Seriously Wounded!! All the Merchants in the neighborhood of Curwensville, because I have brought on and opened a large and well assorted stock of NEW GOODS, which I am selling at extremely low prices for cash. My stock embraces all the variety usually kept in a country store, and selected with an eye to suit these WARTIMES. I will not, here attempt to enumerate all the articles I keep, and their fabulously low prices—which I might do—but after you will have seen and examined for yourself, you will exclaim, in the language of the Queen of the South "HALF HAS NOT BEEN TOLD." I will merely say, come and see for yourself, for I feel satisfied that I can suit your tastes as well as your purses. Lumber and all kinds of produce also taken in exchange for goods. Curwensville, Oct. 22, 1862. J. F. IRVIN.

BULKLEY'S PATENT—LUMBER DRIED BY SUPERHEATED STEAM.—The undersigned respectfully informs the people of Clearfield and adjoining counties that he has the agency of the above patent—and will sell individual county or township rights for its use. The lumber dried by this process is stronger, finishes better, is easier on tools, and requires less time in drying than any other process. It is drying 1 inch lumber perfectly in 35 hours better than many months under the old system using the same amount of fuel per day that a common kiln consumes. The certificate of a number of resident mechanics in adjoining counties that he has the agency is sufficient to convince the most sceptical of its utility. Persons desirous of purchasing rights will address JOHN L. CUTLER, Clearfield, Penn'a. June 21, 1863.

FRIENDS AND RELATIVES OF THE BRAVE SOLDIERS AND SAILORS. HOLLOWAY'S PILLS AND OINTMENT. All who have Friends and Relatives in the Army and Navy should take especial care that they be amply supplied with these Pills and Ointment; and where the brave Soldiers and Sailors have neglected to provide themselves with them, no better present can be sent by their Friends. They have been proved to be the Soldier's severing friend in the hour of need.

Coughs and Colds Affecting Troops. Will be speedily relieved and effectually cured by using these admirable medicines, and by paying proper attention to the Directions which are attached to each Pot or Box.

Sick Headache and Want of Appetite, Incidental to Soldiers. These feelings which so sadden us usually arise from trouble or annoyances, obstructed perspiration, or eating and drinking whatever is unwholesome, thus disturbing the healthful action of the system. But if you desire to be well, then acquire according to the printed instructions, which will quickly produce a healthy action in both Liver and Stomach, and as a natural consequence, a clear head and good appetite.

Weakness or Debility Induced by Over Fatigue Will soon disappear by the use of these invaluable Pills, and the Soldier will acquire additional strength. Never let the Bowels be either confined or unduly acted upon. It may seem strange, that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the inflammation. This is a great mistake, for these Pills will correct the Liver and Stomach, and thus remove all the acrid humors from the system. This medicine will give tone and vigor to the whole organic system, however deranged, while health and strength follow as a matter of course. Nothing will stop the relaxation of the Bowels so sure as this medicine.

Volunteers, Attention!—Indiscretions of Youth. Sores and Ulcers, Blisters and Swellings, can with certainty be radically cured, if the Pills are taken night and morning, and the Ointment be freely used as directed in the printed instructions. If treated in any other manner, they dry up in one part to break out in another. Whereas this Ointment will remove the humors from the system, and leave the Patient a healthy and vigorous man. It will require a little perseverance in bad cases to insure a lasting cure.

For Wounds either occasioned by the Bayonet, Sabre, or the Bullet, Sores or Bruises. To which every Soldier or Sailor are liable, there are no medicines so safe, sure, and convenient, as Holloway's Pills and Ointment. The poor wounded and almost dying sufferer might have his wound dressed immediately, if he would only provide himself with this matchless Ointment, which should be thrust into the wound and smeared all around it, then covered with a piece of linen from his knapsack, and kept cool with a handkerchief. Taking, night and morning, 6 or 8 Pills, to cool the system and prevent inflammation.

Every Soldier's Knapsack and Seaman's Chest should be provided with these valuable remedies. CAUTION.—None are genuine unless the words "HOLLOWAY'S PILLS AND OINTMENT" are discernible as a WATER-MARK in every leaf of the book of directions around each pot or box; the same may be plainly seen by HOLDING THE LEAF TO THE LIGHT. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

Directions for the guidance of patient in every disorder are affixed to each box. New York, January 7, 1863.
