HOSTETTER'S CELEBRATED STOMACH BITTERS.

A pure and powerful Tonic, Corrective and Alterative of wonderful efficacy in disease of the Stomach, Liver and Bowels.

Cures, Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittent Fevers, Cramps and Spasms, and all Complaints of either sex, arising from Bodily Weakness whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of Hostetter's Stomach Bitters. This popular preparation contains no mineral of any kind, no acridly bituminous element, no fiery stimulant; but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be forearmed against disease, and so active and powerful in its action, that it is a human means against maladies engendered by an unwholesome atmosphere, impure water and other external causes. Hostetter's Bitters may be relied on as a safeguard.

In its action it has been found to be infallible as a preventive and irrefragable as a remedy and thousands who resort to it under apprehension of an attack escape the scourge; and thousands who neglect to avail themselves of its protection in advance, are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being pined with quinine for months in vain, until fairly saturated with that dangerous alkali, are not infrequently restored to health within a few days by the use of Hostetter's Bitters.

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic and hence it works wonders in cases of Dyspepsia and all its attendant forms. Acting as a gentle and painless aperient, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the digestive and secretory organs.

Persons of feeble habit, liable to Nervous Attacks, Lowness of Spirits and Fits of Langor, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from best sources.

The agony of Bilious Colic is immediately assuaged by a single dose of the stimulant, and by occasionally resorting to it the return of the complaint may be prevented.

From the use of Hostetter's Bitters produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, Premature Decay and Debility and Decrepitude arising from Old Age, the increase of the power of Digestion and the earliest stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re-energize and re-establish the system.

Last, but not least, it is the only safe Stimulant, being manufactured from sound and innocuous materials, and entirely free from the acid elements present more or less in all the ordinary tonics and stomachics of the day.

The immense increase in the sale of Hostetter's Bitters, both at home and abroad, during the past year proves that the world, while it obeys the Scriptural injunction to "try all things, only hold fast that which is good." Superior preparations, like poisonous fungi, are continually springing up, but their character is soon discovered, and they are "bung like worthless weeds away."

On the other hand, a great antidote that holds all its promises, and even more than its proprietors claimed for it on its introduction, is "not for a day, but for all time."

No family medicine has been so universally and so truly fulfilled, as deservedly popular with the intelligent portion of the community, as Hostetter's Bitters.

Prepared by HOSTETTER & SMITH, Pittsburg, Pa. Sold by all Druggists, Grocers and Storekeepers everywhere. Nov. 16, 1863, 1 yr.

BULKLEY'S PATENT—LUMBER DRIED BY SUPERHEATED STEAM.

The undersigned respectfully informs the people of Clearfield and adjoining counties that he has the agency of the above patent, for the individual county or township rights for its use. The lumber dried by this process is stronger, finishes better, is easier on tools, and requires less time in drying, than any other process known, drying 1 inch lumber perfectly in 48 hours better than many months under the old system using the same amount of fuel per day that a common kiln consumes. The certificate of a number of resident mechanics well known in this community is amply sufficient to convince the most skeptical of its utility. Persons desirous of purchasing rights will address JOHN L. CUTLER, June 24, 1863, Clearfield, Penn'a.

FRIENDS AND RELATIVES OF THE BRAVE SOLDIERS AND SAILORS.

HOLLOWAY'S PILLS AND OINTMENT. All who have Friends and Relatives in the Army and Navy should take especial care that they be amply supplied with these Pills and Ointment; and when the brave Soldiers and Sailors are neglected to provide themselves with them, no better present can be sent them by their Friends. They have been proved to be the Soldier's ever-faithful friend in the hour of need.

Coughs and Colds Affecting Troops, Will be speedily relieved and effectually cured by using these admirable medicines, and by paying attention to the directions which are attached to each Pot or Box.

Sick Headache and Want of Appetite, Incidental to Soldiers. These feelings which so sadden us usually arise from trouble or annoyance, obstructed perspiration, or eating and drinking whatever is unwholesome, thus disturbing the healthy action of the Liver and Stomach. These organs must be relieved, if you desire to be well. The Pills taken according to the printed instructions, will quickly produce a healthy action, and a clear head, good appetite and good spirits.

Weakness or Debility Induced by Over Fatigue Will soon disappear by the use of these invaluable Pills, and the Soldier will quickly acquire additional strength. Never let the Bowels be either confined or uncleanly acted upon. It may seem strange, that Holloway's Pills should be recommended for Dysentery and Flux, many persons supposing that they would increase the relaxation. This is a great mistake, for the Pills correct the Liver and Stomach, and thus remove the aerial humors from the system. This medicine will give tone and vigor to the whole organic system, however deranged, while health and strength follow, and the patient will be enabled to stop the relaxation of the Bowels so sure as his medicine. Voluntary, Attention! Indications of Youth. Sores and Ulcers, Blisters and Swellings, can with certainty be radically cured, if the Pills are taken night and morning, and the Ointment be freely used as stated in the printed instructions. If treated in this manner, the patient may in one part to break out in another. Whereas the Ointment will remove the humors from the system, and leave the Patient a healthy and vigorous man. It will require a little perseverance in bad cases to insure a lasting cure.

For Wounds either occasioned by the Bayonet, Sabre, or the Bullet, Sores or Bruises. To which every Soldier or Sailor are liable, there are no medicines so safe, sure, and convenient, as Holloway's Pills and Ointment. The poor wounded and almost dying sufferer might be his own doctor, and almost immediately, if he would only provide himself with this matchless Ointment, which should be thrust into the wound and smeared all around it, then covered with a piece of linen from his knapsack, and the patient will be enabled to walk, taking, night and morning, 6 or 8 Pills, to cool the system and prevent inflammation.

Every Soldier's Knapsack and Seaman's Chest should be provided with these valuable remedies. CAUTION.—None are genuine unless the words "HOLLOWAY, NEW YORK AND LONDON," are discernible as a WATER-MARK in every leaf of the book of directions around each pot or box; the same may be plainly seen by HOLDING THE LEAF TO THE LIGHT.—A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

\*Sold at the manufactory of Professor HOLLOWAY, 50 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicines, throughout the civilized world, in boxes at 25 cents, 52 cents, and \$1 each.

\*A considerable saving by taking the larger sizes. N. B.—Directions for the guidance of patient in every disorder are affixed to each box.

NEW YORK, JANUARY 1852. \*Dealers in my well known medicines can have Show Cards, Circulars, &c. sent them, FREE OF EXPENSE, by addressing Thomas Holloway, 50 Maiden Lane, New York. Jan 7, 1863, y.
