ADMITTED .- We neglected to notice the fact that James M. Galloway was admitted to the bar at the recent term of our Court. Mr. Galloway is possessed of a good educa-tion, of strict business habits, and is not a good counsellor. We wish him success in his new calling.

THE WEATHER.-We had quite a change in the weather, in this region, within the last ten days. Begining of last week it was cold, with a considerable quantity of snow and ice on the ground; but on Friday evening the air became quite warm, and during the night most of the snow melted. At present the ground is bare and the roads getting quite muddy, much to the discomfiture of our lumbermen, as it retards their operations very much.

sumcleat reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation in the hope that he may thus contribute to the benefit of others. I do this the more readily in regard to Heof-land's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced a-gainst them for many years, under the impres-sion that they were chieffy an alcoholic mixture. I am indebted to my friend Bohert Shoemaker I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of re gaining. I therefore thank God and my friend or directing me to the use of them.

Philad'a., June, 23, 1861. J. Newton BROWN.

#### PARTICULAR NOTICE.

There are many preparations sold under the nam of Bitters put up in quart bottles, compoun-ded of the cheapest whiskey or common rum, cos-ting from 20 to 40 cents per gallon, the taste dis guised by Anisa or Corlander Seed. This class of Bitters has caused and will contin-

ue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influ-ence of Alcoholic Stimulants of the worst kind the desire for Liquor is created and kept up, and the result is all the horrors attendant upon a drunk-

ard's life and death. For those who desire and will have a Liquor Bitters, we publish the following receipt. Get One Bottle Hoofland's German Bitters and mix with Three Quarts of Good Brandy or Whiskey. and the result will be a preparation that will far excel in medicinal virtues and true excellence any of the numerous Liquor Bitters in the market, and will cost much less. You will have all the virtues of Hoofland's Bitters in connection with a good article of Liquor, at a much less price than these inferior preparations will cost you.

The cost of coin, in addition to the interest, would not be less than one million a year for many years to come, for the present suspension cannot be recovered rom, in our judgment, for ten years, if even so soon as that. We are glad, therefore, that Gov. Cartin advises a resort to currenor before the State is exhausted. By this means we can resume much earlier than if we allowed our coin to be abstracted in a fruitless effort to keep up specie payments. We might do so for a year or two, but suscannot be accepted too soon.

While walking through the streets of Curwensville. my attention was drawn to a vast crowd of people passing and repassing. 50 each and all with an immense load of merchan dise; and there meeting an acquaintance, I made Kr the inquiry "What does this mean." The answer was "Have you not been at the cheap Store of J. D. Thompson," who has just come from the East with the largest stock of goods offered to the community at lower figures than any other house in the country, "My advice to you is to call and see for yourself" and then exclaim "The half was not told me."

We have no besitation in stating that, if these Bitters were freely used among our soldiers, hundreds of lives might be saved that otherwise will be lost. We call particular attention to the following re-markable and well authenticated cure of one the uation's heroes, whose life, to use his own language, . has been saved by the Bitters :

PAILADELPHIA, August 23rd, 1862.

Jones & Evans .- Well, gentlemen.your Messrs. Hoofland's German Bitters has saved my life. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case. I am. and have been for the last four years, a member of Sherman's celebrated battery, and under the immediate command of Capt. R B. Ayres. Through the expo sure attendant upon my duties. I was attacked in November last with inflammation of the lungs and was for seventy-two days in the hospital. This was followed by great debility. heightened by an attack of dysentery. I was then removed from the White House and sent to this city on board the Steamer "State of Maine," from which I landed on the 25th of June. Since that time I have been about as low as any one could be and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I did force a morsel down, it was immediately thrown up again.

I could not even keep a glass of water on my stomach. Life could not last under these circumstances; and, accordingly, the physicians who had been working faithfully, though unsuccessfully to rescue me from the grasp of the dread Archer, frankly told me they could do no more for me, and advised me to see a clergyman, and to make such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Steinborn, of Sixth below Arch Street, advised me, as a forlorn hope. to try your litters, and kindly procured a bottle From the time I commenced taking them the gloomy shadow of death receded, and I am now thank God for it. getting better. Though I have taken but two bottles. I have gained ten pounds, and I feel sanguine of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months: for. gentlemen, I am a loyal Virginian, from the vicinity of Front Royal. To your invaluable Bitters I owe the cer-tainty of life which has taken place of vague fears -to your Bitters will I owe the glorious privilege of again clasping to my bosom those who are dearest to me in life. Very truly yours. ISAAC MALONE.

We fully concur in the truth of the above statement.as we had despaired of seeing our comrade, Mr. Malone, restored to health.
