ent Medicines in general, through distrust of ingredients and effects; I yet know of no ficient reasons why a man may not testify to the benefits he believes himself to have received m any simple preparation in the hope that he tay thus contribute to the benefit of others.

I do this the more readily in regard to Hoofand's German Bitters, prepared by Dr. C. M. whom, of this city, because I was projudiced a ainst them for many years, under the impres-tion that they were chiefly an alcoholic mixture.

I am indebted to my friend Robert Shoemaker,

baq for the removal of this projudice by proper

and for encouragement to try them, when affering from great and long continued debility. The use of three bettles of these Bitters, at the beginning of the present year, was followed by of tent relief, and restoration to a degree of bod-y and mental vigor which I had not felt for six wonths before, and had almost despaired of re caining. I therefore thank God and my friend directing me to the use of them. Philad'a., June, 23, 1861. J. Newton Brown

PARTICULAR NOTICE.

There are many preparations sold under the name of Bitters put up in quart bottles, compounded of the cheapest whiskey or common rum, cose ng from 20 to 40 cents per gallon, the taste disguised by Anise or Coriander Seed.

This class of Bitters has caused and will continne to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influ-ence of Alcoholic Stimulants of the worst kind, the desire for Liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's life and death.

For those who desire and will have a Liquor Bitters, we publish the following receipt. Got One Bottle Hoofland's German Bitters and mix with Three Quarts of Good Braudy or Whiskey, and the result will be a preparation that will far and 14 east of Curwensville, lying in the forks of excel in medicinal virtues and true excellence the two turnpikes leading to the last named plaany of the numerous Liquor Bitters in the market and will cost much less. ATTENTION, SOLDIERS! AND THE FRIENDS OF SOLDIERS.

We call the attention of all having relations or friends in the army to the fact that "HOOFLAND'S German Bitters" will cure nine tenths of the diseases induced by exposures and privations inci-dent to camp life. In the fists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that, if these Pitters were freely used among our soldiers, hundreds of lives might be saved that otherwise will be lost. We call particular attention to the following re-

markable and well authenticated cure of one the nation's heroes, whose life, to use his own lan-guage, "has been saved by the Bitters."

PAILADELPHIA, August 23rd, 1862.

Mexers. Jones & Evans. - Well, gentlemen your Hoofland's German Bitters has saved my life. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of Circumstances of my case. I am, and have been for the last four years, a member of Sherman's celebrated battery, and under the immediate command of Capt. R. B. Ayres. Through the expo sure attendant upon my duties, I was attacked in November last with inflammation of the Jungs, and was for seventy-two days in the hospital. This was followed by great debility, heightened by an attack of dysentery. I was then removed from the White House, and sent to this city on board the Steamer "State of Maine," from which I landed on the 25th of June. Since that time I have been about as low as any one could be and still retain a spark of vitality. For a week or more I was scarcely able to swallow any thing, and if I did force a morsel down, it was immediately thrown up again.

I could not even keep a glass of water on my stemach. Life could not last under these circumstances; and, accordingly, the physicians who had been working faithfully, though unsuccessfully, to rescue me from the grasp of the dread Archer, frankly told me they could do no more for me, and advised me to see a elergyman, and to make such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Steinborn of Sixth below Arch Street, advised me, as a fortern hope, to try your Bitters, and kindly procured a bottle. From the time I commenced taking them the gloomy shadow of death receded, and I am now. thank God for it, getting better. Though I have taken but two bottles, I have gained ten pounds, and I feel sanguine of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months: for gentlemen, I am a loyal Virginian, from the vicinity of Front Royal. To your invaluable Bitters I owe the certainty of life which has taken place of vague fears—to your Bitters will I owe the glorious privilege of again clasping to my bosom those who are dearest to me in life.

Very truly yours, ISAAC MALONE. We fully concur in the truth of the above state ment, as we had despaired of seeing our comrade, Mr. Malone, restored to health.

LINDSEY'S BLOOD SEARCHER.

In renewing of my acquaintance with the many friends of my medicine, I deem it proper to caution them and the public generally against the use of an article prepared and sold by a man call-ing himself "Geo. H. Koyser, Pittsbury, Pa.," who has the impudence to call it

LINDSEY'S IMPROVED BLOOD SEARCHER, and states that it is made from my recipe, and, as if to carry out a regular game of Stop Thief, he tells the public that "there is a counterfeit in the market." to see that his name is over the cork of every bottle" &c. He also publishes the most extravagant certificate headed "A Blind Man Cured"—"A Bad Sore Leg Cured," &c. I allowed him to proceed in this way for nearly twelve months, knowing that those who had either used or sold my article would have nothing to do with his, but I found there was a number unacquainted with mine who were induced from the above statements to give his a trial The consequence was disappointment to them and injury to me, as they would at once pronounce Lindsey's Blood Searcher a humbug, without knowing that mine
