BLOOD SEARCHER. In renewing of my acquaintance with the many friends of my medicine, I deem it proper to cantion them and the public, generally, against the use of an article prepared and sold by a man call-ing himself "Geo. H. Keyser, Pittsbury, Pa.," who has the impudence to call it LINDSEY'S IMPROVED BLOOD SEARCHER.

and states that it is made from my recipe, and, as if to carry out a regular game of "Stop Thief," he tells the public that "there is a counterfeit in the market." to see that his name is over the cork of every bottle" &c. He also publishes the most extravagant certificate headed "A Blind Man Cured"—"A Bad Sore Leg Cured," &c. I allowed him to be a support of the core of the cor him to proceed in this way for nearly twelve months, knowing that those who had either used or sold my article would have nothing to do with his, but I found there was a number unacquainted with mine who were induced from the above statements to give his a trial. The consequence was disappointment to them and injury to ine, as they would at once pronounce Lindsey's Blood Scarcher a humbug, without knowing that mene

A new volume of this widely-circulated paper ommences on the first of January. It is published weekly, and every number contains sixteen pages of useful information, and from five to ten original engravings of new inventions and discoveries, all of which are prepared expressly for

TO THE MECHANICS AND MANUPACTURERS .- NO person engaged in any of the mechanical or man-ufacturing pursuits should think of 'doing without" the SCIENTIFIC AMERICAN. It costs but four cents per week; every number contains from six to ten engravings of new machines and inventions, which are not found in any other publica

To THE INVENTOR -The Scientific American is indispensible to every inventor, as it not only con-tains illustrated descriptions of nearly all the best inventions as they come out, but each number con-tains an Official List of the Claims of all the Patents issued from the United States Patent Office during the previous week; thus giving a correct history of the progress of inventions in this coun-We are also receiving every week, the best scientific journals of Great Britain, France and Germany; thus placing in our possessinn all that is transpiring in mechanical science and art in these old countries. We shall continue to transfer to our columns copious extracts from these journals of whatever we may deem of interest to our readers. A pamphtet of instruction as to the best mode of obtaining Letters Patent on new inventions, is furnished free on application. Messrs. MUNN & Co have acted as Patent Solicitors for more than Seventeen years in connection with the publication of the Scientific American, and they refer to 20,000 patentees for whom they have business. No charge is made for examining sketches and models of new inventions and for advising inventors as to their patentability .

CHEMISTS, ARCHITECTS, WILLWRIGHTS, AND FAR-MERS -The Scientific American will be found a most useful journal to them. All the new discoveries in the science of chemistry are given in its columns, and the interests of the architect and carpenter are not overlooked; all the new inventions and discoveries appertaining to these pur suits being published from week to week. Useful and practical information pertaining to the interests of millwrights and mill owners will be found published in the Scientific American, which infarmation they can not possibly obtain from any other source. Subjects in which planters and far-mers are interested will be found discussed in the Scientific American; most of the improvements in agricultural impliments being illustrated in its columns.

TERMS :- To mail subscribers : \$3 a year, or One Dollar for four months. The volumes com-mence on the first of January and July. Specimen copies will be sent gratis to any part of the

FRIENDS AND RELATIVES OF THE BRAVE SOLDIERS AND SAILORS. HOLLOWAY'S PILLS AND OINTMENT.

All who have Friends and Relatives in the Ar my and Navy should take especial care that they e amply supplied with these Pills and Cintment and where the brave Soldiers and Sailors have neglected to provide themselves with them, no bet ter present can be sent them by their Friends. They have been proved to be the Soldier's severfailing friend in the hour of need

Coughs and Colds Affecting Troops, Will be speedily relieved and effectually cured by using these admirable medicines, and by paying proper attention to the Directions which are at tached to each Pot or Box.

Sick Headache and Want of Appetite, Inciden tal to Soldiers.

These feelings which so sadden us usually arise from trouble or annoyances, obstructed perspiration, or eating and drinking whatever is unwholesome, thus disturbing the healthful action of the Liver and Stomach. These organs must be reliev-ed, if you desire to be well. The Pills taken according to the printed instructions, will quickly produce a healthy action in both Liver and Stom ach, and as a natural consequence, a clear head and good appetite.

Weakness or Debility Induced by Over Fatigue Will soon disappear by the use of these invaluable Pills, and the Soldier will quickly acquire ad-ditional strength Never let the Bowels be either confined or unduly acted upon It may seem strange, that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the Liver and Stomach, and thus remove all the aerid humors from the system. This medicine will give tone and vigor to the whole organic system however deranged, while health and strength fol low as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this medicine

Volunteers, Attention !- Indiscretions of Youth Sores and Ulcers, Blotches and Swellings, can with certainty be radically cured, if the Pills are taken night and morning, and the Ointment be freely used as stated in the printed instructions. If treated in any other manner, they dry up in one part to break out in another.
