The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of re-gaining. I therefore thank God and my friend or directing me to the use of them.

Philad'a., June, 23, 1861. J. Nawros Brown. PARTICULAR NOTICE.

There are many preparations sold under the name of Bitters put up in quart bottles, compounded of the cheapest whiskey or common rum, costing from 20 to 40 cents per gallon, the taste dis-guised by Anise or Coriander Seed.

This class of Bitters has caused and will continne to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of Alcoholic Stimulants of the worst kind the desire for Liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's life and death.

For those who desire and will have a Liquor Bitters, we publish the following receipt. Get One Bottle Hoofland's German Bitters and mix with Three Quarts of Good Brandy or Whistey. and the result will be a preparation that will far excel in medicinal virtues and true excellence any of the numerous Liquor Bitters in the market, and will cost much less. You will have all the virtues of Hoofland's Bitters in connection with a good article of Liquor at a much less price than these inferior preparations will cost you.

ATTENTION, SOLDIERS! AND THE FRIENDS OF SOLDIERS.

We call the attention of all having relations or friends in the army to the fact that "HOPPLAND'S German Bitters' will cure nine tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's Ger-Every case of man Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that, if these Pitters were freely used among our soldiers, hundreds of lives might be saved that otherwise will be lost. We call particular attention to the following re-markable and well authenticated cure of one the nation's heroes, whose life, to use his own language, "has been saved by the Bitters: PAILADELPHIA, August 23rd, 1862.

Messes, Jones & Evans.—Well, gentlemen.your Hoofland's German Bitters has saved my life. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case. I am. and have been for the last four years, a member of Sherman's celebrated battery, and under the immediate command of Capt. R. B. Ayres. Through the expo sure attendant upon my duties. I was attacked in November last with inflammation of the lungs, and was for seventy two days in the hospital. This was followed by great debility. heightened by an attack of dysentery. I wasthen removed from the White House, and sent to this city on board the Steamer "State of Maine," from which I landed on the 25th of June. Since that time I have been about as low as any one could be and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I did force a morsel down, it was

immediately thrown up again. I could not even keep a glass of water on my stomach. Life could not last under these circumstances; and, accordingly, the physicians who had been working faithfully, though unsuccessfully, to resone me from the grasp of the dread Archer, frankly told me they could do no more for me, and advised me to see a clergyman, and to make such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital. Mr. Frederick Steinborn, of Sixth below Arch Street, advised me, as a forlorn hope, to try your Bitters, and kindly procured a bottle. From the time I commenced taking them the gloomy shadow of death receded, and I am now thank God for it. getting better. Though 1 have taken but two bottles. I have gained ten pounds, and I feel sanguine of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months: for gentlemen. I am a loyal Virginian, from the vicinity of Front Royal. To your invaluable Bitters I owe the cer-tainty of life which has taken place of vague fears -to your Bitters will I owe the glorious privilege of again clasping to my bosom those who are dearest to me in life.

Very truly yours. ISAAC MALONE. We fully concur in the truth of the above statement as we had despaired of seeing our comrade, Mr. Malone, restored to health.
