From Rev. J. Newton Brown, D. D. Editor of the Encyclopedia of Religious Knowledge. Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects; I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was projudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bettles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of re-gaining. I therefore thank God and my friend for directing me to the use of them. Philad'a., June, 23, 1861. J. Newton Brown.

PARTICULAR NOTICE. There are many preparations sold under the name of Bitters put up in quart bottles, compoun-ded of the cheapest whiskey or common rum, cos-ting from 20 to 40 cents per gallon, the taste dis-

guised by Anise or Coriander Seed.

This class of Bitters has caused and will continue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of Alcoholic Stimulants of the worst kind the desire for Liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's life and death.

For those who desire and will have a Liquor Bitters, we publish the following receipt. Get One Bottle Hoofland's German Bitters and mix with Three Quarts of Good Brandy or Whiskey, and the result will be a preparation that will far excel in medicinal virtues and true excellence any of the numerous Liquor Bitters in the market, and will cost much less. You will have all the virtues of Hoofland's Bitters in connection with a good article of Liquor.at a much less price than these inferior preparations will cost you.

ATTENTION, SOLDIERS !

AND THE FRIENDS OF SOLDIERS We call the attention of all having relations or friends in the army to the fact that "HOOFLAND's German Bitters" will cure nine tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's Ger-Every case of man Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of

lives might be saved that otherwise will be lost. We call particular attention to the following re-markable and well authenticated cure of one the nation's heroes, whose life, to use his own language, "has been saved by the Bitters:"

PAILADELPHIA, August 23rd. 1862.

Messrs. Jones & Evans.—Well, gentlemen.your Hoofland's German Bitters has saved my life. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case. I am, and have been for the last four years, a member of Sherman's celebrated battery, and under the im-mediate command of Capt. R. B. Ayres. Through the expo sure attendant upon my duties, I was attacked in November last with inflammation of the lungs and was for seventy-two days in the This was followed by great debility, heightened by an attack of dysentery. I was then removed from the White House, and sent to this city on board the Steamer "State of Maine," from which I landed on the 28th of June. Since that time I have been about as low as any one could be and still retain a spark of vitality. For a week or more I was scarcely able to swallow any-thing, and if I did force a morsel down, it was immediately thrown up again.

I could not even keep a glass of water on my stomach. Life could not last under these circum stances; and, accordingly, the physicians who had been working faithfully, though unsuccessfully, to rescue me from the grasp of the dread Archer, frankly told me they could do no more for me, and advised me to see a clergyman, and to make such disposition of my limited funds as An acquaintance who visited me at the hospital, Mr. Frederick Steinborn, of Sixth below Arch Street, advised me, as a fortorn hope. to try your Bitters, and kindly procured a bottle. From the time I commenced taking them the gloomy shadow of death receded, and I am now thank God for it, getting better. Though I have taken but two bottles, I have gained ten pounds. and I feel sanguine of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months: for gentlemen, I am a loyal Virginian. from the vicinity of Front Royal. To your invaluable Bitters I owe the certainty of life which has taken place of vague fears -to your Bitters will I owe the glorious privi-lege of again clasping to my bosom those who are

Very truly yours, ISAAC MALONE. We fully concur in the truth of the above state ment as we had despaired of seeing our comrade, Mr. Malone, restored to health.

LINDSEY'S BLOOD SEARCHER.

In renewing of my acquaintance with the many friends of my medicine. I deem it proper to cau-tion them and the public generally, against the ise of an article prepared and sold by a man calling himself "Geo. H. Keyser, Pittsbury, Pa.," who has the impudence to call it

LINDSEY'S IMPROVED BLOOD SEARCHER, and states that it is made from my recipe, and, as if to carry out a regular game of 'Stop Thief." he tells the public that there is a counterfeit in the market." to see that his name is over the cork of every bottle" &c. He also publishes the most extravagant certificate headed "A Blind Man Cured"-"A Bad Sore Leg Cured," &c. I allowed him to proceed in this way for nearly twelve months, knowing that those who had either used or sold my article would have nothing to do with his, but I found there was a number unacquainted with mine who were induced from the above statements to give his a trial The consequence was disappointment to them and injury to me. as they would at once pronounce Lindsey's Blood Searcher a humbug, without knowing that mane

Spavin and Ringbone may be easily prevented and cared in their incipient stages, but confirmed cases are beyoud the possibility of a radical cure. No case of the kind, however, is so desperate or hopeless but it may be alleviated by this Linment, and its faithful application will always remove the Lameness, and enable the horse to travel with comparative case.

Every Horse Owner Should have this remedy at hand, for its timely use at the first appearance of Lameness will effectually prevent those formidable diseases, to which all horses are liable, and which render so many otherwise valuable horses nearly worthless.
