HOSTETTERS' STOMACH BITTERS

A pure and powerful Tenic, Corrective and Alterative of wonderful efficacy in

disease of the Stomach, Liver and Bowels. Cures, Dyspepsia, Liver Complaint, Headache, General Debility, Nervousness, Depression of Spirits, Constipation, Colic, Intermittent

Fevers, Cramps and Spasms, and all Complaints of either Sex, arising from Bodily Weakness whether inherent in the system or produced by special causes.

Nothing that is not wholesome, genial and re-corative in its nature enters into the composition f Hostetter's Stomach Bitters. This popular reparation contains no mineral of any kind, no deadly botanical element; no fiery excitant; but is a combination of the extracts of rare balsamherbs and plants with the purest and mildest

of all diffusive stimulants, It is well to be forearmed against disease, and, o far as the human system can be protected by human means against maladies engendered by an unwholesome atmosphere, impure water and other external causes, Hostetter's Bitters may be re-

ed on us a safeguard. In districts infested with Fever and Ague, it has been found infallible as a preventive and irresistible as a remedy and thousands who resort to it ander apprehension of on attack escape the scourge; and thousands who neglect to avail themselves of its protective qualities in advance, are cured by a very brief course of this marvel-

ous medicine. Fever and Ague patients, after being plied with quining for months in vain, until fairly satured with that dangerous aikaloid, are not unfrequently restored to health within a few days by the use of Hostetter's Bitters.

The weak stomach is rapidly invigorated and he appetite restored by this agreeable Tonic and hence it works wonders in cases of Dispersia and in less confirmed forms of Indigestion Acting as a gentle and painless appearent, as well as upon the liver, it also invariably relieves the Constipation superinduced by irregular action of the di-

gestive and secretive organs.

Persons of feeble habit, liable to Nervous Attacks, Lowness of Spirits and Fits of Languar, find prompt and permanent relief from the Bitters. The testimony on this point is most conclusive.

and from both sexes. The agony of Billious Colic is immediately assuaged by a single dose of the stimulent, and by asionally resorting to it, the return of the comlaint may be prevented

As a General Tonic, Hostetter's Betters produce effects which must be experienced or witnessed before they can be fully appreciated. In cases of Constitutional Weakness, Premature Decay and Debility and Decrepitude arising from Old Age it exercises the electric influence. In the convaescent stages of all diseases it operates as a delightful invigorant. When the powers of nature are relaxed, it operates to re-enforce and re-es-

Last, but not least, it is the only safe Stimulent, seing manufactured from sound and innocuous materials, and entirely free from the acid ele-ments present more or less in all the ordinary tonics and stomachies of the day.

The immense increase in the sale of Hastetter's Bitters, both at home and abroad, during the past year proves that the world, while it obeys the Scriptural injunction to "try all things. Holds fast to that which is good. preparations, like poisonous fungi, are continually springing up, but their character is soon discovered, and they are "fleng like worthless weeds On the other hand, a great antidote that performs all it promises, and even more than its proprietors claimed for it on its introduction, is not for a day, but for all time."

No family medicine has been so universally and it may be truly added, deservedly popular with

HELMBOLD'S EXTRACT BUCHU. For Weakness arising from Excesses. Habits of Dissipation, early indiscretion of abuse, attended

with the following symptoms:

Indisposition to Exertion, Loss of Power, Loss of Memory, Difficulty of Breathing, Weak Nerves, Trembling, Horror of Discase, Wakefulness, Dimners of vision, Pain in the back. Universal Lassitride of the Muscular system. Hot Hands, Flushing of the Body, Dryness of the skin, Eruptions on the Face, Palid Countenance

These symptoms, if allowed to go on which this medicine invariably removes, soon follows Impo-tency, Fatuity, Epileptic Fits, in one of which the Patient may expire. Who can say that they are not frequently followed by those Direful Diseases, "Inscrity and Consumption."

Many are aware of the cause of their suffering,

but none will confess the records of the insane asylums. And melancholy deaths by Consumption bear ample witness to the truth of the assertion. The Constitution once effected with Organic Weakness requires the aid of Medicine to strengthen and invigorate the system, which Helmbold's Extract Buchu invariably does. A trial will convince the most skeptical.

FEMALES-FEMALES-FEMALES. In many Affections peculiar to Females the Extract Buchu is unequalled by any other remedy, as in Chlorosis or Retention. Irregularity, Painfulness or Suppression of Customary Evacuations, Ulcerated or Scirrhous state of the Uterus, Leuchorrees or Whites, Sterility, and for all com-plaints incident to the sex, whether arising from ndiscretion, Habits of Dissipation, or in the Deline or Change of Life.

