**FRIENDS AND RELATIVES OF THE BRAVE SOLDIERS AND SAILORS.** HOLLOWAY'S PILLS AND OINTMENT.

All who have Friends and Relatives in the Army and Navy should take special care that they be amply supplied with these Pills and Ointment; and where the brave Soldiers and Sailors have neglected to provide themselves with this Ointment, they can be sent them by their Friends. They have been proved to be the Soldier's severally-friend in the hour of need.

**Coughs and Colds Affecting Troops,** Will be speedily relieved and effectually cured by using these admirable medicines, and by paying proper attention to the Directions which are attached to each Pot or Box.

**Sick Headache and Want of Appetite, Incidental to Soldiers,** These feelings which soadden us usually arise from trouble or annoyance, obstructed perspiration, or eating and drinking whatever is unwholesome, this disturbing the healthy action of the Liver and Stomach. These organs must be relieved, if you desire to be well. The Pills taken according to the printed instructions, will quickly produce a healthy action in both Liver and Stomach, and as a natural consequence, a clear head and good appetite.

**Weakness or Debility Induced by Over Fatigue** Will soon disappear by the use of these invaluable Pills, and the Soldier will quickly acquire additional strength. Never let the Bowels be either confined or unduly acted upon. It may seem strange, that Holloway's Pills should be recommended for the relief of a Sick Headache, but it is a great mistake, for these Pills will correct the Liver and Stomach, and thus remove all the acrid humors from the system. This medicine will give tone and vigor to the whole organic system, however debilitated, while health and strength follow as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this medicine.

**Volunteers, Attention!!!**—Indiscretions of Youth Sore and Ulcers, Blotches and Swellings, can with certainty be radically cured, if the Pills are taken at night, and morning, and the Ointment be freely used, as stated in the printed instructions. If treated in any other manner, they dry up in one part to break out in another. Whereas this Ointment will remove the humors from the system, and induce the Patient a healthy and vigorous man. It will require a little perseverance in bad cases to insure a lasting cure.

For Wounds either occasioned by the Bayonet, Sabre, or the Bullet, Sores or Bruises, To which every Soldier or Sailor are liable, there are no medicines so safe, sure, and convenient, as Holloway's Pills and Ointment. The poor wounded soldier, who is unable to move, or who has his wound dressed immediately, if he would only provide himself with this matches Ointment, which should be thrust into the wound and smeared all around it, then covered with a piece of linen from his knapsack, and secured with a handkerchief. Taking, eight or ten pills, of 5 Pills, to cool the system and prevent inflammation.

Every Soldier's Knapsack and Seaman's Chest should be provided with these valuable remedies.

**CAUTION.**—None are genuine unless the words "HOLLOWAY, NEW YORK AND LONDON," are discernible as a WATER-MARK in every leaf of the book of directions around each pot or box; the same may be plainly seen by HOLDING THE LEAF TO THE LIGHT. A handsome reward will be given to any one reporting such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

From Rev. J. Nevins Brown, D. D. Editor of the Encyclopedia of Religious Knowledge. Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects; I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation in the hope that he may thus contribute to the benefit of others.

I do this the more readily in regard to Hoofland's Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper testimony, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily vigor, which I had not enjoyed for many years before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them.

Philadelphia, June 23, 1861. J. NEWINS BROWN.

**PARTICULAR NOTICE.** There are many preparations sold under the name of Bitters put up in quart bottles, composed of the cheapest whiskey or common rum, colored with red wine, and containing the taste disguised by Anise or Coriander Seed. This class of Bitters has caused and will continue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is excited, and the individual, under the influence of Alcoholic Stimulants of the worst kind, the desire for Liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's life and death.

For those who desire and will have a Liqueur Bitters, we publish the following receipt. Get One Bottle Hoofland's German Bitters and mix with Three Quarts of Good Brandy or Whiskey, and the result will be a preparation that will far surpass any other Bitters in the market, and will cost much less. You will have all the virtues of Hoofland's Bitters in connection with a good article of Liqueur at a much less price than these inferior preparations will cost you.

**ATTENTION, SOLDIERS!** AND THE FRIENDS OF SOLDIERS. We call the attention of all having relatives or friends in the army to the fact that "HOOFLAND'S German Bitters" will cure almost all the diseases induced by exposure and privation, and tend to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of this kind can be readily cured by Hoofland's German Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives would be saved, and thousands of dollars saved to the Government.

We call particular attention to the following remarkable and well authenticated cure of one of our nation's heroes, whose life, to use his own language, "has been saved by the Bitters." Meets Jones & Evans—Well gentlemen your Hoofland's German Bitters has saved my life. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case. I am, and have been for the last four years, a member of Sherman's celebrated battery, and under the immediate command of Capt. E. B. Ayres. Through the exposure and privation which I was subjected to in November last with inflammation of the lungs, and was for seventy-two days in the hospital. This was followed by great debility, heightened by an attack of dysentery. I was then removed from the White House, and sent to this city on board the Steamer "State of Ohio," from which I landed on the 25th of June. Since that time I have been about as low as any one could be and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I did force a morsel down, it was immediately thrown up again.

I could not even keep a glass of water on my stomach. Life could not last under these circumstances; and, accordingly, the physicians who had been working faithfully, though unsuccessfully, to rescue me from the grasp of the dread Archer finally told me they could do no more for me, and advised me to see a clergyman and to make such disposition of my limited funds as I might see fit. An acquaintance who visited me at the hospital, Mr. Frederick Steinborn, of Sixth below Arch Street, advised me, as a fellow hero, to try your Bitters, and kindly procured a bottle.

From the time I commenced taking them the gloomy shadow of death receded, and I am now thank God, getting better. Though I have taken but two bottles, I have gained ten pounds, and I feel sanguine of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eight months. For God's sake, I am a loyal Virginian, from the vicinity of Front Royal. To your invaluable Bitters I owe the certainty of life which has taken place of vague fears—to your Bitters will I owe the glorious privilege of again clasping to my bosom those who are dearest to me in life.

Very truly yours, ISAAC MALONE.

We fully concur in the truth of the above statements, we had despaired of seeing our comrade, Mr. Malone, restored to health.
