Letter from Philipsburg, Pa.

PHILIPSBURG PENN'A, DEC. 7th, 1863. DEAR JOURNAL :- That this Alpine village is making rapid strides towards perfection, can no longer be doubted, when it is known to all the resident inhabitants of this vicinity, that "we the people" of thimpsburg have adopted for our motto "Knowledge is power." will be preaching in the Presbyterian Church Think for a moment, ye departed spirits of Plato, Lycurgus, Solon, Cato, Socrates, and many more, whose names are handed down from former generations, as the learned men of their time, to the little longer when your names will give way to the bright intellects now drinking deep of the pure crystal fount-ain of knowledge, in this classic town.

If the rail-road is a civilizer; it is certainly an intellectualizer, too; especially the T. & C. R. R. As a positive proof of this we have it demonstrated, beyond contradiction, in our midst. "Young America" is now being taught his "ideas how to shoot" at three select temples of knowledge in our town. No longer do we allow our sons and daughters to march through the long, duil, dreary monotonous Free Scho a System of the Old Keystone. Far from it, we are a progressive people; can not think of graduating the future greatness of Philipsburg's literati at a common school. We, the people "expect ere long to have a school room in each of our houses, and a governess to teach our children the rudiments of knowledge, and to graduate with a "sheepskin" tions-hence, you must excuse us for omitting before they are out of short clothes. But, it seems, that rectors have vetoed such system, and closed the free schools; thereby compelling the sons and daughters of those parents, who have not the "greenbacks," to go uneducated. I can not imagine why they have done so-there can not be any good reason for it. The School Treasury must be overflowing with money, for our school tax is as high as formerly, when our schools were open the whole year. It can not be for want of procuring qualified teachers, for there are three talented and classic educated ladies teaching select schools here now. I am certain that the parents of school-going children would gladly pay their tax if the directors had employed those ladies to teach our common schools; though they should have to pay them a large salary, and grade the schools; it is certainly much better to pay large salaries and employ good teachers, than small salaries and bad teachers. It is certainly a great wrong, that those children, whose parents can not afford to pay their tuition at the select schools, should be deprived of schooling this winter. I hope the Directors will cause the common schools to be opened without delay, and above all other ifs, buts posed by some to be the work of an incendi- or considerations, employ good teachers. ### HOSTETTERS CELEBRATED STOMACH BITTERS.

A pure and powerful Tonic, Corrective and Alterative of wonderful efficacy in disease of the

Stomach, Liver and Bowels. Cures, Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness. Depression of

Spirits, Constipation, Colic, Intermittent Fevers, Cramps and Spasms, and all Complaints of either Sex. arising from Bodily Weakness whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of Hostetter's Stomach Bitters. This popular preparation contains no mineral of any kind, no deadly botanical element; no fiery excitant; but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be forearmed against disease. and,

so far as the human system can be protected by human means against maladies engendered by an

under apprehension of on attack escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being plied with quinine for months in vain until fairly satured with that dangerous alkaloid, are not unfrequently restored to health within a few days by the use of Hostetter's Betters.

The weak stomach is rapidly invigorated an the appetite restored by this agreeable Tonic, and hence it works wonders in cases of Dispepsia and in less confirmed forms of Indigestion Acting as a gentle and painless appearent, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the di-

gestive and secretive organs.

Persons of feeble habit, liable to Nervous Attacks, Lowness of Spirits and Fits of Languor.find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive,

The agony of Billious Colic is immediately as-suaged by a single dose of the stimulent, and by occasionally resorting to it, the return of the com

plaint may be prevented.

As a General Tonic, Hostetter's Bitters produce effects which must be experienced or witnessed before they can be fully appreciated. In eases of Constitutional Weakness, Premature Decay and Debility and Decrepitude arising from Old Age. it exercises the electric influence. In the conva-lescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re-enforce and re-establish them.

Last, but not least, it is the only safe Stimulent. being manufactured from sound and innocuous materials, and entirely free from the seid elements present more or less in all the ordinary

tonics and stomachies of the day.

