, under the rebel conscription act. His orders to his men are to burn the houses and barns of all who neglect to report themselves, and if caught they are to be shot down at once. If a man takes refuge in his house, it is to be set on fire and guarded, so that he may not escape death by

The " sarpients" who do up the dirty work of the Copperhead organ in this place, seem to be possessed of an unusual amount of wisdom and conceit-"editorially." Well seme men(t) like one of the genus bufe mertioned in Esops' Fables, become so exceedingly con. ceited that they imagine they are proderers fellows, and by a system of inflation they try to make the public believe they possess quite mammoth proportions, when, in reality, they have only the dimensions of a "toad."

VALLANDIGHAM TURNED OUT OF DOORS .-The Buffalo Commercial Advertiser says: "We learn that the proprietors of the Clifton House, Canada, recently gave Mr. Vallandigham notice to quit-circumstances having rendered the space occupied by that notorious individual preferable to his company. The "martyr," use of this Hall for the purpose of defending it is said, has taken up his abode with Sol.

> JEFF DAVIS has issued an urgent appeal to the rebel officers and soldiers to return to their various camps and corps. He complains of a want of alacrity on the part of all classes in coming forward in the most dismal hour of the South. Jeff. is looking out for some one on whom to blame the disaster which he knows must sooner or later come to the cause of

THE SUPPLY OF MUSKETS AT SPRINGFIELD .-The United States Armory at Springfield, Mass., continues to turn out about 1,000 mask. ets a day, and this number will not be diminished at preasent. Few and small orders for muskets have been received from Washington of late, and there are 50,000 of the model of William L. Yancy, and serious illness of '61, and 100,000 of the model of '68, now subject to the demand of the Government.

## THE REBELLION.

From Charleston we have information that the stege is still progression favorably, and that our men are all in good spirits, and anticipate a glorious victory in the capture of all the forts in the harbor, ere long. A serious accident occurred on board the Nahant, in which seven of the men were so badly scalded that the skin peeled off.

LATER .- Some seven or eight thousand reinforcements have reached Gen. Gilmore at Charleston. They are all veterans. At last advices they were creeting shore batteries to bear on Sumter. Gilmore could take Fort Wagner at any time, but the fire from Sumter makes it untenable, hence the necessity of 3d Annual Fair on the grounds prepared for silencing Sumter first. The other fortifications will be taken in due time.

From the Potomac army we have very little of interest to record. Rumors have been prevalent that Lee had been reinforced, and that he had sent troops to Fredericksburg, but there is nothing definite in regard to these movements. Gen. Meade is still represented as being in close proximity to the rebel army, and that a collision may occur at any time. A fight took place at Brandy Station last week between some cavalry. The rebels were drove off after a brisk engagement.

The news from the west is very meagre Rosencrans seems to be lying still, except making reconnoisances with cavalry. The information from the rebel army is encouraging. It is said that at least 10,000 men have deserted Bragg since the fall of Vicksburg, The Union sentiment is gaining ground in Mississippi; in fact, it is reported that secret organizations are forming all over the State, which have for their object a speedy return to the Union.

A collision occurred recently between the copperheads and Union men, at South Enghish, Keokuk county, lowa. About fifty shots were fired on both sdes, and Tolley the leader and two other copperheads were killed. A later report states that about 1 500 insurgents have gathered together and that a fight is imminent. The Sheriff has applied for a military force to quell the "riot."

The President is determined to carry into effect his recent order relative to the retaliation upon prisoners of war. He has ordered that three prisoners from South Carolina shall be held in close confinement as hostages for three negro seam n captured on the guuboat Isaac Smith, and who are now in prison at Charleston. All other prisoners, wether white or black, treated by the enemy in a manner not applicable to prisoners of war, will be equally represented by Southern men. Mr. Lincoln is determineb that negroes in the military and naval service shall be treated the same as

ELECTION OF U. S. SENATORS FROM WEST VIRGINIA .- At a joint session of the West Virginia Legislature on the 4th inst., Wartman T. Wiley, and P. G. Van Windle, were elected U. S. Senators, the former on the first and the latter on the sixth ballot.

Correction —In noticing the escape of two deserters from the county jail, we gave the name of one of them as Millon Reed, it should have been Phineas Reed.
