Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil, and

great Depression of Spirits. From Rev. J. Newton Brown, D. D. Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects; I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them, for many years, under the impres-sion that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bettles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bod-ily and mental vigor which I had not felt for six months before, and had almost despaired of re gaining. I therefore thank God and my friend

for directing me to the use of them. Philad'a., June, 23, 1861. J. NEWTON BROWN PARTICULAR NOTICE.

There are many preparations sold under the name of Bitters, put up in quart bottles, compounded of the cheapest whiskey or common rum. costing from 20 to 40 cents per gallon, the taste dis-guised by Anise or Coriander Seed.

This class of Bitters has caused and will continue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influ-ence of Alcoholic Stimulants of the worst kind, the desire for Liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's life and death.

For those who desire and will have a Liquor Bitters, we publish the following receipt. 'Get One Bottle Hoofland's German Bitters and mix with Three Quarts of Good Brandy or Whiskey, and the result will be a preparation that will far accel in medicinal virtues and true excellence any of the numerous Liquer Bitters in the market, and will cost much less. You will have all the virtues of Hooffand's Bitters in connection

BULKLEY'S PATENT-LUMBER DRIED BY SUPERHEATED STEAM.-The undersigned respectfully informs the people of Clear-field and adjoining counties that he has the agency of the above patent-and will sell individual, unty or township rights for its use. The lum ber dried by this process is stronger. finishes bet-ter, is easier on tools, and requires less time in drying than any other process known, drying 1 inch lumber perfectly in 36 hours better than many months under the old system using the same amount of fuel per day that a common kiln consumes. The certificate of a number of resident mechanics well known in this community is amply sufficient to convince the most sceptical of its utility. **ATTENTION, SOLDIERS !** AND THE FRIENDS OF SOLDIERS.

We call the attention of all having relations or friends in the army to the fact that "HOOFLAND'S German Bitters" will cure nine tenths of the diseases induced by exposures and privations inci-dent to camp life. In the lists, published almost daily in the newspapers, on the arrival of the alek, it will be noticed that a very large propor-tion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. Discases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise will be lost. We call particular attention to the following remarkable and well authenticated cure of one the nation's heroes, whose life, to use his own lan-

guage, "has been awved by the Bitters :" PAILADELPHIA, August 23rd, 1862. Mesars Jones & Engus. - Well, gentlemen.your Hoofland's German Bitters has saved my life There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of all the circumstances of my case. I am, and have been for the last four years, a member of Sherman's celebrated battery, and under the im-mediate command of Capt, R B. Ayres. Through the expo sure attendant upon my duties, I was attacked in November last with inflammation of the lungs, and was for seventy-two days in the hospital. This was followed by great debility, heightened by an attack of dysentery. I was then removed from the White House, and sent to this city on board the Steamer "State of Maine," from which I landed on the 28th of June. Since that time 1 have been about as low as any one could be and still retain a spark of vitality. For a week or more I was scarcely able to swallow any thing, and if I did force a morsel down, it was immediately thrown up again.

I could not even keep a glass of water on my stomach. Life could not last under these circumstances; and, accordingly, the physicians who had been working faithfully, though unsuccessfully, to rescue me from the grasp of the dread Archer, frankly told me they could do no more for me, and advised me to see a clergyman. and to make such disposition of my limited funds as best saited me. An acquaintance who visited me at the hospital. Mr. Frederick Steinborn, of Sixth below Arch Street, advised me, as a forlorn hope. to try your Bitter, and kindly procured a bottle. From the time I commenced taking them the gloomy shadow of death receded, and I am now thank God for it, getting better. Though I have taken but two bottles, I have gained ten pounds, and I feel sanguine of being permitted to rejoin we will and dearchter from whom I have my wife and daughter, from whom I have heard nothing for eighteen months for gentlemen, I am a loyal Virginian, from the vicinity of Front Royal. To your invaluable Bitters I owe the certainty of life which has taken place of vague fears -to your Bitters will I owe the glorious priviloge of again clasping to my bosom those who are dearest to me in life.

Very truly yours, ISAAC MALONE. We fully concur in the truth of the above statement, as we had despaired of seeing our comrade, Mr. Malone, restored to health.

BLOOD SEARCHER. In renewing of my acquaintance with the many friends of my medicine. I deem it proper to cau-tion them and the public, generally, against the use of an article prepared and sold by a man calling himself "Geo. H. Keyser, Pittsbury, Pa.," who has the impudence to call it

I allowed Cheap him to proceed in this way for nearly twelve months, knowing that those who had either used or sold my article would have nothing to do with his, but I found there was a number unacquainted with mine who were induced from the above Cheap statements to give his a trial The consequence was disappointment to them and injury to me. as they would at once pronounce Lindsey's Blood Searcher a humbug, without knowing that mine was the
