Baftsman's Journal.

CLEARFIELD, PA., MAR. 9, 1864.

On our first page will be found a letter from a friend now at Hilton Head.

We learn that Major John Irvin and Capt. William Holden are home on a visit to their friends.

Those about purchasing Carpetings, etc.. will please bear in mind that Mr. J. T. Delacroix, 37 South 2d street, Phil'a, has a large stock of these Goods in Store. Read advertisement in this issue.

SERGEANT JOHN NORRIS.-This gentleman gave us a call on last Monday. John belongs to the old Bucktails, and is stout and hearty, and is a noble looking soldier. He has re-enlisted. Success to him.

Our member of Congress, Hon. G. W. Scofield, made a speech in the House on the 24th ult., on the bill to establish a Bureau for Freedmen. It is highly commended by the Washington Chronicle, and several correspondents.

Our friend, Lieut. Elliot Kratzer, of the 1st Penn'a Rifles, called on us on Tuesday. He looks remarkably well, and maintains his former martial appearance. Long may he live to enjoy the blessings of kind and appreciating friends.

THE BOYS OF THE SATH.-We had the pleasure of extending a friendly hand to Sergt, W. A. Nelson, one day last week. He has re-enlisted, and returns to the army as soon as his thirty days furlough expires. We tender him our best wishes for his future welfare.

RAFTING, ECT.—The weather being very pleasant on Monday last, rafting in was commenced along the beach adjoining this place. The snow that had fallen last week has mostly disappeared under the rays of a warm sun. The river is still too low for running, and it is rather doubtful if snow sufficient remains in the forcests to raise the river to a rafting stage. Copious rains, however, may bring about that desired result in a short time.

To VOLUNTEERS. -By reference to our new advertisements, the reader will find that the Commissioners of Clearfield county have offered a bounty of \$200, in addition to the Government bounty, to all who will enlist to the credit of Clearfield county. Those who desire to volunteer have now the opportunity of doing so. Call without delay upon the Commissioner's Clerk, who will be pleased to communicate any farther information that | tirely new regiment that will be erganized.

A HINT TO FARMERS.—The following hint, published farther west, is just as applicable here. There are three things easily raised and harvested for which the farmers may depend upon it, there will be an enormous demand and high prices paid during the war. We refer to potatoes, beans and onions. The farmers could not do a better thing for themselves and their country than to plant these vegetables very extensively. If it appears, as the Spring advances, that the whole crop is likely to be short, and that fruit will be scarce, onions, potatoes and beans must be had to fill the vacuum.

DIPTHERIA. - An English physician, who says he has cured 1000 cases of diptheria, recommends his treatment, which consists in thoroughly swabbing the back of the mouth and throat with a wash made thus: Table salt, two drachms; black pepper, golden seal nitrate of potash, alum, one drachm each. Mix and pulverize, put into a teacup, which half fill with boiling water, stir well, and then fill up with good vinegar. Use every half hour, one, two and four hours, as recovery progresses. The patient will swallow a little each time. Apply one ounce each of spirits of turpentine, sweet oil and aqua ammonia, mixed, every four hours to the whole of the throat, and to the breast-bone, keeping flannel to the part,

Reasons for Re-Enlisting. A member of Rhode Island Battery "D." whose only brother fell at Gettysburg while in command of the Fourth United States Battery of "regulars," writing home to his parents in Fall River, Massachusetts, gives the following reasons for re-enlisting:

After muture deliberation I have re-enmy own mind why I should not re-enlist; funeral sermon will be preached from Psa., but the following why I should; first, I am young; second, I am able-bodied; third, I am in good health; fourth, the country needs me, and fifth, my mother would not be proud

OBITUARY.

The deceased, Mr. George Glass, was the son or Peter Glass, a German, and was born in the vicinity of Gettysburg, June 22, 1782. When he was four weeks old his parents carried him to Bender's church, and of baptism. At the age of 18 years his palocated near the city of Frederick, where he was, a few years afterwards, received as a by the solemn rite of confirmation. Thus we find that in early life he assumed his baptismal vows, and consecrated himself to the service of the Lord. The same minister, who admitted him into the church, also united him in matrimony with Miss Anna Mariah Saehler, on the 19th day of March, 1805, with whom he lived in peace and harmony during the long period of 59 years, and who still survives her aged companion. Herself far advanced in years, she was spared to perform many a kind office on him, who lingered a long time in a state of help-lessness. Shortly after his marriage he, with Moses Denning, & others, containing one hundred his father's family, removed into Morrison's Cove, Bedford County, where they spent a number of years. In 1823 he came to White Township, Cambria county, Pa.

