HOSTETTERS' STOMACH BITTERS.

A pure and powerful Tonic, Corrective and Alterative of wonderful efficacy in disease of the

Stomach, Liver and Bowels. Cares, Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittent

Fevers, Cramps and Spasms, and all Complaints of either Sex, arising from Bodily Weakness whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and restorative in its nature enters into the composition of Hostetter's Stomach Bitters. This popular preparation contains no mineral of any kind, no deadly botanical element; no fiery excitant; but it is a combination of the extracts of rare balsamic herbs and plants with the purest and mildest of all diffusive stimulants.

It is well to be forcarmed against disease, and, so far as the human system can be protected by human means against maladies engendered by an nowholesome atmosphere. Impure water and other external causes. Hostetter's Bitters may be re-

Hed on as a safeguard. In districts infested with Pever and Agne, it has been found infallible as a preventive and irresistible as a remedy and thousands who resort to it under apprehension of on attack escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance, are cared by a very brief course of this marvelous medicine. Fever and Ague patients, after being plied with quinine for months in vain, until fairly satured with that dangerous alkaloid, are not unfrequently restored to health within a few

The weak stomach is rapidly invigorated and the appetite restored by this agreeable Tonic and hence it works wonders in cases of Dispepsia and in less confirmed forms of Indigestion Acting as a gentle and painless apperient, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the digestive and secretive organs.

days by the use of Hostetter's Betters.

Persons of feeble habit, liable to Nervous Attacks Lowness of Spirits and Fits of Languer, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive. and from both sexes.

The agony of Billious Colic is immediately assuaged by a single dose of the stimulent, and by occasionally resorting to it the return of the complaint may be prevented

As a General Tonic, Hostetter's Betters produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, Premature Decay and Debility and Decrepitude arising from Old Age. it exercises the electric influence. In the convalescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re-enforce and re-establish them.

Last, but not least, it is the only safe Stimulent, being manufactured from sound and innocuous materials, and entirely free from the acid elements present more or less in all the ordinary tonics and stomachies of the day.

The immense increase in the sale of Hostetter's Bitters, both at home and abroad, during the past year proves that the world, while it obeys the Scriptural injunction to "try all things." only "Holds fast to that which is good." Spurious preparations, like poisonous fungi, are continually springing up, but their character is soon discovered, and they are "flung like worthless weeds away." On the other hand, a great antidote that performs all it promises, and even more than its proprietors claimed for it on its introduction, is not for a day, but for all time."

No family medicine has been so universally and. it may be truly added, deservedly popular with the intelligent portion of the community, as Hostter a Battern

From Rev. J. Newton Brown. D. D. Editor of

the Encyclopedia of Religious Knowledge. Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects; I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation in the hope that he may thus contribute to the benefit of others. I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impres-sion that they were chiefly an alcoholic mixture I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bestles of these Bitters, at the eginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for six months before, and had almost despaired of re-gaining. I therefore thank God and my friend for directing me to the use of them.

Philad's .. June, 23, 1881. J. Newton Brown PARTICULAR NOTICE.

There are many preparations sold under the nam or Bitters put up in quart bottles, compounded of the cheapest whiskey or common ruin, costing from 20 to 40 cents per gallon, the taste disguised by Anise or Coriander Seed."

This class of Bitters has caused and will continne to cause, as long as they can be sold, hundreds A LARGE LOT OF BOOTS AND SHOES to die the death of the drunkard. By their use the system is kept continually under the influence of Alcoholic Stamulants of the worst kind the desire for Liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's life and death

For those who desire and will have a Liquor Bitters, we publish the following receipt Get One Bottle Hoofland's German Bitters and mix with Three Quarts of Good Brandy or Whiskey and the result will be a preparation that will far excel in medicinal virtues and true excellence any of the numerous Liquor Bitters in the market, and will cost much less. You will have all the virtues of Hoofland's Bitters in connection with a good article of Liquor at a much less price than these inferior preparations will cost you.

ATTENTION, SOLDIERS! AND THE FRIENDS OF SOLDIERS

e call the attention of all having relations of friends in the army to the fact that "Hoornand's German Bitters" will cure nine tenths of the diseases induced by exposures and privations incident to camp life. in the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cared by Hoofland's Ger-Every man Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, hundreds of ives might be saved that otherwise will be lost. We call particular attention to the following remarkable and well authenticated cure of one the nation's heroes, whose life, to use his own language, "has been saved by the Bitters:

PAILADELPHIA, August 23rd, 1862. Mesers James & Evans .- Well, gentlemen your Hoofland's German Bitters has saved my life. There is no mistake in this. I was then removed from the White House, and sent to this city on board the Steamer "State of Maine," from which I landed on the 28th of June. Since that time I have been about as low as any one could be and still retain a spark of vitality. For a

week or more I was searcely able to swallow any-

thing, and if I did force a morsel down, it was immediately thrown up again.
I could not even keep a glass of water on my stomach. Life could not last under these circumstances; and, accordingly the physicians who had been working faithfully, though unsuccessfully, to rescue me from the grasp of the dread Archer, frankly told me they could do no more for me, and advised me to see a clergyman, and to make such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital. Mr. Frederick Steinborn, of Sixth below Arch Street, advised me, as a forlorn hope, to try your Bitters, and kindly procured a bottle. From the time I commenced taking them the loomy shadow of death receded, and I am now thank God for it getting better. Though I have taken but two bottles.