The immense increase in the sale of Hostetter's Bitters, both at home and abroad, during the past year proves that the world, while it obeys the Scriptural injunction to "try all things," only "Holds fast to that which is good." Spurious preparations, like poisonous fungi, are continually springing up. but their character is soon dis-covered, and they are "flung like worthless weeds away." On the other hand, a great antidote that performs all it promises, and even more than its proprietors claimed for it on its introduction, is not for a day, but for all time."

No family medicine has been so universally and. it may be truly added, deservedly popular with the intelligent portion of the community, as Hos-

From Rev. J. Newton Brown, D. D. Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general through distrust of their ingredients and effects. I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation in the hope that he may thus contribute to the benefit of others. I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bettles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despuired of re-gaining. I therefore thank God and my friend for directing me to the use of them.

Philad'a., June, 23, 1861. J. Newton Brown. PARTICULAR NOTICE.

There are many preparations sold under the nam or Bitters put up in quart bottles compoun-ded of the cheapest whiskey or common rum, cos-ting from 20 to 40 cents per gallon, the taste dis guised by Anise or Coriander Seed.

This class of Bitters has caused and will continne to cause as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influ-ence of Alcoholic Stimulants of the worst kind the desire for Liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's life and death.

For those who desire and will have a Liquer Bitters, we publish the following receipt. Get One Bottle Hoofland's German Bitters and mix with Three Quarts of Good Brandy or Whiskey and the result will be a preparation that will far excel in medicinal virtues and true excellence any of the numerous Liquor Bitters in the mark-et, and will cost much less. You will have all the virtues of Hoofland's Bitters in connection with a good article of Liquor.at a much less price than these inferior preparations will cost you.

#### ATTENTION, SOLDIERS! AND THE FRIENDS OF SOLDIERS.

We call the attention of all having relations or riends in the army to the fact that "Hooft AND's German Bitters" will cure nine tenths of the dis-eases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that, if these Fitters were freely used among our soldiers, hundreds of lives might be saved that otherwise will be lost. We call particular attention to the following remarkable and well authenticated cure of one nation's heroes, whose life, to use his own language, "has been saved by the Bitters: "

PAILADELPHIA, August 23rd. 1862. Messrs Jones & Evans .- Well, gentlemen your Hoofland's German Bitters has saved my life. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case. I am. and have been for the last four years, a member of Sherman's celebrated battery, and under the im-mediate command of Capt. R. B. Ayres. Through the expo sure attendant upon my duties, I was attacked in November last with inflammation of the lungs, and was for seventy-two days in the hospital. This was followed by great debility. heightened by an attack of dysentery. I was then removed from the White House, and sent to this city on board the Steamer "State of Maine." from which I landed on the 28th of June. Since that time I have been about as low as any one could be and still retain a spark of vitality. week or more I was scarcely able to swallow any thing, and if I did force a morsel down, it was

immediately thrown up again. I could not even keep a glass of water on my stomach. Life could not last under these circumstances; and, accordingly, the physicians who had been working faithfully, though unsuccessfully, to rescue me from the grasp of the dread Archer, frankly told me they could do no more for me, and advised me to see a clergyman, and to make such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Steinborn, of Sixth below Arch Street, advised me, as a forlorn hope, to try your Bitters, and kindly procured a bottle From the time I commenced taking them the gloomy shadow of death receded, and I am now thank God for it. getting better. Though I have taken but two bottles. I have gained ten pounds. and I feel sanguine of being permitted to 47 my wife and daughter from whom I have heard nothing for eighteen months: for gentlemen, I am a loyal Virginian, from the vicinity of Front Royal. To your invaluable Bitters I owe the cer-tainty of life which has taken place of vague fears -to your Bitters will I owe the glorious privilege of again clasping to my bosom those who are

dearest to me in life. Very truly yours, ISAAC MALONE. We fully concur in the truth of the above statement as we had despaired of seeing our comrade, Mr. Malone, restored to health.