Under his ax the tall trees disappeared, by his labor the dense forest vanished, and by his industry a fine farm was opened in the wilderness. His toil and economy, by the blessing of Providence, procured him even more than a living; and his honesty and friendship secured him the good will of the entire community. In this distant home he did not forget the God of his fathers; and, as soon as an opportunity presented itself, he aided in organizing a congregation of his mother church, being among the original members of the Lutheran congregation of Glasgow settlement. During his protracted afflictions we visited him a number of times, and always found him patient and resigned, ready to depart and to be with Christ. He died on the first day of March, 1864, aged 81 years, 8 months, and 7 days. We believe he died a christian. On the following day he was followed to the grave by a large concourse of citizens, after a discourse at the house by listed. I could see no reason satisfactory to the pastor. It is said, upon good authority, that Mr. Lincoln, while gratified at the expressions of confidence conveyed to him from the people of the different States through Legislative bodies and Conventions, yet manifests not the remotest disposition to engage in President-making, deeming it his proper business to attend to the necessary means for the suppression of the rebellion. Mr. L's eminent good sense, pure patriotism and incorruptible integrity, have justly endeared him to the loyal masses.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects; I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation in the hope that he may thus contribute to the benefit of others. I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impres-sion that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq. for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bettles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of re

for directing me to the use of them.

gaining. I therefore thank God and my friend

This class of Bitters has caused and will continue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of Alcoholic Stimulants of the worst kind, the desire for Liquor is created and kept up, and the result is all the horrors attendent upon a drunk-

ard's life and death. For those who desire and will have a Liquor Bitters, we publish the following receipt. Get One Bottle Hoofland's German Bitters and mix with Three Quarts of Good Brandy or Whisky, and the result will be a preparation that will far excel in medicinal virtues and true excellence any of the numerous Liquor Bitters in the market, and will cost much less. You will have all the virtues of Hoofand's Bitters in connection with a good article of Liquor at a much less price than these inferior preparations will cost you.

ATTENTION, SOLDIERS!

AND THE FRIENDS OF SOLDIERS. We call the attention of all having relations or cases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large propertion are suffering from debility. Every case of that kind can be readily cured by Hoofland's Ger. man Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that, if these Ritters were freely used among our soldiers, hundreds of lives might be saved that otherwise will be lost

We call particular attention to the following remarkable and well authenticated cure of one the nation's heroes, whose life, to use his own language, "has been saved by the Bitters : PAILADELPHIA, Angust 23rd, 1862.
Messes, Jones & Evans.—Well, gentlemen, your Hoofland's German Bitters has saved my life. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case. I am, and

have been for the last four years, a member of Sherman's celebrated battery, and under the immediate command of Capt. R B. Ayres. Through the expo sure attendant upon my duties, I was attacked in November last with inflammation of the lungs and was for seventy two days in the hospital. This was followed by great debility, heightened by an attack of dysentery. I was then removed from the White House, and sent to this city on board the Steamer "State of Maine," from which I landed on the 28th of June. Since that ime I have been about as low as any one could be and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I did force a morsel down, it was

immediately thrown up again. I could not even keep a glass of water on my stomach. Life could not last under these circumstances; and, accordingly, the physicians who had been working faithfully, though unsuccessfully, to rescue me from the grasp of the dread Archer, frankly told me they could do no more for me, and advised me to see a clergyman, and to make such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital. Mr. Frederick Steinborn. of Sixth below Arch Street, advised me, as a forlorn hope, to try your Bitters, and kindly procured a bottle. From the time I commenced taking them the gloomy shadow of death receded, and I am now. thank God for it. getting better. Though I have taken but two bottles. I have gained ten pounds. and I feel sanguine of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months: for gentlemen, I am a loyal Virginian, from the vicinity of Front Royal. To your invaluable Bitters I owe the certainty of life which has taken place of vague fears -to your Bitters will I owe the glorious privilege of again clasping to my bosom those who are

dearest to me in life. Very truly yours, ISAAC MALONE. We fully concur in the truth of the above statement.us we had despaired of seeing our comrade,
