THE CLEARFIELD COUNTY FAIR .- The third Annual Exhibition of the Clearfield County Agricultural Society was held last week. The exhibition of Agricultural products, and of manufactured articles, was not near so large as on former occasions, yet it was creditable. The Fancy department, and the department embracing preserves, jellies, etc., was largely represented, and the ladies deserve much credit for their efforts in making the exhibition one of instruction as well as of interest. The grain on exhibition was good, and many of the vegetables were among the finest we have ever seen. There was a large display of cattle, former exhibitions, and much interest was manifested in the fast trotting and pacing done was much larger than was auticipated, and, upon the whole, we consider the Fair an

Patlabelphia, August 23rd, 1862. Messrs, Janes & Evans.—Well, gentiemen your Hoofland's German Bitters has saved my life. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose name ere appended, and who were fully cognizant of have been for the last four years, a member of Sherman's celebrated battery, and under the im-mediate command of Capt. H. B. Ayres. Through the expo sure attendant upon my duties, I wa atracked in November last with inflammation of the langs, and was for seventy-two days in the This was followed by great debility. reightened by an attack of dysentery. I was then removed from the White House, and sent to thi rity on board the Steumer "State of Maine," from which I lunded on the 28th of June. Since that time I have been about as low as any one coufit be and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I did force a morsel down, it was immediately thrown up again. I could not even keep a glass of water on my

stomach. Life could not last under these circumstances; and, accordingly, the physicians who had been working faithfully, though unsuccessfully, to resent me from the grasp of the dread Archer, frankly told me they could do no more for me, and advised me to see a clergyman, and to make such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Steinborn, of Sixth below Arch Street, advised me, as a ferforn hope, to try your Bitters, and kindly procured a bottle From the time I commenced taking them the gloomy shadow of death recoded, and I am now thank God for it, getting better. Though I have taken but two bottles, I have gained ten pounds, and I feel singuine of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months: for, gentlemen, I am a loyal Virginian, from the vicinity of Front Royal. To your invaluable Bitters I owe the cer-tainty of life which has taken place of vague fears -to your Bitters will I owe the glorious privilege of again clasping to my bosom those who are dearest to me in life. Very truly yours, TRAAC MALONE.

We fully concar in the truth of the above statement as we had despaired of seeing our comrade, Mr. Malone, restored to health. JOHN CUMBLEBACK, 1st New York Battery.
