#### PRIENDS AND RELATIVES OF THE BRAVE SOLDIERS AND SAILORS. HOLLOWAY'S PILLS AND OINTMENT.

All who have Friends and Relatives in the Army and Navý should take especial care that they be amply supplied with these Pills and Ointment; and where the brave Soldiers and Sailors have neglected to provide themselves with them, no becter present can be sent them by their Friends. They have been proved to be the Soldier's acverfailing friend in the hour of need

Coughs and Colds Affecting Troops, Will be specify relieved and effectually cared by using these admirable medicines, and by paying proper attention to the Directions which are attached to each Pot or Box.

Sick Hesdache and Want of Appetite, Inciden-

tal to Soldiers. These feelings which so sadden us usually arise from trouble or annoyances, obstructed perspiration, or eating and drinking whatever is unwholesome, thus disturbing the healthful action of the Liver and Stomach These organs must be reliev-ed, if you desire to be well. The P.Hs taken according to the printes, instructions, will quickly produce a healthy action in both Liver and Ston ach, and as a natural consequence, a clear head and good appetite.

Weakness or Debility Induced by Over Fatigue Will soon disappear by the use of these invalua-ble Pills, and the Soldier will quickly acquire ad-ditional strength Never let the Bowels be either confined or unduly acted upon It may seem strange, that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the Liver and Stomneh, and thus remove all the acrid humors from the system. This medicine will give tone and vigor to the whole organic system. however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this medicine. Volunteers, Attention |- Indiscretions of Youth.

Sores and Ulcers, Blotches and Swellings, can with certainty be radically cured, if the Pills are taken night and morning, and the Ointment be freely used as stated in the printed instructions. If treated in any other manner, they dry up in one part to break out in another. Whereas this Ointment will remove the humors from the system. and leave the Patient a healthy and vigorous man. It will require a little perseverance in bad cases to insure a lasting cure.

For Wounds either occasioned by the Bayonet, Sabre, or the Bullet. Sores or Bruises. To which every Soldier or Sailor are liable, there are no medicines so safe, sure, and convenient, as eases, to which all horses are liable, and Holloway's Pills and Ointment. The poor wounds which render so many otherwise valuable hor-ses nearly worthless.

History's this assumer might have his wound-dressed immediately, if he would only provide himself with this matchless 0 intment which should be thrust into the wound and smeared all around then covered with a piece of linen from knapsack and compressed with a handkerchief. Taking, night and morning, 6 or 8 Pills, to cool the system and prevent inflammation.

Every Soldier's Knapsack and Seaman's Chest should be provided with these valuable remedies. From Rev. I. Newton Brown, D. D. Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects; I you know of no the benefits he believes himself to have received. from any simple preparation in the hope that he may thus contribute to the benefit of others. I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced a-gainst them for many years, under the impres-sion that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker. Esq., for the removal of this projudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bod ily and mental vigor which I had not felt for six

months before, and had almost despaired of re-gaining. I therefore thank God and my friend

for directing me to the use of them.

There are many preparations sold under the name of Bitters put up in quart bottles, compounded of the cheapest whiskey or common rum, costing from 20 to 40 cents per gallon, the taste dis-guised by Anise or Coriander Seed.

This class of Bitters has caused and will continne to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their ass the system is kept continually under the influence of Alcoholic Stimulants of the worst kind the desire for Liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's life and death

For those who desire and will have a Liquor Bitters, we publish the following receipt. One Bottle Hoofland's German Bitters and mix with Three Quarts of Good Brandy or Whistey and the result will be a preparation that will fa excel in medicinal virtues and true excellen any of the numerous Liquor Bitters in the market, and will east much less. You will have all the virtues of Hoofland's Bitters in connection with a good article of Liquorat a much less price than these inferior preparations will cost you.

## ATTENTION, SOLDIERS!

AND THE FRIENDS OF SOLDIERS. We call the attention of all having relations or friends in the army to the fact that "Hoorgand's German Bitters' will cure nine tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proper tion are suffering from debility. Every case of that kind can be readily cured by Hoofland stierman Bitters. Diseases resulting from disorders of the digestive organs are speedity removed. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives, might be saved that otherwise will be lost.

We call particular attention to the following remarkable and well anthenticated cure of one the nation's heroes, whose life, to use his own lan-guage, has been seved by the Bitters: PARLADELPHIA, August 23rd, 1862.

Mesers Janes & Evans, -Well, gentlemen your Hoofland's German Bitters has saved my life. There is no mistake in this. It is vouched for by numbers of my contrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case. I am. and have been for the last four years, a member of Sherman's celebrated battery, and under the immediate command of Capt. R. B. Ayres. Through the expo sure attendant upon my duties. I was attacked in November last with inflammation of the lungs, and was for seventy-two days in the hospital. This was followed by great debility. heightened by an attack of dysentery. I was then removed from the White House, and sent to this city on board the Steamer "State of Maine," from which I landed on the 28th of June. Since that time I have been about as low as any one could be and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I did force a morsel down, it was

immediately thrown up again. I could not even keep a glass of water on my stomach. Life could not last under these circumstances; and, accordingly, the physicians who had been working faithfully, though unsuccessfully, to rescue me from the grasp of the drend Archer, frankly told me they could do no more for me, and advised me to see a clergyman, and | for Ladies' and Children's to make such disposition of my limited funds as best suited me. An acquaintance who visited me I wish to return my thanks at the hospital. Mr. Frederick Steinbern, of Sixth below Arch Street, advised me, as a forton hope, to try your litters, and kindly prosured a bottle From the time I commenced taking them the sloomy shadow of death receded, and I am now thank God for it, getting better. Though I have taken but two bottles, I have gained ten pounds, and I feel sanguine of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months: for gentlemen, I am a loyal Virginian. from the vicinity of Front Royal. To your invaluable Bitters I owe the cer-tainty of life which has taken place of vague lears —to your Bitters will I owe the glorious privilege of again clasping to my bosom those who are degrest to me in life

Very truly yours. ISAAC MALONE. We fully concur in the truth of the above stateent, as we had despaired of seeing our comrade, Mr. Malone, restored to health. JOHN CUDDLEBACK, 1st New York Battery.
