HOSTETTER.S

STOMACH BITTERS A pure and powerful Tonic, Corrective and

Alterative of wonderful efficacy in disease of the Stomach, Liver and Bowels.

Cures, Dyspepsia, Liver Complaint, Headache. General Debility, Nervousness, Depression of Spirits. Constipation, Colic. Intermittent Fevers, Cramps and Spasms, and all Complaints of either Sex, arising from Bodily Weakness whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and re eterative in its nature enters into the composition of Hostetter's Stomach Bitters. This popular preparation contains no unneral of any kind, no deadly botanical element; no flery excitant; but it is a combination of the extracts of care balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be forea-med against disease, and.

so far as the human system can be protected by human means against maladies engendered by an unwholesome atmosphere, impure water and other external causes. Hostetter's Bitters may be re-

lied on as a safeguard. In districts infested with Fever and Ague, it has been found infallible as a preventive and irresistible as a remedy and thousands who resort to it under apprehension of on attack escape the scourge; and thousands who neglect to avail themselves of its projective qualities in advance are cured by a very brief course of this marvelous medicine. Fever and Ague patients, after being plied with quinine for months in vain until fairly satured with that dangerous alkaloid, are not unfrequently restored to health within a few days by the use of Hastetter's Bitters.

The weak stomach is rapidly invigorated an the appetite restored by this agreeable Tonic and hence it works wonders in cases of Dispepsia and in less confirmed forms of Indigestion Acting as a gentle and painless apperient, as well as upon the liver. it also invariably relieves the Constipation superinduced by irregular action of the digestive and secretive organs.

Persons of feeble habit, liable to Nervous At-tacks, Lowness of Spirits and Fits of Languor find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive. and from both sexes. The agony of Billious Colic is immediately as-