It causes a frequent desire and gives strength to Urinate, thereby removing Obstructions Pre-venting and caring Strictures of the Urethra, al-laying Pain and Inflamation, so frequent in the class of diseases, and expelling all Poisonous, Diseased and worn out matter. Thousands upon Thousands who have been the

victims of quacks, and who have paid heavy fees to be cured in a short time, have found they were deceived, and that the "Poison" has, by the use of "Powerful astringents." been dried up in the system, to break out in an aggravated form, and perhaps after marriage.

Use Helmbold's Extract Buchu for all affections and diseases of the Urinary Organs, whether existing in Male or Female from whatever cause originating and no matter of how long standing. Diseases of these organs requires the aid of a Diuretic. Helmbold's Extract Buchu is the Great Diuretic, and is certain to have the desired effect in all diseases for which it is recomended. From Rev. J. Newton Brown, D. D. Editor of

the Encyclopedia of Religious Knowledge. Although not disposed to favor or recommend Patent Medicines in general, through distrest of their ingredients and effects; I yet know of no sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple preparation in the hope that he may thus contribute to the benefit of others. I do this the more readily in regard to Hoofland's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Esq., for the removal of this prejudice by proper tests, and for encouragement to try them, when suffering from great and long continued debility. The use of three bottles of these Bitters, at the seginning of the present year, was followed by evident relief, and restoration to a degree of bodilly and mental vigor which I had not felt for six mouths before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to the use of them Philad'a., June, 23, 1861. J. Newton Brown.

PARTICULAR NOTICE.

There are many preparations sold under the nam or Bitters put up in quart bottles, compounded of the cheapest whiskey or common rum, cos ting from 20 to 40 cents per gallon, the taste dis guised by Anise or Corlander Seed. This class of Bitters has caused and will contin-

ue to cause, as long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of Alcoholic Stimulants of the worstkind the desire for Liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's life and death.

For those who desire and will have a Liquor

Bitters, we publish the following receipt. One Bottle Hoogant's German Bitters and mix with Three Occarts of Good Beaudy or Whiskey. and the result will be a preparation that will far excel in medicinal virtues and true excellence any of the numerous Liquor Bitters in the market and will cost much less. You will have all the virtues of Hoofland's Bitters in connection with a good article of Liquor at a much less price than these inferior preparations will cost you. ATTENTION, SOLDIERS!

AND THE FRIENDS OF SOLDIERS We call the attention of all having relations or friends in the army to the fact that 'HOOPLASE's German Bitters' will cure nine tenths of the dis eases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hosfland's German Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that, if these Bitters were freely used among our soldiers, bandreds of lives might be saved that otherwise will be lost. We call particular attention to the following remarkable and well authenticated cure of one the nation's heroes, whose life, to use his own Innguage, "has been saved by the Bitters:

PARLADELPHIA, August 23rd, 1862. Messee, Jones & Evans, - Well, gentlemen, your Roofland's German Bitters has saved my life There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case. I am. and have been for the last four years, a member of Sherman's celebrated battery, and under the im mediate command of Capt. R B. Ayres. Through the expo sure attendant upon my duties, I was tacked in November last with inflammation of the lungs, and was for seventy-two days in the This was followed by great debility, leightened by an attack of dysentery. I was then removed from the White House, and sent to this city on board the Steamer "State of Maine." from which I landed on the 28th of June. Since that time I have been about as low as any one could be and still retain a spark of vitality. week or more I was scarcely able to swallow anyhing, and if I did force a morsel down, it was nediately thrown up again

I could not even keep a glass of water on my stomach. Life could not last under these circumstances; and, accordingly, the physicians who had been working faithfully, though unsuccessfully, to rescue me from the grasp of the dread Archer, frankly told me they could do no more for me, and advised me to see a clergyman, and to make such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Steinborn, of Sixth below Arch Street, advised me, as a forlorn hope, to try your Bitters, and kindly procured a bottle. From the time I commenced taking them the gloomy shadow of death receded, and I am now thank God for it, getting better. Though I have taken but two bottles. I have gained ten pounds, Helmbold's Extract Buchu and Improved Rose and I feel sanguine of being permitted to rejain my wife and daughter, from whom I have neard nothing for eighteen months; for gentlemen, I am a loyal Virginian, from the vicinity of Front To your invaluable Bitters I owe the certainty of life which has taken place of vague fears to your Bitters will I owe the glorious privilege of again clasping to my bosom those who are dearest to me in life.

Very truly yours, We fully concur in the truth of the above statement, as we had despaired of seeing our comrade, Mr. Malone, restored to health.
