CLEARFIELD, DEC. 9, 1863.

A laughable incident is related of a jealous woman, at Lewistown, Maine, who went into an auction room the other day, and saw, as she supposed, her husband very familiarly sitting beside a young lady. Stepping up softly, she seized a head in each hand and pounded them together a number of times in a great rage. Her surprise may be imagined when she found that the innocent stranger was not her "worser half." She apologized and passed on amid the laughter and merriment of the crowd.

A poor son of the Emerald Isle applied for employment to an avaricious old hunk, who told him that he should employ no more Irishmen, "for the last one died on my hands, and I was forced to bury him at my own charges." "Ah, yer honor," said Pat, brightening up, "and is that all? Then you'll give me the place, for sure I can get a certificate that I never died in the employ of any master I iver served ?"

RUBAL SIMPLICITY :- During the flight of Professor King's balloon on the 14th ult., from Bangor East, it passed over the clearing of a settler who does not take the newspapers. The flock of children round the floor spied the monster booming on, and alarmed the mother, who, rushing to the door, screamed out, "Come in. children, it's one of Jeff. Davis's bomb-shells." This is a fact .- Calais Herald.

A countryman once brought a piece of board to an artist, with the request that he would paint upon it St. Christopher as large as life. "But," returned the artist, "that board is much too small for that purpose." The countryman looked perplexed at this onexpected discovery. "That's a bad job," said he: "but look'ee, sir, ye can let his feet hang down over the edge of the board."

A lawyer was once pleading a case in Court before the full bench. The chief justice whispered in his neighbor's ear, but loud enough to be heard by others, "I'll wager he lies." The lawyer, not in the least disconcerted, drew his purse from his pocket, and laying it on the bar, exclaimed: "Put down your money-I take the bet!"

Somebody who knows says, that when two or more women, approaching you on a narrow walk, fall behind each other to enable you to pass, you may be sure they are ladies of uncommon politeness and consideration. The usual course pursued by women is to charge along all abreast, sweeping everybody into

"Can you hexplain the meaning of those French words that are hissing from that heagle's mouth ?" asked a John Bull looking at an American standard, of a Yankee sattor. "Why, douse my toplights, where did you go to school ?" replied Jack. "I thought everybody knew-We're all flying to glory !"

We heard a good story the other night of two persons engaged in a duel. At the first fire, one of the seconds proposed that they should shake hands and make it up. The other second said he saw no particular necessity for that, for their hands had been shaking ever since they began!

An old Butchman, who was elected a member of the Legislature, said in his broken English style, "Ven I vent to the lechislature I thought I would find dem all Solomons dere, but I soon found dere was some as pig fool dere as I was."

Why is a Secesh house occupied by Union troops like the copyright of a book? Ans .because it is entered according to the act of Congress.

The lum-ber dried by this process is stronger, finishes better, is easier on tools, and requires less time in drying than any other process known, drying I inch lumber perfectly in 36 hours better than many months under the old system using the same amount of fuel per day that a common kiln consumes. The certificate of a number of resident mechanics well known in this community is amply sufficient to convince the most sceptical of its utility. FRIENDS AND RELATIVES OF THE BRAVE SOLDIERS AND SAILORS. HOLLOWAY'S

PILLS AND OINTMENT. All who have Friends and Relatives in the Army and Navy should take especial care that they be amply supplied with these Pills and Ointment; and where the brave Soldiers and Sailors have neglected to provide themselves with them, no better present can be sent them by their Friends. They have been proved to be the Soldier's neverfailing friend in the hour of need.

Coughs and Colds Affecting Troops, Will be speedily relieved and effectually cured by using these admirable medicines, and by paying proper attention to the Directions which are attached to each Pot or Box.

Sick Headache and Want of Appetite, Incidental to Soldiers. These feelings which so sadden us usually arise from trouble or annoyances, obstructed perspira-tion, or eating and drinking whatever is unwhole-some, thus disturbing the healthful action of the Liver and Stomach. These organs must be relieved, if you desire to be well. The Pills taken according to the printed instructions, will quickly produce a healthy action in both Liver and Stomach, and as a natural consequence, a clear head and good appetite.

Weakness or Debility Induced by Over Fatigue Will soon disappear by the use of these invaluable Pills, and the Soldier will quickly acquire additional strength Never let the Bowels be either confined or unduly acted upon. It may seem strange, that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for these Pills will correct the Liver and Stomach, and thus remove all the acrid humors from the system. This medicine will give tone and vigor to the whole organic system, however deranged, while health and strength fol-low as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this medicine. Volunteers, Attention !- Indiscretions of Youth. Sores and Ulcers, Blotches and Swellings, can with certainty be radically cured, if the Pills are taken night and morning, and the Ointment be freely used as stated in the printed instructions. If treated in any other manner, they dry up in one part to break out in another. Whereas this Ointment will remove the humors from the system. and leave the Patient a healthy and vigorous man. It will require a little perseverance in bad cases

For Wounds either occasioned by the Bayonet, Sabre, or the Bullet, Sores or Bruises, To which every Soldier or Sailor are liable, there are no medicines so safe, sure, and convenient, as Holloway's Pills and Ointment. The poor wounds ed and almost dying sufferer might have his wounddressed immediately, if he would only provide himself with this matchlessOintment, which should be thrust into the wound and smeared all around it then covered with a piece of linen from his knapsack and compressed with a handkerchief. Taking, night and morning, 6 or 8 Pills, to cool

the system and prevent inflammation.

Every Soldier's Knapsack and Seaman's Chest should be provided with these valuable remedies. CAUTION .- None are genuine unless the words "Holloway, New York and London," are discernable as a WATER-MARK in every leaf of the book of directions around each pot or box; the same may be plainly seen by HOLDING THE LEAF TO THE LIGHT A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counter-feiting the medicines or vending the same, knowing them to be spurious.
