CELEBRATED STOMACH BITTERS.

A pure and powerful Tonic, Corrective and Alterative of wonderful efficacy in disease of the

HOSTETTERS'

Stomach, Liver and Bowels. Cures, Dyspepsia, Liver Complaint, Headache. General Debility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittent

Fevers, Cramps and Spasms, and all Complaints of either Sex. arising

from Bodily Weakness whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of Hostetter's Stomach Bitters. This popular preparation contains no mmeral of any kind, no leadly botanical element; no fiery excitant; but it is a combination of the extracts of rare balsam. c herbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be forearmed against disease. and. so far as the human system can be protected by human means against maladies engendered by an unwholesome atmosphere. Impure water and oth-er external causes, Hostetter's Bitters may be re-

ied on as a safeguard. In districts infested with Fever and Ague, it has been found infallible as a preventive and irresistible as a remedy and thousands who resort to it under apprehension of on attack escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance. are cured by a very brief course of this marvel-ous medicine. Fever and Ague patients, after being plied with quinine for months in vain. until fairly satured with that dangerous alkaloid, are not unfrequently restored to health within a few

days by the use of Hostetter's Betters. The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic, and hence it works wonders in cases of Dispepsia and in less confirmed forms of Indigestion" Acting as a gentle and painless appertent, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the digestive and secretive organs. Persons of feeble habit. liable to Nervous At-

tacks. Lowness of Spirits and Fits of Languor,find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive, and from both sexes.

The agony of Billious Colic is immediately assuaged by a single dose of the stimulent, and by occasionally resorting to it.the return of the com-

plaint may be prevented. As a General Tonic, Hostetter's Betters produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, Premature Decay and Debility and Decrepitude arising from Old Age. it exercises the electric influence. In the convalescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re-enforce and re-establish them.

Last, but not least, it is the only safe Stimulent. being manufactured from sound and innocuous materials, and entirely free from the acid elements present more or less in all the ordinary tonics and stomachics of the day.

The immense increase in the sale of Hostetter's Bitters, both at home and abroad, during the past year proves that the world, while it obeys the Scriptural injunction to "try all things." only "Holds fast to that which is good." Spurious preparations, like poisonous fungi, are continually springing up, but their character is soon discovered, and they are flung like worthless weeds away." On the other hand, a great antidote that performs all it promises, and even more than its proprietors claimed for it on its introduction, is not for a day, but for all time." No family medicine has been so universally, and.

it may be truly added, deservedly popular with the intelligent portion of the community, as Hostetter's Bitters.

the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects; I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation in the hope that he may thus contribute to the benefit of others I do this the more readily in regard to Hoof-land's German Bitters, prepared by Dr. C. M Jackson, of this city, because I was prejudiced against them for many years, under the impres-sion that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this projudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bettles of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of re

gaining. I therefore thank God and my friend for directing me to the use of them. Philad'a., June, 23, 1861. J. NEWTON BROWN.

#### PARTICULAR NOTICE.

There are many preparations sold under the nam of Bitters put up in quart bottles, compoun-ded of the cheapest whiskey or common rum, costing from 20 to 40 cents per gallon, the taste disguised by Anise or Coriander Seed.

This class of Bitters has caused and will continne to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the inflaence of Alcoholie Stimulants of the worst kind the desire for Liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's life and death.

For those who desire and will have a Liquor Bitters, we publish the following receipt. Get One Bottle Hoofloud's German Bitters and mix with Three Quarts of Good Brandy or Whiskey, and the result will be a preparation that will far excel in medicinal virtues and true excellence any of the numerous Liquor Bitters in the mark-et, and will cost much less. You will have all the virtues of Hoofland's Bitters in connection with a good article of Liquor.at a much less price than these inferior preparations will cost you.

eases induced by exposures and privations incident to camp life. in the lists, published almost daily in the newspapers. on the arrival of the sick, it will be noticed that a very large propor-tion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that. if these Bitters were freely used among our soldiers. hundreds of lives might be saved that otherwise will be lost. We call particular attention to the following remarkable and well authenticated cure of one nation's heroes, whose life, to use his own language, "has been saved by the Bitters :

PATLADELPHIA, August 23rd, 1862-Messrs. Jones & Evans. - Well, gentlemen, your Hoofland's German Bitters has saved my life. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case. I am, and have been for the last four years, a member of Sherman's celebrated battery, and under the im-mediate command of Capt. R B. Ayres. Through the expo sure attendant upon my duties, I was attacked in November last with inflammation of the lungs, and was for seventy-two days in the hospital. This was followed by great debility, heightened by an attack of dysentery. I was then removed from the White House, and sent to this city on board the Steamer "State of Maine," from which I landed on the 28th of June. Since that time 1 have been about as low as any one could be and still retain a spark of vitality. For a week or more I was scarcely able to swallow anything, and if I did force a morsel down, it was

immediately thrown up again. I could not even keep a glass of water on my stomach. Life could not last under these circumstances; and, accordingly, the physicians who had been working faithfully, though unsuccess fully, to rescue me from the grasp of the dread Archer, frankly told me they could do no more for me, and advised me to see a clergyman, and to make such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Steinborn, of Sixth below Arch Street, advised me, as a forlorn hope, to try your Bitters, and kindly procured a bottle From the time I commenced taking them the gloomy shadow of death receded, and I am now thank God for it. getting better. Though I have taken but two bottles, I have gained ten pounds. and I feel sanguine of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months : for. gentlemen, I am a loyal Virginian, from the vicinity of Front Royal. To your invaluable Bitters I owe the certainty of life which has taken place of vague fears -to your Bitters will I owe the glorious privilege of again clasping to my bosom those who are dearest to me in life.

Very truly yours, ISAAC MALONE. We fully concur in the truth of the above statement.as we had despaired of seeing our comrade, Mr. Malone, restored to health. JOHN CUDDLEBACK, 1st New York Battery

#### THE GREATEST RUNNING ON RECORD.

A "CHASE" AFTER "GREENBACKS"

Excitement in Lumber-City, Pa.

Better time was never achieved . than that made by the citizens of Lumber City and vicinity, on the announcement that KIRK & SPENCER had just received and were opening at their new store room, the largest and best selected stock of goods ever brought to this section of the country ; and that they were selling them at astonishingly low prices. The high price heretofore paid for goods, had well nigh caused the people to dispair, but relief came; and the running commenced; "Greenbacks," long hoarded away, 'mid, "sighs for better days," were speedily brought forth, swiftly con-veyed to the New Store, and converted into "5,20" times cheaper goods than can be had elsewhere in the county.

The public may confidently expect the running to continue from day to day, as the y are deter-mined to sell goods cheaper than any body else. Their stock will be found to comprise everything that the people my desire Dry goods, Gro-ceries Hardware, Queensware, Druge, Medicines, Hats and Caps, Boots and Shoes, Brooms, Buckets, Rope &c., &c
